

Proclamation
OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO
Recognizing
Leonard “Lenny” Voet for his Outstanding Public Service

Whereas, Leonard “Lenny” Voet began working as a Department Systems Analyst for the Information Technology department on August 25th, 2012. His first assignment was to help implement Avatar for the Behavioral Health department.

Whereas, Lenny’s hard work, personality, and past work experience made him a perfect candidate for the Supervising IT Analyst position. He was promoted to Supervising IT Analyst position January 26th, 2013.

Whereas, Lenny has supervised the desktop support team through multiple system changes including Adobe Cloud, Kronos, VDI, CARES, and M365. He encouraged his team to develop Wiki articles and track support tickets for consistency, measurable support, and to seek opportunities for improvements.

Whereas, Lenny strived to put the customer first understanding that Information Technology is a service department to the County. He loved to research and find solutions for desktop issues. He knew IT needed to understand the customer needs to make the correct decisions for departments. Lenny leaves the County with equipment standards and a process in place for IT purchases.

Whereas, Lenny and his team have been key components of support for the County in emergency situations. Lenny and his team created over 50 desktop images, deployed over 900 devices, and setup over 15 conference rooms to support teleworking during COVID-19. Lenny and his team setup computers and printers in evacuation centers for Caldor and Mosquito fires. Lenny noticed the Wi-Fi service needed improvements during the Mosquito fire and escalated the issue to find a solution proving his service to the public.

Whereas, Lenny is excited to start his retirement with his wife Brenda of 40 years. Lenny and Brenda plan staying at their cabin in Outingdale on the Cosumnes River. Lenny is a proud father of Timmy, Lindsey, and Maggie. He is excited to see Tim take his music career to the next stage, Lindsey start her career with her master’s in social work, and Maggie continue her career as a flight attendant.

Whereas, Lenny’s goal for retirement is taking his fishing boat out with friends and family. His fishing spots include Tomales Bay, American River, and Motherlode Lakes. Lenny would love to see the Raiders win a Super Bowl.

Now therefore be it proclaimed: that the Board of Supervisors of the County of El Dorado recognizes and commends Leonard “Lenny” Voet for his significant contributions to the County over the past 10 years. The Board extends their appreciation to Lenny for his outstanding public service.

Passed by the Board of Supervisors of the County of El Dorado at a regular meeting of said Board, held the 6 day of December, 2022.

Attest:

Kim Dawson
Clerk of the Board of Supervisors
