### **Extended Operational Agreement**

This Operational Agreement stands as evidence that County and Contractor intend to work together toward the mutual goal of providing the maximum available assistance for victims of adult sexual assault and domestic violence crimes in El Dorado County. Both agencies believe that the implementation of the Violence Against Women Vertical Prosecution Program application, as describe herein, will further this goal. To this end, each agency agrees to participate in the program, if selected for funding, by coordinating/providing the following services for the period January 1, 2024 – December 31, 2026.

County will closely coordinate with Contractor to improve the prosecution of Adult Sexual Assault and Aggravated Domestic Violence crimes by creating a Project team with a reduced caseload that can expeditiously investigate and vertically prosecute cases, reduce trauma to victims and enhance our services to victims.

County agrees to the following:

1. To enforce the laws regarding domestic violence and adult sexual assault in order to protect the victim(s) and to prevent future criminal acts through vigorous early intervention;
2. To provide a designated Deputy District Attorney and District Attorney Investigator to work directly with the Victim Advocate on adult sexual assault and domestic violence cases;
3. To notify Contractor through the Victim Advocate, or as necessary through the twenty-four (24) hour crisis line, whenever a domestic violence case or adult sexual assault is initiated;
4. To provide effective communication between Project team members;
5. To ensure increased collaboration between Project staff, law enforcement, County agencies, civilian agencies, and the Contractor;
6. To engage in collaborative five (5) part trainings with Contractor; and
7. To establish policies opposing pre-trial release of offenders, reducing delays between arrest and conviction, and establishing reduced caseload for Project attorney.

Contractor agrees to the following:

1. Provide the equivalent of one (1) full-time Victim Advocate to work specifically with the Project Attorney assigned to the Adult Sexual Assault/Aggravated Domestic Violence Program to ensure a collaborative effort with the Contractor. The Victim Advocate shall meet the requirements as defined by Evidence Code sec. 1035-1036.2 for sexual assault counselor and Evidence Code section 1037-1037.7 for domestic violence counselor; have a minimum of two (2) years' experience assisting victims of sexual assault and domestic violence and will have completed the California Crime Victim Assistance Association Entry Level Advocate Certification Course. The Victim Advocate will attend at least one (1) advanced advocacy training during the grant year, in addition to attending in-house trainings and the regular multidisciplinary meetings;
2. To have a Victim Advocate available twenty-four (24) hours a day to respond to a victim's need for advocacy and assistance;
3. To provide early contact and referral of resources to victims by Victim Advocate (within eight (8) hours);
4. To provide twenty-four (24) hour crisis line services, crisis intervention, individual and group counseling, legal assistance, compensation claims assistance, emergency food, clothing, shelter, advocacy and court accompaniment to domestic violence victims and their children and to adult sexual assault victims who request assistance from Contractor;
5. To ensure increased collaboration between Project staff, law enforcement, County agencies, civilian agencies, and Contractor;
6. To engage in five (5) part training with County, as appropriate; and
7. To share information regarding domestic violence and sexual assault victims with County, if appropriate and if prior written authorization has been obtained from the victim.

The Levine Act also requires disclosure of such contribution by a party to be awarded a specific contract.
