 - (a) If the Board adopts the proposed policy, the Clerk of the Board shall notify County departments of the Board's action and post the policy with the new review date on the County web site.
 - (b) If the Board recommends changes to the proposed policy, the responsible department will redraft the policy based on the Board's direction and submit the draft, with the department head's approval, to the Chief Administrative Office for review.
 - (c) The responsible Department will then continue with processing in the manner described in this policy.
 - (d) If the Board repeals a policy, the Clerk of the Board will notify County departments of the Board's action and remove the policy from the County web site.
