**Requirement:** Bidders must comply with all the requirements listed in each category in the Quotation Schedule to be considered for the evaluation and award process. See pages twelve (12) through twenty-two (22) for details.

Bidders may bid on any one or all Categories. Any category bid must be bid 100% to be considered for evaluation and award. Failure to bid 100% of a given category will result in your bid being rejected as non-responsive for that Category.

In order to proceed without a California Seller's Permit, such bidder must establish that the bidder falls under an exception to the seller permit requirements of the California Department of Tax and Fee Administration (CDTFA). Those requirements can be found at [www.cdtfa.ca.gov](http://www.cdtfa.ca.gov).

*[Note: This business or vendor will still need a California Seller's permit if someone "related" to the business / vendor has made \$500,000 + sales under the conditions described above. See Internal Revenue Code Section 267(b) to determine if someone is "related" to the business / vendor. For additional information about all of the five requirements above, see the California Tax and Fee Administration's Publication 77, which can be found at the following link: <https://www.cdtfa.ca.gov/formspubs/pub77/#engaged>].*

**Merchantability:** There shall be an implied warranty of merchantability and fitness of an intended use. Any bid submittals taking exception to this requirement may, at the County's option, be considered non-responsive.

**County's Rights:** The Purchasing Agent reserves the right to not enter into any agreement, cancel this process at any time, amend this process at any time, or to award more than one contract to the lowest, responsive, responsible bidders if it is in the best interest of the County.

**Escalation Clause:** Price increases from the manufacturer to the successful vendor may be passed on during the life of this bid only when the following conditions are met: (1) Vendor must submit notification to the Procurement & Contracts Division of the price increase along with a new updated vendor's price list; (2) Proof of the price increase from the manufacturer shall be provided to the Procurement & Contracts Division prior to any increase being approved; and (3) Price increase(s) shall commence seven (7) days after the approval and acceptance from the Purchasing Agent. Acceptance of the price increase(s) shall be in writing signed by the Purchasing Agent.

Failure to comply with the above requirements shall deem the bid prices to be in effect for the entire awarded period.

**Returns:** The County reserves the right to return product within thirty (30) days of receipt by the County for credit or refund without a shipping or restocking fee. Product returned shall be in good condition and in the original package (if applicable). Defective product or product under warranty may not always be returned in the original package.

**Federal, State, and Local Laws:** The successful bidder must operate in conformity with all applicable, federal, state, and local laws. It is the responsibility of the awarded bidder to ensure that all permits and/or licenses required for operation are valid and current. Failure to comply with this provision may be cause to cancel any contract awarded, and award will be made to the next lowest, responsive, responsible bidder.

**Business License:** It is unlawful for any person to furnish supplies or services or transact any kind of business in the unincorporated territory of El Dorado County without possessing a County business license unless exempt under County Code Section 5.08.070. Contact the Tax Collector's Office at 360 Fair Lane, Placerville, CA 95667, or phone (530) 621-5800, for further information.

It is not a requirement to possess a county business license at the time of bid submittal. Successful bidders may be required to possess a county business license to award bid.

---

**Local Vendor Preference:** In accordance with Board of Supervisor's Policy C-17, Section 2.10, a local preference credit of 5% for El Dorado County businesses will be permitted when evaluating bids for supplies and equipment that are not part of a public project.

In order to qualify for the local preference authorized by this section, the vendor seeking such preference shall be required to submit with its bid a statement containing relevant information which demonstrates compliance with the provisions of this section. The statement shall be on a form provided by the Purchasing Agent and shall be signed under penalty of perjury. Any person, firm, corporation, or entity intentionally submitting false information to the County in an attempt to qualify for local preference may be prohibited from bidding on El Dorado County products and services for a period of one (1) year from the date of the false submittal. Bidders claiming local vendor preference must submit the Affidavit of Eligibility with their bid response. The Affidavit may be downloaded at the following link:

<https://edcgov.us/Government/Contracts/Documents/LocalVendorPreferenceForm.pdf>

Where state sales tax will be paid for the purchase, the local business must possess a valid resale license from the California Department of Tax and Fee Administration showing evidence of a local business address within El Dorado County. If the local business has more than one office in the State of California, the office located in El Dorado County shall be the point-of-sale credit for the purpose of sales tax calculation.

**Compliance:** Late, incomplete, incorrect deliveries, or excessive back orders will be documented, and performance evaluated when considering contract continuation or extension. Inaccurate or erroneous billing will also be documented and monitored for the purpose of evaluating performance when considering continuation or extension of contract. Failure to meet quoted delivery time frames, or inaccurate or erroneous invoices (as determined by the Purchasing Agent) may be cause for the County to cancel the balance of the awarded purchase order contract and award will be made to the next lowest bidder. Failure to receive County concurrence for substitutions or alternates will be documented and considered when evaluating continuation or extension of contract.

**Invoices and Payment Terms:** Invoices are to be mailed to the County department(s) specified on the resulting purchase order or contract. All invoices must include the purchase order number or contract number; County stock numbers when applicable; product description; and reference to back ordered items. Invoices must be exclusive of product other than bid items. Failure to comply may result in delayed payments.

The County will make payment on a Net forty-five-day (45-day) basis unless a cash discount of one-half percent (1/2%) or greater, which amounts to \$2.50 or more, is allowed for payment within not less than twenty (20) days. The payment term shall begin on the date the merchandise is inspected, delivered, and accepted by the County, or on the date a correct invoice is received in the office specified in the order, whichever is later. Prompt payment discounts shall be considered earned if payment is postmarked or personally delivered within the prescribed term. The beginning date described above shall be considered day zero for the purposes of counting days in the prescribed term.

**El Dorado County Website Requirements:** It is the bidder's responsibility to monitor the PlanetBids website for possible addenda to this bid to inform him/herself of the most current specifications, terms,

---

and conditions, and to submit his/her bid in accordance with the original bid requirements and all addenda. All available bids and related addenda can be found at:

<https://pbsystem.planetbids.com/portal/48157/portal-home>

Failure of bidder to obtain this information shall not relieve him/her of the requirements contained therein. Those bidders not acknowledging and returning addenda as required will not be considered and will be rejected as “non-responsive.”

**Public Agency:** It is intended that other public agencies (i.e., city, special district, public authority, public agency and other political subdivisions of the State of California) shall have the option to participate in any agreement created as a result of this Invitation to Bid with the same terms and pricing. The County shall incur no financial responsibility in connection with a purchase order from another public agency. The public agency shall accept sole responsibility for placing orders and making payment to the vendor. The County will not be a party to contracts with other public agencies.

**Addenda:** Addenda to this bid are valid only if in writing and issued by the Procurement & Contracts Division and are required to be acknowledged and returned by participating bidders in order for the bidder to be considered further in the evaluation process. Unless otherwise indicated, those bidders not acknowledging and returning Addenda as required will not be considered and will be rejected as “non-responsive.”

**Non-Collusion:** The bidder certifies that this bid response is made without any previous understanding, agreement, or connection with any person, firm or corporation making a bid for the same project, and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action.

**Conflict of Interest:** Bidder states that no County officer or employee, nor any business entity in which they have an interest, has an interest in the bid award been employed or retained to solicit or aid in the procuring of the resulting contract, nor that any such person will be employed in the performance of such contract.

**Evaluation:** Bids will be evaluated based on meeting or exceeding minimum specifications. Bids submitted on the basis of “All or Nothing” may be rejected. Bid evaluation shall include applicable prompt payment terms discount. If payment cannot be made within the discount period, payment terms shall revert to Net forty-five (45) days.

**Award:** The bid may be recommended by grand total to the lowest responsible and responsive bidder complying with the provisions of the Invitation to Bid. In determining whether a bid is lowest and responsive, and the bidder is responsible, the following may be considered by the County: (a) Ability to perform the service required within the specified time; (b) Reputation, judgment and experience; (c) The quality of performance in previous contracts; (d) Previous compliance with laws as well as employment practices; (e) Financial ability to perform the contract; (f) The quality, availability and adaptability of the supplies or the contractual services to the particular use required; (g) Ability to provide maintenance and service; (h) Whether the bidder is in arrears to the County, in debt on contract, is a defaulter on surety to the County or whether the bidder’s taxes or assessments are delinquent; (i) The resale value and life cycle costs of the items; and (j) Such other information as identified in the Purchasing Ordinance having bearing on the decision to make the award. The decision of the County Board of Supervisors shall be final in determining the successful bidder.

Please indicate what exemptions may apply to the information you submit (such as a 'proprietary information' exemption). Please note that designating information as "proprietary" does not guarantee non-disclosure. In the event of a request for such information, the County will make best efforts to provide notice to bidder prior to such disclosure. If bidder contends that any documents are exempt from the CPRA and wishes to prevent disclosure, it is required to obtain a protective order, injunctive relief, or other appropriate remedy from a court of law in El Dorado County before the County's deadline for responding to the CPRA request. If bidder fails to obtain such remedy within County's deadline for responding to the CPRA request, County may disclose the requested information. - 1. Taxes:** County is exempt from payment of Federal Excise Tax; Federal tax should not be included in any prices contained herein.
- 2. Alterations:** No alteration in any of the terms, conditions, delivery, price, quantities, specifications or services of this contract will be effective without prior consent of the County.
- 3. Failure to Deliver:** Time is of the essence and the contract is subject to cancellation for failure to deliver on time. If Vendor fails to deliver an article or service of the quality or quantity, in the manner or within the time called for by this contract: such article or service may be bought from any source by County. If a greater price than named in this contract is paid for such article or service, the excess cost will be charged to and collected from Vendor or sureties on its bond if bond had been required; or, the County may terminate the contract for default; or, the County may return deliveries already made and receive a refund. For any exception to the delivery date as specified on this contract, the Vendor shall give prior notification and obtain approval thereto from the County. Failure or refusal of Vendor to perform any work or service or do any act required under this contract shall constitute a default.
- 4. Force Majeure:** Vendor shall not be liable for any delay or failure to deliver any or all the goods or services if that delay or failure is caused by labor disputes, strikes, war, riots, insurrection, civil commotion, fire, flood, accident, storm or any act of God. The County shall not be liable for failure to take delivery of the goods attributable to any of the causes specified in this paragraph if they render it commercially impractical for the County to receive the goods. When either Vendor or the County claims an excuse for nonperformance under this paragraph, they must give reasonable notice to the other party.
- 5. Proposal, Quotation and Attachments:** This contract incorporates by reference on the face of this form, the provisions of any related bid request issued by County, any bid submitted by Vendor, or both. This contract incorporates by reference on the face of this form, the provision of any attachments. Defective goods rejected by the County may, without prejudice to any other legal remedy (including, without limitation, incidental and consequential damages) be held at Vendor's risk and returned to Vendor at Vendor's expense. This warranty shall not be deemed to be waived by the County for any reason, including, without limitation, the County's acceptance of the goods or the County's failure to notify Vendor thereof. Further, the failure of the County to reasonably specify any defects in rejected goods shall not prevent the County from relying on the defect to establish a breach, even though the Vendor could have cured the defect on proper notification.
  - 6.2 Warranty for Services:** Vendor warrants to County that any and all materials and equipment incidental to services that are furnished under this contract will be new unless otherwise specified and that all services will be of good quality, free from faults and defects and in conformance with the contract. Neither final payment nor inspection of Vendor's services shall constitute an acceptance of services not done in accordance with this contract or relieve Vendor of liability in respect to any express warranties or responsibilities for faulty material or workmanship. Upon request of County, Vendor shall immediately remedy any defects in the services, materials and/or equipment and pay for any damage resulting therefrom. The County shall have the unqualified option to make any needed replacement or repairs itself or to have such replacement or repairs done by the Vendor.
