RE: Appeal of Design Review DR00-0011-A-2: 76 Gas Station/Circle K Mini Mart

In response to the letter of July 24, 2009 from Dale Smith representing *Friends of the Shingle Springs Interchange, Inc.* in the above appeal, the applicant has submitted corrected copies of Figures 2.0-3 and 2.0-4, as shown in the following attachments. The corrections are as a result of a drafting error and are consistent with the analysis and findings in the Final EIR. The attached corrections to Figures 2.0-3 and 2.0-4 will be added as an amendment to the document, *Corrections to the Final EIR*, which was accepted by the Planning Commission as part of the project's approval on June 25, 2009.
