Dear Supervisors,

Please pull Agenda Item #11 off of the Consent Calendar for discussion. During your discussion of Agenda Item #11, please explain why you are spending Local Tribal Funds on purchasing property off of Missouri Flat Road, when these funds are intended to be spent on mitigating the impacts of the RedHawk Casino. The area most impacted by the RedHawk Casino is Shingle Springs, not the Missouri Flat Road area.

The community of Shingle Springs awaits your response.

Thank you,
