Contractor shall acknowledge compliance by signing and returning Exhibit D upon request by County.

ARTICLE VII

Taxes: Contractor certifies that as of today's date, it is not in default on any unsecured property taxes or other taxes, or fees owed by Contractor to County. Contractor agrees that it shall not default on any obligations to County during the term of this Agreement.

ARTICLE VIII

Executive Order N-6-22 – Russia Sanctions: On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 (the EO) regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The EO directs state agencies to terminate contracts with, and to refrain from entering any new contracts with, individuals or entities that are determined to be a target of Economic Sanctions. Accordingly, if this Agreement is funded by state funds and County determines Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for termination of this agreement. The County shall provide Contractor advance written notice of such termination, allowing Contractor at least thirty (30) calendar days to provide a written response. Termination shall be at the sole discretion of the County.

ARTICLE IX

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE X

Contractor to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship between County and Contractor, and Contractor may perform similar work or services for others. However, Contractor shall not enter into any agreement with any other party or provide any information in any manner to any other party, that would conflict with Contractor's responsibilities or hinder Contractor's performance of services hereunder, unless County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

ARTICLE XI

Confidentiality: Contractor shall maintain the confidentiality and privileged nature of all records, including billing records, together with any knowledge therein acquired, in accordance with all applicable state and federal laws and regulations, as they may now exist or may hereafter be amended or changed. Contractor, and all Contractor's staff, employees, and representatives, shall not use or disclose, directly or indirectly at any time, any said confidential information, other than to County's Contract Administrator for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE XII

Health Insurance Portability and Accountability Act (HIPAA) Compliance: As a condition of Contractor performing services for County, Contractor shall execute Exhibit E, marked "HIPAA Business Associate Agreement" incorporated herein and made by reference a part hereof.

ARTICLE XIII

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

In the event Contractor receives written consent to subcontract services under this Agreement, Contractor is required to ensure subcontractor remains in compliance with the terms and conditions of this Agreement. In addition, Contractor is required to monitor subcontractor's compliance with said terms and conditions and provide written evidence of monitoring to County upon request.

In addition, the Contractor certifies that:

- A. Any work or services specified in this Agreement which will be performed by other than the Contractor shall be evidenced by a written Agreement specifying the terms and conditions of such performance.

- B. The Contractor shall maintain and adhere to an appropriate system, consistent with federal, State, and local law, for the award and monitoring of contracts that contain acceptable standards for insuring accountability.
- C. The system for awarding contracts will contain safeguards to ensure that the Contractor does not contract with any entity whose officers have been convicted of fraud or misappropriation of funds.
- D. Subcontractors shall comply with the Confidentiality requirements set forth in the "Performance Agreement" between County and California Department of Health Care Services, or as may be amended or replaced, and incorporated by reference herein. The Performance Agreement and the MHPA Plan are available at: https://www.edcgov.us/Government/MentalHealth/mhpa/Pages/mhpa_plans.aspx.

ARTICLE XIV

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Contractor. Those persons will be entirely and exclusively under the direction, supervision, and control of Contractor.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which Contractor performs the work or services for accomplishing the results. Contractor understands and agrees that Contractor lacks the authority to bind County or incur any obligations on behalf of County.

Contractor, including any subcontractor or employees of Contractor, shall not receive, nor be eligible for, any benefits County provides for its employees, including, but not limited to, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. Contractor shall not receive, nor be eligible for, workers' compensation, including medical and indemnity payments. County is not responsible for withholding, and shall not withhold, Federal Income Contribution Act amounts or taxes of any kind from any payments which it owes Contractor. Contractor shall not be subject to the work schedules or vacation periods that apply to County employees.

Contractor shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that Contractor provides for its employees.

Contractor acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and Contractor shall not make any agreements or representations on the County's behalf.

ARTICLE XV

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XVI

Audit by California State Auditor: Contractor acknowledges that if total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code §8546.7. In order to facilitate these potential examinations and audits, Contractor shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the contract, all books, records and documentation necessary to demonstrate performance under the Agreement.

ARTICLE XVII

Default, Termination, and Cancellation:

- A. Termination by Default: If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:
1. The alleged default and the applicable Agreement provision.
 2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

1. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Contractor shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Contractor, the excess costs to procure from an alternate source.
2. County shall pay Contractor the sum due to Contractor under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Contractor under this Agreement and the balance, if any, shall be paid to Contractor upon demand.
3. County may require Contractor to transfer title and deliver to County any completed work under the Agreement.

The following shall be events of default under this Agreement:

1. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
 2. A representation or warranty made by Contractor in this Agreement proves to have been false or misleading in any respect.
 3. Contractor fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.
 4. A violation of the Article titled "Conflict of Interest."
- B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event Contractor ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Contractor, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.
- E. Termination for Cause: Upon the County or State's knowledge of a material breach of this Agreement by the Contractor, the County or State shall:
1. Provide an opportunity for the Contractor to cure the breach or end the violation and terminate this Agreement if the Contractor does not cure the breach or end the violation within the time specified by the County or State; or

2. Immediately terminate this Agreement if the Contractor has breached a material term of this Agreement and cure is not possible; or
3. If neither cure nor termination is feasible, the State Information Security Officer shall report the violation to the Secretary of the U.S. Department of Health and Human Services.

F. Judicial or Administrative Proceedings: The County or State may terminate this Agreement, effective immediately, if (i) the Contractor is found liable in a civil matter or guilty in a criminal matter proceeding for a violation of the HIPAA Privacy or Security Rule or (ii) a finding or stipulation that the Contractor has violated a privacy or security standard or requirement of HIPAA, or other security or privacy laws is made in an administrative or civil proceeding in which the Contractor is a party.

G. Effect of Termination: Upon termination or expiration of this Agreement for any reason, the Contractor shall return or destroy all Individually Identified Health Information (IIHI) received from the State that the Contractor still maintains in any form, and shall retain no copies of such IIHI or, if return or destruction is not feasible, it shall continue to extend the protections of this Agreement to such information, and limit further use of such IIHI to those purposes that make the return or destruction of such IIHI infeasible. This provision shall apply to IIHI that is in the possession of subcontractors or agents of the Contractor.

H. Termination Process: The County may terminate this Agreement in whole or in part when it has determined that the Contractor has substantially violated a specific provision of the MHSA regulations or implementing State legislation. The County shall provide a termination notice in writing to the Contractor.

1. Upon Contractor's receipt of notice of termination from the County, and except as otherwise directed in the notice, Contractor shall:
 - a. Stop work on the date specified in the notice;
 - b. Place no further orders nor enter into any further subcontracts for materials, services or facilities except as necessary to complete work under the Agreement up to the effective date of termination;
 - c. Terminate all orders and subcontracts;
 - d. Promptly take all other reasonable and feasible steps to minimize any additional cost, loss or expenditure associated with work terminated, including, but not limited to reasonable settlement of all outstanding liability and claims arising out of termination of orders and subcontracts;
 - e. Deliver or make available to the State all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Contractor under this Agreement, whether completed, partially completed, or in progress.

In the event of termination, an equitable adjustment in the funds provided by this Agreement shall be made. Such adjustment shall include reasonable compensation for all services rendered, materials, supplies, and expenses incurred pursuant to this Agreement prior to the effective date of termination.

In the event an adjustment is made as specified above, the Contractor shall promptly return to the County all unexpended distributions advanced pursuant to this Agreement.

Notices to the Contractor shall be addressed in accordance with the Article titled "Notice to Parties."

In the event any provision of this Agreement is unenforceable or held to be unenforceable, then the parties agree that all other provisions of this Agreement have full force and effect and shall not be affected hereby.

ARTICLE XVIII

Transfer of Records: In the event that Contractor ceases operation, all files that are subject to audit shall be transferred to the County for proper storage of physical records and electronic data. Contractor shall notify County of impending closure as soon as such closure has been determined, and provide County with a complete list of records in its possession pertaining to County clients and operational costs under this Agreement. County shall promptly advise Contractor which records are to be transferred to the custody of County. Records not transferred to custody of County shall be properly destroyed by Contractor, and Contractor shall provide documentation of proper destruction of all such records to County.

ARTICLE XIX

Said notice shall become part of this Agreement upon acknowledgment in writing by the County Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XXI

Indemnity: To the fullest extent permitted by law, Contractor shall defend at its own expense, indemnify, and hold the County harmless, its officers, employees, agents, and volunteers, against and from any and all liability, claims, suits, losses, damages, or expenses of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the acts or omissions of Contractor or its officers, agents, or employees in rendering the services, operations, or performance hereunder, except for liability, claims, suits, losses, damages or expenses arising from the sole negligence or willful acts of the County, its officers and employees, or as expressly prescribed by statute. This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

The insurance obligations of Contractor are separate, independent obligations under the Agreement, and the provisions of this defense and indemnity are not intended to modify nor should they be construed as modifying or in any way limiting the insurance obligations set forth in the Agreement.

ARTICLE XXII

ARTICLE XXXVII

Additional Terms and Conditions: As a result of SB 389 (2019), MHSA was amended to authorize counties to use MHSA funding to provide services to persons who are participating in pre-sentencing or post-sentencing diversion programs, or who are on parole, probation, post-release community supervision, or mandatory supervision, effective January 1, 2020.

- A. By signing this Agreement, Contractor acknowledges that, as a sub-recipient of MHSA funding, Contractor is obligated to adhere to all terms and conditions in effect at the time services are provided, as defined in the “Performance Agreement” between County and California Department of Health Care Services, or as may be amended or replaced, and incorporated by reference herein. Additionally, services shall be in compliance with the Mental Health Services Act Plan, or as updated thereafter. The Performance Agreement and the MHSA Plan are available at: https://www.edcgov.us/Government/MentalHealth/mhsa/Pages/mhsa_plans.aspx.
- B. **Fingerprinting:** If required by State law or County ordinance, pursuant to California Penal Code Section 11105.3(a), “Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (1) of Section 15660 of the Welfare and Institutions Code of a person who applies for a license, employment, or volunteer position, in which he or she would have supervisory or disciplinary power over a minor or any person under his or her care.” Therefore, Contractor warrants that its employees, subcontractors, assignees, volunteers and any other persons who, while providing services under this Agreement, have or may have supervisory or disciplinary power over any person or minor under his or her care, have been fingerprinted in order to determine whether they have a criminal history that would compromise the safety of persons or minors with whom they have contact in the course of provision of services under this Agreement. Contractor further warrants that said employees, subcontractors, assignees, volunteers and other persons have been cleared by Contractor to perform the services described in this Agreement. All fingerprinting services shall be at Contractor’s sole expense. More specifically, Contractor agrees that:
- 1) Each applicant for paid or volunteer employment by Contractor who shall or may have a supervisory or disciplinary power over a minor or any person under his or her care shall be fingerprinted in order to determine whether they have a criminal history, which would compromise the safety of such minor, or person(s) under his or her care. All fingerprinting shall be at Contractor’s sole expense.
 - 2) The fingerprinting process as set forth above shall be completed and the results of the process shall be obtained before any of the Contractor’s employees, subcontractors, assignees or volunteers are assigned or permitted to work with any minor or person referred to Contractor by County. Alternatively, the Contractor may set a hire date prior to obtaining fingerprinting results contingent on the applicant certifying that: (1) his or her employment application truthfully and completely discloses whether he or she has ever been convicted of a felony or misdemeanor or been on parole or probation and (2) that the applicant understands that a background check shall be conducted and that he or she shall be immediately dismissed from employment if he or she has failed to provide information regarding convictions, has provided incomplete information regarding convictions, has omitted information regarding convictions or if the fingerprinting results reveal any conviction incompatible with employment with Contractor.
- C. Contractor shall maintain, and make immediately available to County upon request, a written fingerprint certification for each employee, volunteer or applicant for paid or volunteer employment for whom fingerprinting is required as detailed above. Such certification shall state that the individual has been fingerprinted, shall provide the date of said fingerprinting, and shall state whether the process has disclosed any criminal history of the individual, which may

compromise the safety of minors or other persons with whom that individual has contact. Fingerprint information received from Department of Justice by Contractor shall be retained or disposed of pursuant to current Department of Justice directives.

- D. **Background Checks:** A background screening of all employees who may access Personal Health Information (PHI) or Personally Identifiably Information (PII) must be conducted. The screening should be commensurate with the risk and magnitude of harm the employee could cause, with a more thorough screening being done for those employees who are authorized to bypass significant technical and operational security controls. The Contractor shall retain each employee's background check documentation for a period of three (3) years.
- E. **Monitoring for Compliance:** County shall monitor the Contractor's operations for compliance with the provisions of this Agreement as well as applicable federal and State laws and regulations. When monitoring activities identify areas of non-compliance, County shall issue reports to the Contractor detailing findings, recommendations, and corrective action. Failure to comply with required corrective action could lead to civil penalties, as appropriate, pursuant to California Code of Regulations, Title 9, Sections 1810.380 and 1810.385.

Contractor shall abide by manuals, directives and other guidance issued by the State of California. All appropriate manuals and updates shall be available for review or reference by Contractor from County's Health and Human Services Agency.

- F. **Audits:** Contractor acknowledges that if total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code §8546.7. In order to facilitate these potential examinations and audits, Contractor shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the contract, all books, records and documentation necessary to demonstrate performance under the Agreement.

From time to time, the County or State may inspect the facilities, systems, books, and records of the Contractor to monitor compliance with this Agreement. The Contractor shall promptly remedy any violation of any provision of this Agreement and shall certify the same to the County or State in writing. The fact that the County or State inspects, or fails to inspect, or has the right to inspect, the Contractor's facilities, systems and procedures does not relieve the Contractor of its responsibilities to comply with this Agreement. The County or State's failure to detect or detection, but failure to notify the Contractor or require the Contractor's remediation of any unsatisfactory practice, does not constitute acceptance of such practices or a waiver of the State's enforcement rights under this Agreement.

The Contractor shall maintain and make available to auditors, at all levels, accounting and program records including supporting source documentation and cooperate with all auditors.

The Contractor, auditors performing monitoring, or audits of the Contractor or its sub-contracting service providers shall immediately report to the County or State any incidents of fraud, abuse or other criminal activity in relation to this Agreement, federal, State, and County laws, rules, regulations, and ordinances.

G. Review, Inspection and Record Retention: Contractor agrees to make all of its books and records pertaining to the goods and services furnished under the terms of the contract available for inspection, examination, or copying by authorized County, State or federal agencies, or their duly authorized representatives, at all reasonable times at Contractor's place of business or at such other mutually agreeable location in California, in a form maintained in accordance with the general standards applicable to such book or record keeping. Upon expiration or termination of this Agreement all client records shall be kept for a minimum of seven (7) years from the date of discharge and in the case of minors, for at least one (1) year after the minor client's eighteenth (18th) birthday, but in no case less than seven (7) years from the date of discharge. Service and financial records shall be retained by Contractor, for a term of at least five (5) years from the close of the County's fiscal year in which the contract was in effect, or any longer period as may be required by federal or State law including, but not limited to any record retention laws pertaining to minors, psychiatric health facilities, psychology clinics, psychologists and/or other licensed professionals. If at the end of the applicable retention period, there is litigation or an audit or other investigation involving those books or records, Contractor shall retain the books or records until the resolution of such litigation, audit, or investigation.

The County or their designee shall have access to and right to examine, monitor, and audit all records, documents, conditions, and activities related to programs funded by this Agreement. For purposes of this section "access to" means that the Contractor shall at all times maintain a complete set of records and documents related to programs funded by this Agreement and shall make these records available to the State or County, or their respective designee in a central location.

H. Release of Information: Contractor shall ensure that County Health and Human Services Agency is included as a receiving party on all Release of Information forms used in the performance of services under this Agreement.

I. Standards of Conduct: The following standards apply to Contractor and, in the event County agrees in writing to Contractor subcontracting services under this Agreement, pursuant to the Article titled "Assignment and Delegation," Contractor shall ensure the following standards are included in any subcontract hereto:

- 1) Every reasonable course of action shall be taken to maintain the integrity of this expenditure of public funds and to avoid favoritism and questionable or improper conduct. This Agreement shall be administered in an impartial manner, free from efforts to gain person, financial or political gain.
- 2) Any executive or employee of the Contractor shall not solicit or accept money or any other consideration from a third person for the performance of an act reimbursed in whole or part by the County or the State. Supplies, materials, equipment, or services purchased with Agreement funds shall be used solely for purposes allowed under this Agreement. No member of the Contractor's Board will cast a vote on the provision of services by that member (or any organization which that member represents) or vote on any matter which would provide direct financial benefit to that member (or immediate family of the member) or any business or organization which the member directly represents.
- 3) The County, by written notice to the Contractor, may terminate the right of the Contractor to proceed under this Agreement if it is found, after notice and hearing by the County or

State, that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the County or State with a view toward securing a contract or securing favorable treatment with respect to the awarding, amending, or performing of such Agreement, provided that the existence of the fact upon which the County or State makes such findings that shall be an issue may be reviewed in any competent court.

- 4) In the event this Agreement is terminated as provided in the paragraph above, the County or State shall be entitled:
 - a. To pursue the same remedies against the Contractor as it could pursue in the event of the breach of the Agreement by the Contractor, and
 - b. As a predetermined amount of liquidated damages in addition to any other damages to which it may be entitled by law, to exemplary damages in an amount which shall be not less than three (3) times the cost incurred by the County or State in providing any such gratuities to any such officer or employee.
- 5) The rights and remedies of the Contractor provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement. The Contractor warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement upon a contract or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees of the Contractor, for the purpose of securing business. For breach or violation of this warranty, the State shall have the right to annul this Agreement without liability, paying only for the values of the work actually returned or, in its discretion, to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.
- 6) Contractor, and any subcontractors and/or consultants retained by the Contractor with funds provided under this Agreement must comply with the provisions of California Government Code Section 19990, et seq.

J. Mandated Reporter Requirements: California law requires that certain persons are mandated to report suspected child abuse, suspected dependent adult abuse, and suspected domestic violence. Contractor acknowledges and agrees to comply with the following State-required mandated reporter regulations as they apply to the services being rendered by Contractor: California Penal Code Sections 11160-11163, which covers suspected domestic violence; California Penal Code, Article 2.5 (commencing with Section 11164) of Chapter 2 of Title I of Part 4, also known as the Child Abuse and Neglect Reporting Act; and Welfare and Institutions Code Section 15630, which covers suspected dependent adult abuse.

Failure to comply with these reporting requirements may lead to a fine of up to \$1,000 and/or up to six months in jail. A person who makes a report in accordance with these mandates shall not incur civil or criminal liability as a result of any report required or authorized by the above regulations.

HIPAA Business Associate Agreement

This Business Associate Agreement is made part of the base contract (“Underlying Agreement”) to which it is attached, as of the date of commencement of the term of the Underlying Agreement (the “Effective Date”).

RECITALS

WHEREAS, County and Contractor (hereinafter referred to as Business Associate (“BA”) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information (“PHI”) and Electronic Protected Health Information (“EPHI”) may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement;

WHEREAS, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. L. No. 104-191 of 1996 (“HIPAA”), the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (the “HITECH” Act), and regulation promulgated thereunder by the U.S. Department of Health and Human Services (the “HIPAA Regulations”) and other applicable laws as may be amended from time to time;

WHEREAS, County is a Covered Entity, as defined in the Privacy Rule and Security Rule, including but not limited to 45 CFR Section 160.103;

WHEREAS, BA, when a recipient of PHI from County, is a Business Associate as defined in the Privacy Rule, the Security Rule, and the HITECH Act, including but not limited to 42 USC Section 17938 and 45 CFR Section 160.103;

WHEREAS, “Individual” shall have the same meaning as the term “individual” in 45 CFR § 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR § 164.202(g);

WHEREAS, “Breach” shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921; and

WHEREAS, “Unsecured PHI” shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, but not limited to 42 USC Section 17932(h).

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

- I. Definitions. Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.
- II. Scope of Use and Disclosure by BA of County Disclosed PHI
 - A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
 - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
 1. Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
 2. disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law
 3. Disclose PHI as necessary for BA's operations only if:
 - a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
 - (1) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and
 - (2) The third party will immediately notify BA of any breaches of confidentiality of PHI to the extent it has obtained knowledge of such breach.
 4. Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
 5. Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
 6. De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
 - C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.
- III. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
 - A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with Title 45 of the Code of Federal Regulations, Part 160 and Part 164, Subparts A and C (the "HIPAA Privacy Rule" and the "HIPAA Security Rule") in effect or as may be amended, including but not limited to 45 CFR 164.308,

164.310, 164.312, and 164.504(e)(2). BA shall comply with the policies, procedures, and documentation requirements of the HIPAA Security Rule.

- B. Report to County within 24 hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
- C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
- D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction, and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.

IV. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:

- A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, but not limited to, 42 USC Section 17935(e).
- B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
- C. To assist the County in meeting its disclosure accounting under HIPAA:
 - 1. BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subcontractors for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if known, the address of the entity or person; (iii) a brief description of PHI disclosed and; (iv) a brief statement of purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.

2. Within in 30 days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
- D. Make available to the County, or to the Secretary of Health and Human Services (the “Secretary”), BA’s internal practices, books and records relating to the use of and disclosure of PHI for purposes of determining BA’s compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.
- V. Obligations of County.
- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA’s ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA’s ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
 - C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA’s use of disclosure of PHI.
 - D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
 - E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.
- VI. Term and Termination.
- A. Term. This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
 - B. Termination for Cause. Upon the County’s knowledge of a material breach by the BA, the County shall either:
 1. Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
 2. Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
 3. If neither termination nor cures are feasible, the County shall report the violation to the Secretary.
 - C. Effect of Termination.
 1. Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy

all PHI that BA or its agents or subcontractors still maintain in any form, and shall retain no copies of such PHI.

2. In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

VII. Indemnity

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officers, agents, employees, subcontractors, agents or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.
- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.
- D. In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
- E. In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business

Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.

- VIII. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
- IX. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.
- X. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
- XI. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
