If, due to a claim of infringement, a **Platform** is held by a court of competent jurisdiction to be or is believed by JUMP Technology Services to be infringing, JUMP Technology Services may, at its option and expense (a) replace or modify such Platform to be non-infringing provided that such modification or replacement contains substantially similar features and functionality, (b) obtain for Customer a license to continue using such **Platform**, or (c) if neither of the foregoing is commercially practicable, terminate this Agreement and Customer's rights hereunder and provide Customer a refund of any prepaid, unused fees for such **Platform**. This Section states Customer's sole and exclusive remedies for claims of infringement.

11.2 Indemnification by Customer. Customer shall indemnify, defend, and hold harmless JUMP Technology Services from and against any and all claims, proceedings, damages, liability and costs (including reasonable attorney's fees) incurred by JUMP Technology Services in connection with any claim arising out of (i) any breach or alleged breach of any of Customer's obligations set forth in this Agreement, and (ii) Customer's use of the **Services**, or the use by any party related to Customer, or any party acting upon Customer's authorization in a manner that is not expressly authorized by the Agreement, regardless of the type or nature of the claim. JUMP Technology services reserves the right, at its own expense, to assume the exclusive defense and control of any matter otherwise subject to indemnification by Customer and Customer shall not in any event settle any matter without the written consent of JUMP Technology Services.

11.3 Indemnification Procedures. To be indemnified, the party seeking indemnification must: (a) give the other party timely written notice of such Third-Party Claim (unless the other party already has notice); (b) give the indemnifying party authority, information, and assistance for the Third-Party Claim's defense and settlement. The indemnifying party has the right, at its option, to defend the Third-Party Claim at its own expense and with its own counsel. The indemnified party has the right, at its option, to join in the defense and settlement of such Third Party Claim and to employ counsel at its own expense, but the indemnifying party shall retain control of the defense. The indemnifying party has the right to settle the claim so long as the settlement does not require the indemnified party to pay any money or admit any fault without the indemnified party's prior written consent, which will not be unreasonably withheld, conditioned, or delayed.

12 LIMITATION OF LIABILITY

12.1 IN NO EVENT SHALL (I) EITHER PARTY'S LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY EXCEED IN THE AGGREGATE THE TOTAL FEES PAID OR OWED BY CUSTOMER AND VENDORS HEREUNDER DURING THE TWELVE (12)

2 – Medium	Some business impact. The problem seriously affects the functionality of the Program but can be circumvented so that the Program can be used; or that the Program as a whole function but that a certain function is somewhat disabled, gives incorrect results or does not conform to the specifications.
3 – Low	Minimal business impact. The Customer can circumvent the problem and use the system with only slight inconvenience. The error can be considered insignificant and has no significant effect on the usability of the software, e.g., a small system error or a small error in the documentation. This priority is also used for questions, comments, and requests for enhancements to the software.

4.2 **JUMP's Undertaking:** For each HDT reported by Customer, JUMP undertakes to:

- Maintain a telephone number for Customer to call to report a problem and receive assistance for afterhours critical outages
- Confirm receipt of all reports to Customer. The confirmation shall be in written form and shall contain an identifying ticket number assigned by JUMP which will be used in all subsequent communications and contain a timeframe in which a response from JUMP can be expected.
- Analyze the report and verify the existence of the problem
- Give Customer direction and assistance in resolving technical issues.

4.3 **Customer's Undertaking:** Before escalating a HDT to JUMP, Customer undertakes to:

- Appoint designated Contacts from Customer's organization for all matters relating to the support issues for JUMP systems

- Include JUMP's identifying HDT number in all subsequent communications with JUMP regarding the HDT.
- Maintain an accurate record of all HDT actions, based on feedback from JUMP.

5.0 Closure of HDT

HDT will be considered to be resolved and will be closed under the following conditions:

- Customer receives an error correction, a workaround, or information that resolves the issue.
- Issue is identified as not a problem with the JUMP product
- If the HDT results in a defect correction or enhancement request being entered and Customer has been advised of this and has been notified of the defect/enhancement ID for future reference.
- The HDT will be closed if the Customer has not responded after 10 business days.

6.0 Software Releases

Customer may access system release information through the SSC website <https://jumpssc.com>

The response time goals do not apply in situations where it is verified that the source of the failure is a third party product.

Defect Correction Goals:

Priority	Interim Solution	Final Solution
