

EL DORADO SOLID WASTE ADVISORY COMMITTEE

Adopted goal language for 2024

The EDSWAC goal for 2024 is to make measurable progress toward a 75% diversion target through:

- 1) Supporting implementation of AB 1826 and SB 1383
- 2) Targeted public education on the 4R (reduce, reuse, recycle and recover)

Goal language adopted January 13, 2025

The El Dorado Solid Waste Advisory Committee (EDSWAC) Goals for 2025 are:

To reduce El Dorado County's reported pounds per person per day (ppd) in all jurisdictions by:

- 1) Supporting the implementation of organics recycling
- 2) Continuing to support established programs like C&D, inert, and HHW recycling
- 3) Targeted public education on the 4Rs (reduce, reuse, recycle and recover)

To complete the assigned 2025 California Integrated Waste Management Plan (CIWMP) and 2025 Solid Waste Management Plan (SWMP) reviews.

To finalize committee structure for meetings, minutes, and agenda preparation
