Dear Supervisors :

The following item is on the Board of Supervisors meeting agenda for Tuesday, March 23rd :

31. 10-0256 Supervisor Sweeney requesting the Board discuss Special Use Permit No. S09-0018 - Western Sign, previously heard by the Planning Commission on December 10, 2009, Agenda Item No. 7:

- 1) Waive appeal time from the action of the Planning Commission's decision in which they approved the application for the Special Use Permit but excluded the digital message center; and
- 2) Consider the action of the Planning Commission and determine if the digital message center should be allowed. (Est. Time: 30 Min.)

In the past APAC expressed the wishes of the community when it voted against LED Lighting in El Dorado Hills . The Planning Commission followed that advice and did not recommend this type of lighting . It was my understanding that the county would study the matter . This type signage is not suitable for most communities in El Dorado County .

Please do not vote yes for this special use permit .
