AGREEMENT FOR SERVICES #051-S0911

THIS AGREEMENT made and entered by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and Family Connections El Dorado, Inc., a California Corporation, duly qualified to conduct business in the State of California, whose principal place of business is 344 Placerville Drive, Suite 10, Placerville, CA 95667; (hereinafter referred to as "Contractor");

WITNESSETH

WHEREAS, on January 10, 2006 the El Dorado County Board of Supervisors approved a Community Services and Supports (CSS) Plan for submission to the State of California that specified a proposed expenditure of Mental Health Services Act (MHSA) funds to support a Latino Engagement Initiative in the Western Slope of the County for the Mental Health Department (MHD);

WHEREAS, Contractor has represented to County that it is specially trained, experienced, expert and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

WHEREAS, it is the intent of the parties hereto that such services be in conformity with all applicable federal, state and local laws; and

WHEREAS, County has determined that the provision of these services provided by Contractor is in the public's best interest, and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by El Dorado County Charter, Section 210 (b) (6) and/or Government Code 31000;

NOW, THEREFORE, County and Contractor mutually agree as follows:

ARTICLE I

Scope of Services: Contractor agrees to conduct a Latino Engagement Program in El Dorado County consisting of bilingual/bicultural outreach, engagement, peer family support, mental health services, and related services as required by County. Services shall include, but not be limited to:

- Implementation of the *Promotora* model of peer to peer outreach, engagement, and family support services; reduce stigma related to accessing mental health services in the Latino community and assist families in linking to additional resources, referrals, and assistance in transportation, home visitation, and accessing multiple services and needs;
- Provision of culturally competent community-based bilingual/bicultural mental health services in the Western Slope by licensed clinicians and/or such other persons as may be authorized in writing by the County;
- Initiation of client specific mental health services only after receiving written authorization from the Contract Administrator approving the proposed services;
- Initiation of client specific mental health services within 14 days of receipt of written authorization from the Mental Health Department;
- Changes to authorized treatment plans of clients only after receiving prior written approval from the Contract Administrator; and
- Submission authorization, admission and discharge documentation to County on a weekly basis.

Contractor shall provide the services called for under this Agreement in a culturally competent manner. Contractor's work shall be carried out in compliance with County and State of California requirements for MHSA program implementation. Contractor acknowledges that it has received, understands and shall ensure all program activities implemented under this Agreement are in compliance with the requirements of:

- County's Community Services and Supports ("CSS") Plan marked as Exhibit "A", incorporated herein and made by reference a part hereof;
- County MHD MHSA Guiding Principles, marked as Exhibit "B", incorporated herein and made by reference a part hereof;
- California Department of Mental Health (DMH) Vision Statement and Guiding Principles for DMH Implementation of the Mental Health Services Act dated February 16, 2005, marked as Exhibit "C", incorporated herein and made by reference a part hereof; and
- County MHD MHSA Cultural Competency Requirements, marked as Exhibit "D", incorporated herein and made by reference a part hereof.

Performance. It is understood and agreed that Contractor's performance shall be monitored and evaluated on an ongoing basis. Monitoring and evaluations shall include but not be limited to:

1. Monitoring the number of individuals or families provided with Promotora services; and
2. Monitoring the number of individuals provided with mental health therapy; and
3. The duration of Client participation in ongoing therapy, and
4. Other factors and indicators as deemed appropriate or necessary by County.

Initial performance targets shall be as follows: (a) outreach, engagement, and/or peer family support to a minimum of 100 families per year; (b) mental health services to an ongoing, active caseload of 10 clients; and (c) outreach to a minimum of 10 groups.

Pre-Authorization. Contractor needs no written or verbal pre-authorization to conduct an assessment of a Client or Client's family. Contractor shall only begin post-assessment mental health services for a specific client with written authorization from the County except in a mental health emergency; that is, an event that results in the client's need for immediate service intervention in order to avoid the need for a higher level of care.

Meetings. Contractor shall participate in meetings with MHD on an "as requested" basis. Meetings shall include but not be limited to the following topics:

1. Review of the administration of the Latino Engagement Initiative Program as defined under this Agreement; and
2. Discussion of specific Client cases/collaborative case management; and
3. Chart audits; and
4. Outcomes and improvements thereof; and
5. Other such purposes as may be deemed necessary by County.

Reports and Data. Contractor shall provide clinical, financial and other related data on the activities and outcomes conducted hereunder as may be requested by County, including but not limited to: clinician name/number, client name, service date, service code and such other information as may be required for each service provided. Contractor agrees to complete an "Admission Episode" form and "Client Registration" form at the first assessment contact for each new client, and to provide these forms to County periodically as requested by County. It is understood and agreed that County's access to and Contractor's prompt submission of these and related data are an essential element of this agreement.

Contractor shall at all times cooperate in making data and information on the implementation of this agreement accessible to County MHD.

ARTICLE II

Term: This agreement shall become effective when fully executed by both parties hereto and cover the period from July 1, 2008 to December 31, 2008.

ARTICLE III

Compensation for Services: For services provided herein, County agrees to pay Contractor monthly in arrears. For the purposes hereof, the monthly billing rate shall be \$9,583.33.

Contractor shall submit monthly invoices for services no later than thirty (30) days following the end of a "service month". For billing purposes, a "service month" shall be defined as a calendar month during which Contractor provides services in accordance with ARTICLE I, "Scope of Services". Failure to submit invoices within 30 days following the end of a service month may result in a significant delay in payment. Invoices are to be sent accordingly:

El Dorado County Department of Mental Health
Attn: Accounts Payable
670 Placerville Drive
Placerville, CA 95667

Payment shall be made within forty five (45) days following County's receipt and authorization of invoice(s).

The total amount of this Agreement shall not exceed \$57,500.00.

ARTICLE IV

HIPAA Compliance: All data, together with any knowledge otherwise acquired by Consultant during the performance of services provided pursuant to this Agreement, shall be treated by Consultant and Consultant's staff as confidential information. Consultant shall not disclose or use, directly or indirectly, at any time, any such confidential information. If the Consultant receives any individually identifiable health information ("Protected Health Information" or "PHI"), the Consultant shall maintain the security and confidentiality of such PHI as required by applicable laws and regulations, including the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and the regulations promulgated thereunder.

ARTICLE V

Debarment and Suspension Certification

By signing this agreement, the Contractor agrees to comply with applicable federal suspension and debarment regulations including, but not limited to 7 CFR Part 3017, 45 CFR 76, or 34 CFR 85. By signing this agreement, the Contractor certifies to the best of its knowledge and belief, that it and its principals:

- Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;
- Have not within a three year period preceding this application/proposal/agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.
- Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in Paragraph b(2) herein; and
- Have not within a three-year period preceding this application/proposal/agreement had one or more public transactions (Federal, State or local) terminated for cause or default.

- Shall not knowingly enter in to any lower tier covered transaction with a person who is proposed for debarment under federal regulations (i.e., 48 CFR part 9, subpart 9.4), debarred, suspended, declared ineligible or voluntarily excluded from participation in such transactions, unless authorized by the State.
- Shall include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation to County. The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549. If the contractor knowingly violates this certification, in addition to other remedies available to the Federal Government, County may terminate this agreement for cause or default.

ARTICLE VI

Mandated Reporter Requirements: Contractor acknowledges and agrees to comply with mandated reporter requirements pursuant to the provision of Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the California Penal Code, also known as The Child Abuse and Neglect Reporting Act.

ARTICLE XVII

Conflict of Interest: The parties to this Agreement have read and are aware of the provisions of Government Code Section 1090 et seq. and Section 87100 relating to conflict of interest of public officers and employees. Contractor attests that it has no current business or financial relationship with any County employee(s) that would constitute a conflict of interest with provision of services under this contract and shall not enter into any such business or financial relationship with any such employee(s) during the term of this Agreement. County represents that it is unaware of any financial or economic interest of any public officer or employee of Contractor relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement either party may immediately terminate this Agreement by giving written notice as detailed in the Article in the Agreement titled, "Default, Termination and Cancellation".

ARTICLE XVIII

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE XIX

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

ARTICLE X

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE XI

Independent Contractor/Liability: Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subContractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

ARTICLE XII

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County shall adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XIII

Default, Termination, and Cancellation:

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.
Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.
- B. **Bankruptcy:** This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. **Ceasing Performance:** County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation without Cause:** County may terminate this Agreement in whole or in part upon seven (7) calendar days written notice by County without cause. If such prior termination is effected, County shall pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

ARTICLE XVI

Insurance: Contractor shall provide proof of a policy of insurance satisfactory to the El Dorado County Risk Manager and documentation evidencing that Contractor maintains insurance that meets the following requirements:

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of Contractor as required by law in the State of California.

New certificates of insurance are subject to the approval of Risk Management and Contractor agrees that no work or services shall be performed prior to the giving of such approval. In the event the Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.
- H. The certificate of insurance must include the following provisions stating that:
1. The insurer shall not cancel the insured's coverage without thirty (30) days prior written notice to County, and;
 2. The County of El Dorado, its officers, officials, employees, and volunteers are included as additional insured, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
- I. The Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by the County, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the County, its officers, officials, employees, and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.
- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the County, its officers, officials, employees or volunteers.
- L. The insurance companies shall have no recourse against the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. Contractor's obligations shall not be limited by the foregoing insurance requirements and shall survive expiration of this Agreement.
- N. In the event Contractor cannot provide an occurrence policy, Contractor shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.

- O. Certificate of insurance shall meet such additional standards as may be determined by the contracting County Department either independently or in consultation with Risk Management, as essential for the protection of the County.
