Deputy Chief Probation Officer  
County of El Dorado  
3974 Durock Road, Suite 205  
Shingle Springs, CA 95682

Dear Mr. Janette,

On behalf of the Board of Supervisors I would like to extend to you our deepest gratitude for your service as the Acting Chief Probation Officer for the County of El Dorado. Your willingness and ability to lead your department during this period of transition ensured that our County was able to provide the utmost level of probation and public safety services to our residents without interruption or distraction.

As the Acting Chairman of the Community Corrections Partnership you effectively guided the collaborative efforts to continue the County's progress towards the implementation of the changes and programs necessary as we navigate Public Safety Realignment. The Community Corrections Center will be central to the County's ability to successfully implement the various supervision and treatment services required as part of Realignment. Through the greater part of this year, the Partnership continued in their work to establish the Center, including the coordinated programs, staff and actual location. With the Center scheduled to be open and fully operational in the near future, our County will continue to provide the level of public safety services our residents deserve and expect.

The Board of Supervisors thanks you for your leadership and service as the Acting Chief Probation Officer and is grateful that you remain as an essential part of our County's public safety leadership team.

Sincerely,
