AIRPORT DIVISION FEE POLICIES & PROCEDURES

The following fee policies are applicable to fees collected or charged by the Airports Division.

A. APPLICABILITY

Airport users shall promptly pay applicable access fees, flowage fees, lease payments and any other charges. Fees are charged as either: fixed rates, fees, charges, or "Time and Materials." The fixed rates, fees, or charges are intended to cover the ordinary costs of the Airport Division for providing that service. The "Time and Materials" fees listed are an initial deposit and are described in more detail in the "Time and Materials" section. Payments to the County must be paid as follows:

- 1) Fuel: At time of purchase.
- 2) Transient/Visitor Tiedown: Before aircraft departure.
- 3) Tiedowns (Not Transient/Visitor): Within fifteen days of receipt of quarterly billing or on the first of each calendar month.
- 4) Hangar Rentals and Leases:
 - a. Ground Lease: Billed annually
 - b. County Owned Hangar Lease: Billed monthly and payable on the tenth of each month
- 5) Offsite Operator Agreements: Billed monthly and payable on the tenth of each month.

B. TIME AND MATERIALS

In all of those instances in the adopted Fee Schedule where a dollar amount is provided followed by a reference to "T&M," the dollar amount is the initial minimum deposit, and the T&M means the actual cost to the applicant to process the application or permit is based on a Time and Materials method of billing. For services subject to T&M charges, the applicant will receive a billing statement and/or invoice identifying the remaining deposit balance on account or the amount due if deposited funds have been exhausted. If monies are owed, they shall be paid within thirty (30) days as specified in Board of Supervisors Policy B-4, Collections - Recovery of Public Funds. Any outstanding balances must be paid before action by the approving authority. To make certain there is no misunderstanding regarding the application deposit and billing process, the applicant will be required to sign an "Agreement to Pay" statement with application submittal acknowledging agreement to pay the processing costs regardless of whether the application is approved or denied.

All applications are subject to being converted to time and materials. When the costs of processing an application will significantly exceed the required fixed fee due to the unusual complexity of the application or due to non-responsiveness from the applicant that results in excessive staff time, the Airport Director may convert the application to the Time and Materials billing process.

C. FEE WAIVERS

Fee waivers cannot be approved by the Airport Division. Pursuant to Board of Supervisors Policy B-2, Fee Waiving, or its equivalent, the CAO has limited authority to waive certain fees.

D. COLLECTIONS

Unpaid balances are subject to Board of Supervisors Policy B-4, Collections - Recovery of Public Funds. Balances referred to County Revenue Recovery will be assessed an amount equal to the costs incurred by the County for administering revenue recovery services.

E. REFUNDS

The following applies for refund requests.

- 1) Fixed application fees are not refundable.
- 2) The CAO or Airports Director may authorize a refund of any unexpended Time and Materials deposit upon any of the following circumstances:

- a. The project/application is approved or denied, and no further work will be required, and the Time and Materials account is closed.
 - b. The applicant withdraws the application and requests a refund in writing. The County shall discontinue work on the application within one (1) working day from the receipt of said request, except that the County may continue to process an application involving the violation of a County ordinance.
- 3) Any total refund of \$25.00 or less will not be issued. Any deposit balance of \$25.00 or less will not be eligible for refund and will be retained by the County.
- 4) It is the applicant's responsibility to keep track of the amounts submitted and to inform the Airports Director of all changes in address or ownership, including submission of a successor Agreement to Pay in the event of a change in ownership.
- 5) After all notices have been given and four (4) years have passed the County can follow the County's escheatment process per Government Code Section 50050 - 50057 for disposing of unexpended fees.

F. SEVERABILITY

If any title, article, section, subsection, sentence, clause, or phrase of these Policies and Procedures or any amendment thereto is for any reason held by a court of competent jurisdiction to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of these Policies and Procedures or amendments thereto. The Board of Supervisors declares that it would have approved these Policies and Procedures and each title, article, section, subsection, sentence, clause, and phrase of these Policies and Procedures irrespective of the fact that any one or more titles, sections, subsections, sentences, clauses, or phrases are declared invalid or unconstitutional.

G. NON-EXCLUSIVITY

Nothing in these Policies and Procedures or any amendment thereto shall limit or preclude the enforcement of other county ordinances, including penalties therein or any other federal, state, or local laws or regulations. The remedies provided herein are cumulative to all other remedies now or hereafter available to abate or otherwise enforce a fee or permit requirement for conduct described herein. The collection or acceptance of any fee does not constitute and shall not be construed as approval or authorization of any conduct, activity, or condition that violates any federal, state, or local laws or regulations.
