Eligible improvements for the roads listed above also include any and all necessary underground potable and non-potable water, sanitary sewer, and storm drainage system improvements.

Potable and Non-Potable Water System Improvements

Authorized facilities include any and all on- and off-site backbone water facilities designed to meet the needs of development of the project. These facilities include potable and non-potable mains, valves, services, and appurtenances; wells; and water treatment and storage facilities, and related improvements, including but not limited to: site clearing, grading, and paving; curbs and gutters; recycled water storage tanks, booster pump stations, and all appurtenances thereto; wells; water treatment; stand-by generator; site lighting, drainage, sanitary sewer, and water service; landscaping and irrigation; access gates and fencing; striping and signage.

Drainage System Improvements

Authorized facilities include any and all on- and off-site backbone drainage and storm drainage improvements designed to meet the needs of development of the project. These facilities include mains, pipelines and appurtenances, outfalls and water quality measures, temporary drainage facilities, detention/retention basins, and drainage pretreatment facilities; drainage ways/channels, pump stations, landscaping, and irrigation; access roads, gates, and fencing; striping and signage.

Wastewater System Improvements

Authorized facilities include any and all on- and off-site backbone wastewater facilities designed to meet the needs of development of the project. These facilities include pipelines and all appurtenances thereto; manholes; tie-in to existing main line; force mains; lift stations; odor-control facilities; sewer treatment plant improvements and permitting related thereto; and related sewer system improvements.

Park and Landscape Corridor Improvements

Authorized facilities include any and all improvements to parks, landscape corridors and paseos located in the project.

Open Space Improvements

Authorized facilities include any and all open space improvements designed to meet the needs of development of the project, including bike trails, bike/pedestrian bridges, storm drain crossings, storm drain detention/retention, wetland mitigation, tree mitigation, on- and off-site hawk/raptor mitigation, agricultural mitigation or wetland mitigation, property acquisition, endowment payments for open space management, landscaping and irrigation, access gates and fencing, and related open space improvements.

Development Impact Fees

Authorized facilities include development impact fees paid and not otherwise reimbursed and intended to fund the construction of Authorized Facilities under the CFD.

Formation, Administrative, and Incidental Expenses

In addition to the above facilities, other expenses incidental to the above and authorized by the Mello-Roos Community Facilities Act of 1982, including but not limited to: the cost of planning, permitting, and designing the facilities; land acquisition and easement payments for the facilities; project management; construction staking; engineering studies and reports; utility relocation and demolition costs incidental to construction of the facilities, wetland/Species mitigation purchase; reimbursements to other areas for infrastructure facilities or planning serving development in the CFD; planning, legal, engineering, technical studies costs related to the facilities and any other expenses incidental to the construction, completion, and inspection of the facilities.

In addition, costs eligible to be financed by the CFD shall include all costs associated with the formation and ongoing administration of the CFD and issuance of bonds; determination of the amount of taxes and collection of taxes; inspection, plan check and other costs related to acceptance of the facilities by the County, payment of taxes; and any other costs incurred to carry out the authorized purposes of the CFD.
