- A. Rates: For the duration of this Agreement, reimbursement for services provided to both children and adults under this Agreement shall be at the rates established between the Contractor and the Host County for services for children or adults. In the event that the Agreement between Contractor and Host County establishes only a rate for adults, only a rate for children, or one rate for both adults and children all services provided under this Agreement shall be charged at the single rate set forth in the Agreement between Contractor and Host County. Contractor shall attach to each invoice a copy of the rates agreed to between Contractor and Host County for the period in which services were provided, in accordance with Title 9, California Code of Regulations, Section 1751.
1. The appropriate per-diem rate shall be billed for each client who meets admission and/or continued stay criteria, documentation requirements, treatment and discharge planning requirements and occupies a psychiatric inpatient hospital bed at 12:00 midnight in the facilities of Contractor. However, a day of service may be billed if the client is admitted and discharged during the same day provided such admission and discharge is not within twenty-four (24) hours of a prior discharge. In the event Client is discharged and then re-admitted within twenty-four (24) hours of discharge, the day of admission shall not be chargeable.
  2. Hospital Inpatient Medi-Cal Rate:
    - a. The per diem rate is considered payment in full, subject to third party liability and patient share of costs, for psychiatric inpatient hospital services to a beneficiary. (NOTE: Authority Title 9, CCR 1810.430 (d) (4)).
    - b. The per diem rate shall not be structured to provide incentives for Contractor to deny, limit, or discontinue medically necessary services to any beneficiary. (NOTE: Authority Title 9, CCR 1810.430 (e))
  3. Hospital Inpatient Short-Doyle/Uninsured Rate: County will authorize payment for clients not eligible for Medi-Cal reimbursement or other third-party payer at this facility only if the County initially refers client for admission. The rate shall be billed at the same rate negotiated with the Host County. The rates identified as the Hospital Inpatient Short-Doyle/Uninsured Rates, as negotiated between the Contractor and the host County, are inclusive of all inpatient hospital services including hospital based ancillary services and routine hospital services.
  4. Hospital Administrative Day Services: The rates established by the California Department of Mental Health as specified in Title 22 CCR, Section 51542(a)(3) for

Fee-For-Service/Medi-Cal hospitals. All rates shall be as evidenced in a duly issued California Department of Mental Health Information Notice and shall be effective upon the date specified in said Notice. Hospital Administrative Day rates reflect those services provided as described in Article titled "Definitions."

- a. Administrative Day Medi-Cal Rate: The rate shall be no greater than the daily rate negotiated between the Contractor and the host County, and is inclusive of all inpatient hospital services including hospital based ancillary services and routine hospital services. 5. Inpatient Psychiatric Support Services Rate: The rate shall be no greater than the daily rate negotiated between the Contractor and the Host County. These services shall be billed to County separately from the Acute Hospital Inpatient and Hospital Administrative Day Services rate(s) as specified in Welfare and Institutions Code Section 5781. It is the responsibility of Contractor to pay psychiatrists rendering services under this Agreement. Reimbursement by County to Contractor may then occur pursuant to the terms specified in Article titled "Compensation for Services," of this Agreement.
6. Rate Changes: Rate change requests are subject to written approval by the County Contract Administrator or designee. Contractor shall submit rate change requests in writing to County at least thirty (30) days in advance of a rate change request to include the reason for the change which may include:

Contractor shall submit invoices directly to County for any Inpatient Psychiatric Support Services provided to Medi-Cal beneficiaries, which may include services rendered on the date of discharge.

Contractor shall bill any third-party payer financially responsible for a client's health care services, and in such cases, County shall not bear any financial responsibility. To the extent that County inadvertently makes payments to Contractor when a responsible third-party payer is determined to exist, County shall be entitled to recoup such reimbursement.

It is expressly understood and agreed between the parties hereto that County shall not authorize payment to Contractor unless Contractor adheres to the terms and conditions of this Agreement. It is further agreed that County shall not authorize payment for services unless Contractor has provided County with evidence of insurance coverage as outlined in the Article titled "Insurance" of this Agreement. County may provide retroactive authorization when special circumstances exist, as determined by the County's Director of the Health and Human Services Agency, or Director's designee.

For services provided herein, including any deliverables that may be identified herein, Contractor shall submit invoices for services thirty (30) days following the end of a "service month." California Government Code section 84308, commonly referred to as the "Levine Act," prohibits any officer of El Dorado County from participating in any action related to a contract if he or she accepts, solicits, or directs any political contributions totaling more than five hundred dollars (\$500) within the previous twelve (12) months, and for twelve (12) months following the date a final decision concerning the contract has been made, from the person or company awarded the contract. The Levine Act also requires disclosure of such contribution by a party to be awarded a specific contract. An officer of El Dorado County includes the Board of Supervisors, any elected official, and the chief administrative officer (collectively "Officer"). It is the Contractor's responsibility to confirm the appropriate "Officer" and name the individual(s) in their disclosure.

Have you or your company, or any agent on behalf of you or your company, made any political contribution(s), or been solicited to make a contribution by an Officer or had an Officer direct you to make a contribution of more than \$500 to an Officer of the County of El Dorado in the twelve months preceding the date of the submission of your proposals or the anticipated date of any Officer action related to this contract?

**HIPAA Business Associate Agreement**

This Business Associate Agreement is made part of the base contract ("Underlying Agreement") to which it is attached, as of the date of commencement of the term of the Underlying Agreement (the "Effective Date").

**R E C I T A L S**

**WHEREAS**, County and Contractor (hereinafter referred to as Business Associate ("BA")) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information ("PHI") and Electronic Protected Health Information ("EPHI") may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement;

**WHEREAS**, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. L. No. 104-191 of 1996 ("HIPAA"), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (the "HITECH" Act), and regulation promulgated thereunder by the U.S. Department of Health and Human Services (the "HIPAA Regulations") and other applicable laws as may be amended from time to time;

**WHEREAS**, County is a Covered Entity, as defined in the Privacy Rule and Security Rule, including but not limited to 45 CFR Section 160.103;

**WHEREAS**, BA, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule, the Security Rule, and the HITECH Act, including but not limited to 42 USC Section 17938 and 45 CFR Section 160.103;

**WHEREAS**, "Individual" shall have the same meaning as the term "individual" in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g);

**WHEREAS**, "Breach" shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

**WHEREAS**, "Unsecured PHI" shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

**NOW, THEREFORE**, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

- I. Definitions. Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.
- II. Scope of Use and Disclosure by BA of County Disclosed PHI
  - A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
  - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
    1. Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
    2. disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
    3. Disclose PHI as necessary for BA's operations only if:
      - a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
        - (1) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and
        - (2) The third party will immediately notify BA of any breaches of confidentiality of PHI to the extent it has obtained knowledge of such breach.
    4. Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
    5. Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
    6. De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
  - C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.
- III. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
  - A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with Title 45 of the Code of Federal Regulations, Part 160 and Part 164, Subparts A and C (the "HIPAA Privacy Rule" and the "HIPAA Security Rule") in effect or as may be amended, including but not limited to 45 CFR 164.308,

164.310, 164.312, and 164.504(e)(2). BA shall comply with the policies, procedures, and documentation requirements of the HIPAA Security Rule.

- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
- D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.

IV. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:

- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).
- B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
- C. To assist the County in meeting its disclosure accounting under HIPAA:
  - 1. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if known, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.

2. Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
  - D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary"), BA's internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.
- V. Obligations of County.
- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
  - B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
  - C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
  - D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
  - E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.
- VI. Term and Termination.
- A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
  - B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, the County shall either:
    1. Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
    2. Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
    3. If neither termination nor cures are feasible, the County shall report the violation to the Secretary.
  - C. Effect of Termination.
    1. Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy

all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.

2. In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

VII. Indemnity

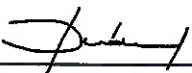

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.
- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business

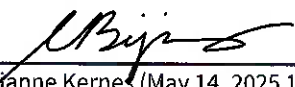

Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.

- VIII. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
- IX. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
- X. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
- XI. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
