SAMHSA BLOCK GRANT

FY 2009/2010

Program Narrative

A. STATEMENT OF PURPOSE

The County of El Dorado seeks continued funding of the Substance Abuse and Mental Health Services Administration (SAMHSA), Community Mental Health Services Block Grant for Fiscal Year 2009-10. Since 1997 these funds have been utilized in collaboration with other public and private organizations to address the needs of Emotionally Disturbed (ED) children.

Mental health services are provided through an established Children's System of Care which includes other agencies such as the County's Probation and Human Services Departments and the County Office of Education.

B. PROGRAM DESCRIPTION

El Dorado County has two population centers, one in Placerville and the other in South Lake Tahoe. SAMHSA funds will be utilized in both locations to provide program in both the Juvenile Hall in Placerville and the Juvenile Treatment Center in South Lake Tahoe.

Juvenile Hall/Juvenile Treatment Center Program

Consistent with national trends, El Dorado County continues to realize an increase in the population of emotionally disturbed children and adolescents. A number of these youth also abuse alcohol and other drugs. The most troubled of these youth are often arrested and incarcerated in the local juvenile halls/juvenile treatment center. The El Dorado County Health Services Department, Mental Health Division, seeks to continue using SAMHSA funds to provide mental health services to these incarcerated youth, as it has done for several years. Services include initial assessments, individual and group therapy (e.g., anger replacement therapy), family sessions and discharge planning within an interdisciplinary team.

Juvenile Hall/Juvenile Treatment Center Budget:

Funding allocated to the juvenile facilities program is \$137,239

.30 Mental Health Clinician – Placerville (\$25,945): This position will provide mental health services to the children in custody at the Placerville Juvenile Hall. There is no change in FTE from the prior year's allocation.
