SENIOR- SR. ACCOUNTANT

DEFINITION & DISTINGUISHING CHARACTERISTICS

DEFINITION Definition:

Under general supervision, coordinates, directs, and reviews the work of the professional and support accounting staff within an operating department.

SUPERVISION RECEIVED AND EXERCISED

Receives general supervision or direction from assigned supervisory or management personnel. Exercises no direct supervision over staff but may serve as a lead worker by providing technical and functional direction to accountants and other administrative support staff. Provides support to accounting staff.

CLASS CHARACTERISTICS Distinguishing Characteristics:

This is the working lead level in the accountant series, providing lead direction to a staff of accountants and other employees in the performance of professional financial and cost accounting work within a ~~an~~ operating department. Provides monitoring of program operations and may ~~supervise~~ lead a limited number of professional and support staff. This class is distinguished from other senior ~~professional support~~ classes in that the work relates directly to the direction and provision of accounting services.
