SUBJECT: Retroactive Cooperative Service Agreement 25-7306-6574-RA

This memo is to notify you that a retroactive Agreement is being requested by the Department of Agriculture for the Cooperative Service Agreement 25-7306-6574-RA with the United States Department of Agriculture, Animal and Plant Health Inspection Service Wildlife Services (USDA APHIS). The term of the agreement is July 1, 2025 through June 30, 2026 for the Financial Work Plan in the amount of \$88,693.97. This agreement continues maintenance of an Integrated Wildlife Damage Management (IWDM) program to protect residents, property, livestock, crops, and natural resources from damage caused by predator and other nuisance wildlife.

This agreement was in the draft stages with the USDA APHIS, due to a request from County Counsel to correct wording and legal citations.
