8:00 a.m. – 4:00 p.m. Registration

8:30 a.m. – 10:00 a.m. General Session

California is at a crossroads. Faced with a monumental budget deficit, Governor Brown has proposed a realignment of state programs to California Counties, as well as the funding and flexibility needed for successful delivery. Is this the direction that California will ultimately head in? And, if not, where are we headed? Hear the latest news from the State Capitol, plans for the future and how it all impacts California Counties.

Featured Speakers:

- The Honorable Senator Lois Wolk, Chair of Senate Governance and Finance Committee
 - The Honorable Assembly Member Richard Gordon, Former CSAC President
 - Diane Cummins, Special Advisor to the Governor on Realignment
-

10:00 a.m. – 12:00 p.m. Realignment: Protections and Programs – Where Are We Headed?

The realignment of programs has been a major priority for the new Administration. CSAC has been working close with the Governor and his Administration on ensuring that counties are properly protected should programs be shifted. This two-hour workshop will be divided into two parts: potential realignment protections and programs.

Please note that due to ongoing events transpiring within the Capitol, the subject and/or focus of this workshop may change. We will keep you apprised of any change in content.
