| Summary of qualifications | I have a Masters Degree of Science in Child Development from San Diego State. My emphasis was in early childhood social-emotional development, specifically on the impact of caregiver well-being on the mental health of young children. I have a passion for supporting families and making connections to community resources. My professional experience includes working for several First 5 funded programs in San Diego and El Dorado County that served child care, foster youth, and families in need. I have a background in early intervention, community college lecturing, professional development, social work, and behavior support for children with Autism. Throughout my career I have developed |

a deep regard for investing in our community so that it can better support our parents, caregivers, and educators who are raising our children.

Affiliations with professional and/or community groups

Professional experience working at the El Dorado County Office of Education (EDCOE) as a Coordinator- Quality Improvement and Family Support for Early Learning Programs. Participated in several First 5 Commission Meetings as well as the Quality Counts El Dorado Consortia meetings. Involvement in the El Dorado County Community Hubs Community Advisory as a community member of El Dorado Hills. Currently volunteering with the Hyperemesis Education and Research Foundation (HER).

Why do you seek appointment?

I seek appointment for this position because I bring a unique perspective as a previous employee of EDCOE as Coordinator- Quality Improvement and Family Support for Early Learning Programs and I am now an active parent in the community. I am currently a consumer of the community's resources with a fresh perspective on what El Dorado County needs. I am established in the community with lifelong roots from being raised in El Dorado Hills. I have now chosen to raise my children here and I am deeply invested in the success of the First 5 Commission.

Additional Information

Although I am not currently employed I have continued my passions of supporting the community through volunteering with the El Dorado County Community Hub Advisory. I also experienced three pregnancies with a diagnosis of Hyperemesis Gravidarum (HG) and volunteer my time writing blogs and offering peer support to women pregnant with HG.
