Included in the list of items was to be a modification to the CPO, Professional Office Zone, allowing Personal Services, including Beauty Salons, Barber Shops, Physical Therapists, etc. by right. I have been working with Roger Trout for nearly a year on this and somehow it was missed. He asked that I request it be added.

Roger Trout

to me

I don't see it either. Could you send the Board of Supervisors a public comment asking to allow Personal Services in CPO be added?

Roger Trout
Community Development Services
