## OF THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO

WHEREAS, in accordance with El Dorado County Charter Section 210.a(6), the Board of Supervisors shall establish the compensation of officers and employees; and,

WHEREAS, the Board of Supervisors has previously established and amended a Salary and Benefits Resolution of Unrepresented Employees which has established salary ranges for unrepresented employees; and

WHEREAS, the Board of Supervisors in 1999 amended Section 1402.1 to credit Department Heads with prior services with any city or county for the purposes of determining longevity pay, and amended Section 903 to credit Department Heads with prior service with any or county for the purposes of determining accrual of vacation leave, and

WHEREAS, these amendments also affected Executive Management employees; and

WHEREAS, the Board of Supervisors now wishes to eliminate the credit for prior service with other cities or counties for all classes of employees who were covered by the prior amendment, and

WHEREAS, the Board of Supervisors desires to review legal issues involving the deletion of these benefits for employees who currently receive them, and

WHEREAS, the Board of Supervisors desires to review the criteria for compensation of Department Heads,

NOW THEREFORE BE IT RESOLVED as follows:

1. Effective immediately, section 903 of the Salary and Benefits Resolution is hereby amended to delete "and prior related professional services with any city or county."
2. Effective immediately, section 1402.1 of the Salary and Benefits Resolution is hereby amended to delete "and prior related professional service with any city or county."

At the beginning of each quarter, Department Heads shall be paid for any vacation which is accrued above the 360 hour maximum.

**904. PROVISIONS**

Vacation leave shall be accrued from each eligible full-time or part-time employee's date of hire. Employees shall be entitled to use accrued vacation leave upon completion of two (2) full pay periods of continuous service. Upon termination of an employee's employment, for any cause, the employee shall be paid for any unused vacation hours accumulated, up to the maximum amount permitted to be accumulated. No employee shall receive any payment in lieu of vacation while remaining a County employee.

**905. VACATION SCHEDULING**

It is the policy of the County that employees take their vacation each year; provided, however, that for reasons deemed sufficient by the department head, an employee may take less than the normal vacation accrued that year. All vacations shall be taken at such times during the calendar year as may be approved by the department head.

In the event an employee is not permitted to take all of the vacation to which he or she is entitled in a calendar year, the employee shall be permitted to accumulate the unused portion to the employee's credit, provided, that the employee shall not have a total vacation credit of more than the maximum allowed herein.

All requests for vacation must be approved by the employee's department head or designee. The department head is responsible for insuring that the employee is eligible for the vacation requested. No person shall be allowed vacation in excess of that actually accrued at the time such vacation is taken.

It shall be the responsibility of the department head to require vacation leave be taken in order to avoid excessive accumulation or forfeiture.

**906. DONATION OF VACATION**

An employee may donate accumulated vacation time to another employee who has exhausted his or her sick leave and vacation leave due to an extended or catastrophic illness or serious medical condition of the employee, or member of the employee's immediate family (child, spouse, parent, or person for which the employee has been designated as legal guardian). An employee may also donate vacation time, pursuant to the form above, in the event of the death of an employee. Such donations shall be made on a form prescribed by the County Auditor and shall be in four (4) hour increments. The hours donated will be deducted from the donating employee's accumulated balance and credited to the accumulation vacation account of the employee receiving the donation. If the donation of hours is accepted, the accepting employee shall be responsible for payment of any applicable taxes. County shall withhold any amounts authorized or required by law.
