LATE DISTRIBUTION

DATE 8/6/15

BOS 8/11/15

Dear Board of Supervisors,

My name is Sarah Askew and I have been a resident of El Dorado County for most of my life and have much respect for its land and the community. I will be attending the August 11<sup>th</sup> Board meeting to request that my Supervisor sign the Declaration for the State of Jefferson so that our community and county can receive more representation. Northern California is a beautiful place that I call home, but due to the lack of representation my family and I have considered moving out of state, but we feel it's important to fight for what you love and to fight for what is just. I hope that you feel the same way.

Kindest Regards,

*Sarah Louise Askew*

Dear Eldorado County Board of Supervisors: 08/03/15

I am writing to say that I will be attending the EDC Board of Supervisor Meeting on August 11<sup>th</sup>. I am a resident of Eldorado County and strongly support the State of Jefferson movement as I feel that my voice & the voices of Northern California are not being represented.

I hope that the supervisors will strongly review and sign the State of Jefferson Declaration for Eldorado County.

Sincerely,  
R.C. Ash
