DEFERRED ROAD IMPROVEMENT AGREEMENT

THIS AGREEMENT, made and entered into this 18th day of March, 2021 by and between the **COUNTY OF EL DORADO**, a political subdivision of the State of California, (hereinafter referred to as "COUNTY"), **TRI POINTE HOMES HOLDINGS, INC.**, a Delaware corporation, duly qualified to conduct business in the State of California, whose principal place of business is 2990 Lava Ridge Court, Suite 190, Roseville, California 95661, and **SERRANO ASSOCIATES, LLC**, a Delaware limited liability company, duly qualified to conduct business in the State of California, whose principal place of business is 4525 Serrano Parkway, Suite 100, El Dorado Hills, California, 95762 (hereinafter collectively referred to as "Owners"), and **SERRANO ASSOCIATES, LLC**, a Delaware limited liability company, duly qualified to conduct business in the State of California, whose principal place of business is 4525 Serrano Parkway, Suite 100, El Dorado Hills, California, 95762, (hereinafter referred to as "Subdivider").

RECITALS

A. The Board of Supervisors approved the **SERRANO VILLAGE J7 (PD18-0005, TM18-1536)** project on February 11, 2020, with Condition # 26 as follows:

Bass Lake Road and Bridlewood Drive Intersection Improvement: Applicant shall pay to County a total of \$200,000, which shall be paid in equal installments based on the total of 65 units prior to the issuance of each building permit on the project. This payment serves as the applicant's fair share contribution to intersection improvements at Bass Lake Road intersection with Bridlewood Drive. If either of the conditions below are satisfied prior to applicant having paid the full amount, applicant agrees to pay the remaining balance in full prior to the issuance of the next building permit sought after either condition is satisfied.

Within three years from the payment of \$200,000 in full, the County will reimburse the entire \$200,000 to the applicant if: (1) a Community Facilities District, Benefit Assessment District, or similar funding mechanism (collectively, "CFD") is not formed by the Bridlewood community to

fund part of the project; or (2) a separate funding source is not obtained to fund all of the project. If the County obtains grant funding for the entire project, applicant may request reimbursement in full or in part provided that the funds for which reimbursement is sought will be covered by the grant funding. If a CFD is formed by the Bridlewood community and grant funding obtained exceeds the remaining project balance, the applicant may seek partial reimbursement in proportional share, with the understanding that the applicant's percentage of contribution to the project should remain approximately equal to the contribution by the CFD for the Bridlewood community. Within sixty (60) days of a written request by the applicant identifying the grounds for a requested reimbursement, County will either reimburse the funds in whole or in part or provide a written response identifying the reasons for denial of the refund request. Any funds reimbursed shall include any interest actually accrued.

The applicant understands that the County will annually monitor the Bass Lake Road / J7 Entrance Intersection for traffic accidents. If more than two (2) accidents per year are realized in two (2) consecutive years at this location, and are found to be due to left-turn movements at this intersection, DOT may impose left-turn restrictions at the Bass Lake Road / J7 Entrance intersection. Applicant will not be responsible for the cost of such restriction.

NOW, THEREFORE, in consideration of the foregoing recital and the mutual promises herein, the parties agree as follows:

PAYMENT

1. OWNERS agree to pay to the County the amount of **TWO HUNDRED THOUSAND DOLLARS AND ZERO CENTS (\$200,000.00)** to be used as a "fair share" contribution to Improvements to the Bass Lake Road / Bridlewood Drive Intersection.
2. Payment will be made in sixty-four (64) equal installments of **THREE THOUSAND SEVENTY-SEVEN DOLLARS AND ZERO CENTS (\$3,077.00)**, and one final payment of **THREE THOUSAND SEVENTY-TWO DOLLARS AND ZERO CENTS (\$3,072.00)**, for a total of sixty-five (65) payments. Payments will be made with each building permit issued within Serrano Village J7. If the number of units changes, payments will be split equally over the remaining units and such change shall be agreed to in writing. Any change in units shall not affect the total amount of \$200,000 paid by OWNERS under this agreement. The final installment payment shall not be made before issuance of the last building permit for Serrano Village J7.
3. COUNTY agrees to provide a written receipt of each transaction and deposit said funds in a reserve account to be used solely for construction of Improvements to the Bass Lake Road / Bridlewood Drive Intersection. The COUNTY shall manage the reserve account in compliance with the reporting and refunding requirements in the Mitigation Fee Act, including but not limited to Government Code Section 66001(d) and 66006(b), as those Sections now read or may be amended from time to time. OWNERS agree to notify COUNTY in writing once the payment of \$200,000 has been made in full.
4. Within three years from the date OWNERS notify COUNTY in writing that payment of \$200,000 was made in full, the COUNTY will reimburse the entire \$200,000 to the OWNERS

if: (1) a Community Facilities District, Benefit Assessment District, or similar funding mechanism (collectively, "CFD") is not formed by the Bridlewood community to fund part of the project; or (2) a separate funding source is not obtained to fund all of the project. If the COUNTY obtains grant funding for the entire project, OWNERS may request reimbursement in full or in part provided that the funds for which reimbursement is sought will be covered by the grant funding. If a CFD is formed by the Bridlewood community and grant funding obtained by the COUNTY exceeds the remaining project balance, the OWNERS may seek partial reimbursement in proportional share, with the understanding that the OWNERS' percentage of contribution to the project should remain approximately equal to the contribution by the CFD for the Bridlewood community. Within sixty (60) days of a written request by the OWNERS identifying the grounds for a requested reimbursement, COUNTY will either reimburse the funds in whole or in part or provide a written response identifying the reasons for denial of the refund request. Any funds reimbursed shall include any interest actually accrued.

5. COUNTY AND OWNERS mutually agree that payment of these funds satisfies Condition 26 of the Serrano Village J7 Tentative Map and Development Plan.

REFUND

1. COUNTY AND OWNERS mutually agree that should a refund be required, all funds will be returned to the party that paid them.
2. COUNTY AND OWNERS mutually agree that pursuant to the terms of Condition 26, any funds reimbursed shall include any interest actually accrued.
