Kirk, I picked up your voice message late in the day Friday as I was in interviews all afternoon. Since I understood that Trish Beck was able to respond to yours and Mike Cooks' concerns Monday morning, as outlined in an email from Mike, I felt it best to let the dialog continue between counsels. I fully understand that you would want to speak to the issue and will see that you are afforded your requested time. See you tomorrow, Gayle

Attached please find our response to the CAO's report for the above referenced Agenda Item. My telephone call to the CAO, which I placed on Friday afternoon, has not been returned. I had hoped to inform the CAO that I was disappointed in the tone and content of the report and as a courtesy, informing her that we would be sending a responsive letter for the record. At tomorrow's hearing, I respectfully request that I be granted about 5 minutes to respond.[attachment "Eribe-Hamlin letter re Mello-Roos.pdf" deleted by Gayle A Erbe-Hamlin/PV/EDC]
