bcc: Board of Supervisors, CAO, and legal counsel

While the Board of Supervisors has the ability to voice their opposition to vaccine mandates, this resolution once again continues with a concerning pattern of having resolutions reaching outside of the Board of Supervisors jurisdiction.

Section 3 of the resolve in the **therefore** reads:

Section 3. Students should not be denied in-person education based on COVID-19 vaccination status.

This resolution directly speaks on policy for students which is under the purview of a Special District. Special Districts obtain their authority directly from the community they serve through a governing body that serves independently from other government agencies. These Districts were created by their communities to ensure their board members are able to govern with a high degree of autonomy to fulfill the mission of the district. These governing boards are directly accountable to the community they serve. They are a duly constituent-elected governing body. They are legally and constitutionally separate entities from the Board of Supervisors.

Regardless of the direction the Board of Supervisors agrees or disagrees with the policy, it is one that should be under the governing body of the Board of Education or each School District Board. These districts represent governance which the community entrusted to deal with their specific mission, their specific goals, their legal and constitutional right to govern a district which the community created to provide services that are not provided by the County. The expertise specific to each Special District to provide and maintain its services and critical infrastructure is key to Special Districts' survival.

If this trend continues, when will the Board of Supervisors decide to use resolutions to fight our wildfires, or on how our water districts should provide water or deal with drought. Once again I urge the Board of Supervisors to not pass resolutions that are outside of the jurisdiction of the County and fall on the governance of Special Districts.

Thank you,

Michael Saunders

Dear Supervisors,

I urge you to vote Yes on Item 41.

The claims made by Dr. Chris Martin should be investigated by our local authorities. I am just simply passing on the information.

Developments of fraud, treason, and domestic terrorism with Commercial Companies and Actors outside that of the commercial interests of EDC and EDCOE are starting to come out into the open and on the internet. The corporate companies (EDC and EDCOE) in our county allegedly here to serve the people are still a party to this via links to COVID information, procedures, and vaccine clinic sites still up on county websites.

Reminder: as public servants you pledged an Oath to the Constitution which includes protecting our (and yours as well) God-given Rights and Property.

Attached -

1) Very serious claims by Dr. Chris Martin (ex-federal employee) put together "The Fauci COVID-Dossier" - see attached.

Video link of Dr. Chris Martins Claims here - www.bitchute.com/video/zLMpvS7jcp0k/

2) Also attached is "The Vaccine Death Report" and the emailed soft Notice regarding laws in conflict with COVID mandates I sent last week to all of you on Nov. 9th for the court clerk to file as well.

Protect the community and start making the right decisions.

IN ADDITION - Please seriously consider dropping all charges against our local businesses that have stood up to government overreach. Apple Bistro and Danette's Brick Oven Pub are absolute pillars of courage and patriotism that need to be protected by its county.

Respectfully,

James R. Rodda

THE **VACCINE DEATH** REPORT

Evidence of millions of deaths and serious adverse events
resulting from the experimental COVID-19 injections

BY DAVID JOHN SORENSEN & DR. VLADIMIR ZELENKO MD
VERSION 1.0 SEPTEMBER 2021

PURPOSE

The purpose of this report is to document how all over the world millions of people have died, and hundreds of millions of serious adverse events have occurred, after injections with the experimental mRNA gene therapy. We also reveal the real risk of an unprecedented genocide.

FACTS

We aim to only present scientific facts and stay away from unfounded claims. The data is clear and verifiable. Over one hundred references can be found for all presented information, which is provided as a starting point for further investigation.

COMPLICITY

The data suggests that we may currently be witnessing the greatest organized mass murder in the history of our world. The severity of this situation compels us to ask this critical question: will we rise to the defense of billions of innocent people? Or will we permit personal profit over justice, and be complicit? Networks of lawyers all over the world are preparing class-action lawsuits to prosecute all who are serving this criminal agenda. To all who have been complicit so far, we say: There is still time to turn and choose the side of truth. Please make the right choice.

WORLDWIDE

Although this report focuses on the situation in the United States, it also applies to the rest of the world, as the same type of experimental injections with similar death rates - and comparable systems of corruption to hide these numbers - are used worldwide. Therefore we encourage everyone around the world to share this report. May it be a wake-up call for all of humanity.

AT LEAST 5 TIMES MORE DEATHS

CDC WHISTLEBLOWER SIGNS SWORN AFFIDAVIT

VAERS data from the American CDC shows that as of September 17, 2021, already **726,963 people** suffered adverse events, including stroke, heart failure, blood clots, brain disorders, convulsions, seizures, inflammations of brain & spinal cord, life-threatening allergic reactions, autoimmune diseases, arthritis, miscarriage, infertility, rapid-onset muscle weakness, deafness, blindness, narcolepsy, and cataplexy. Besides the astronomical number of severe side effects, the CDC reports that almost **15,386 people died** as a result of receiving the experimental injections. However, a CDC healthcare fraud detection expert named Jane Doe investigated this and came to the shocking discovery that the number of deaths is at least five times higher than what the CDC is admitting. In fact, in her initial communications to professor in medicine Dr. Peter McCullough, this whistleblower said that the number of deaths is ten times higher. The CDC health fraud detection expert signed an affidavit, in which she stated her findings. She carefully chose the wordings '**...under-reported by a conservative factor of at least five**', but as she revealed initially, the factor could also be ten. Here is an excerpt of the affidavit: ¹

'I have, over the last 25 years, developed over 100 distinct healthcare fraud detection algorithms. ... When the COVID-19 vaccine clearly became associated with patient death and harm, I was inclined to investigate the matter. It is my professional estimate that VAERS (the Vaccine Adverse Event Reporting System) database, while extremely useful, is under-reported by a conservative factor of at least 5. ... and have assessed that the deaths occurring within 3 days of vaccination are higher than those reported in VAERS by a factor of at least 5.'

**According to this CDC health fraud detection expert
the number of vaccine deaths in the U.S. is not 15,386
but somewhere between 80,000 and 160,000.**

The CDC is also vastly underreporting other adverse events, like severe allergic reactions (anaphylaxis). The Informed Consent Action Network (ICAN) reported that a study showed how the actual number of anaphylaxis is **50 to 120 times higher** than claimed by the CDC.^{2,3} On top of that, a private researcher took a close look at the VAERS database, and tried looking up specific case-ID's. He

found countless examples where the original death records were deleted, and in some cases, the numbers have been switched for milder reactions. He says:

'What the analysis of all the case numbers is telling us right now is that there's approximately 150,000 cases that are missing, that were there, that are no longer there. The question is, are they all deaths?' ⁴

How severely criminal the CDC is, was also revealed a few years ago, when researchers investigated the link between vaccines and autism. They found that there indeed is a direct connection. So what did the CDC do? All the researchers came together and a large dustbin was placed in the middle of the room. In it they threw all the documents that showed the link between autism and vaccinations. Thus, the evidence was destroyed. Subsequently, a so-called 'scientific' article was published in *Pediatric*, stating that vaccinations do not cause autism. However, a leading scientist within the CDC, William Thompson, exposed this crime. He publicly admitted:

'I was involved in misleading millions of people about the possible negative side effects of vaccines. We lied about the scientific findings.' ⁵

The worst example of criminal methodology used to hide vaccine deaths is the fact that the CDC doesn't consider a person vaccinated until two weeks after their second injection. This means that anyone who dies during the many weeks before or the two weeks after the second injection, are considered unvaccinated deaths, and are therefore not counted as vaccine deaths. By doing this, they can ignore the vast majority of deaths following the injection. This is the nr 1 method used in nations worldwide to hide the countless numbers of vaccine deaths. ^{6,7}

300,000 ADVERSE EVENTS

MODERNA HIDES HUNDREDS OF THOUSANDS OF REPORTS

A whistleblower from Moderna made a screenshot of an internal company notice labelled "Confidential - For internal distribution only", showing there were 300,000 adverse events reported in only three months:

'This enabled the team to effectively manage approximately 300,000 adverse event reports and 30,000 medical information requests in a three month span to support the global launch of their COVID-19 vaccine.' ⁸

50,000 MEDICARE VACCINATED DIED

U.S. DEATH RATE PROBABLY NEAR 250,000

Attorney Thomas Renz received information from a whistleblower inside the Centers for Medicare & Medicaid Service (CMS), which reveals how **48,465 people died** shortly after receiving their injections. He emphasized that these death numbers are from less than 20% of the U.S. population.⁹

If we apply this number to the entire U.S. population, we see a death rate of almost 250,000.

LESS THAN 1% IS REPORTED

THE ACTUAL NUMBER IS 100X HIGHER

All this information already shows us that the number of adverse events and deaths is a multitude of what is being told to the public. The situation is however still far worse than most of us can even imagine. The famous Lazarus report from Harvard Pilgrim Health Care inc. in 2009 revealed that in general only 1% of adverse events from vaccines is being reported:¹⁰

'Adverse events from drugs and vaccines are common, but underreported. Although 25% of ambulatory patients experience an adverse drug event, less than 0.3% of all adverse drug events and 1-13% of serious events are reported to the Food and Drug Administration (FDA). Likewise, fewer than 1% of vaccine adverse events are reported.'

REASONS FOR UNDERREPORTING

THE POPULATION IS MISINFORMED

The reason that less than 1% of adverse events is reported, is first of all because the majority of the population is not aware of the existence of reporting systems for vaccine injuries. Secondly, the pharmaceutical industry has been waging an unrelenting media war over the past decades against all medical experts, who attempted to inform the public about the dangers of vaccines. One deployed strategy is name-calling, and the negative label 'anti-vaxxer' was chosen to shame and blame all scientists, physicians, and nurses who speak out about the devastation caused by vaccinations.

Because of this criminal campaign of aggressive suppression of adverse events data, the majority of the population is clueless that vaccines can cause any harm at all.

The widespread propaganda by the vaccine companies, who use government agencies as their main carousel, simply told humanity for decades that adverse events are a very rare occurrence. When vaccinated people, therefore, suffer from serious adverse events, it doesn't even occur to them that this could be from previous injections, and therefore don't report it as such.

During the current world crisis the attacks on medical experts who are warning about vaccines, have gone to an even higher level. Medical experts are now being completely de-platformed from all social media, their websites are deranked by Google, entire YouTube channels are deleted, many have lost their jobs, and in some countries, medical experts have been arrested, in an attempt to suppress the truth about the experimental covid injections.

Several countries are now labeling scientists who speak out against vaccines 'domestic terrorists'. It is clear that all means have to be deployed by the criminal vaccine cartel to suppress what is going on with these shots.

As a result, countless medical professionals are afraid to report adverse events, which further contributes to the underreporting of these side effects. Additionally, the amount of scientific information warning for these dangerous biological agents, and the number of medical experts warning humanity, is so overwhelming and almost omnipresent - despite the aggressive attempts to silence them - that it is virtually impossible for any medical professional to not be at least somewhat aware of the risk they are taking, by administering an untested DNA altering injection, without even informing their patients of what is being injected into their body. If they then see their patients die or become disabled for life, they are naturally afraid of being held accountable, and therefore have yet another motivation for not reporting the adverse events.

Lastly: many medical professionals receive financial incentives to promote the vaccines. In the United Kingdom for example nurses get £10 per needle they put into a child. That again is a reason for them to not report adverse events.

250,000 VACCINE COMMENTS

FACEBOOK REVEALS TSUNAMI OF ADVERSE EVENTS

A local ABC News Station posted a request on Facebook for people to share their stories of unvaccinated loved ones that died. They wanted to make a news story on this. What happened was totally unexpected. In five days time over 250,000 people posted comments, but not about unvaccinated loved ones. All the comments talk about vaccinated loved ones that died shortly after being injected, or that are disabled for life. The 250,000 comments reveal a shocking death wave among the population, and the heart wrenching suffering these injections are causing. The post was already shared 200,000 times, and counting... ¹¹

I am so sorry for all of us. My husband has been in a terrible health situation after his second Pfizer vaccination. He passed away for a brief time then brought back to life. Along w multiple trips to the Er with mini stroke and the latest ct scan showed a legion growing in his brain and he was told not to drive. Literally it's like new symptoms keep happening and we are spending all our money on office visits, specialists and tests. No one and I mean NO ONE DARES to record the data as a vaccine reaction. So yeah. There's a huge trust issue underneath this virus and it's vaccine.

Notice in the last comment how the lady says that everybody in the hospital is afraid to report this as a vaccine reaction, and another person says 'the doctors can't report it'.

That is proof of what I explained earlier: Most medical professionals are either too terrified to report adverse events, or they are simply corrupt. This causes the true prevalence of vaccine injuries to remain hidden from the world. The 250,000+ comments show that once people find a place to report their suffering caused by the injections, we see a tsunami...

VACCINE DEATHS SUMMARY

IT IS FAR WORSE THAN WE THINK

- ✓ VAERS published 726,963 adverse events, including 15,386 deaths as of September 17, 2021
- ✓ CDC fraud expert says that number of deaths is at least five times, and possibly ten times higher
- ✓ A whistleblower from the Centers for Medicare & Medicaid Service (CMS) revealed how almost 50,000 people died from the injections. They represent only 20% of the U.S. population, meaning that if this data is applied to the entire population 250,000 have died
 - ✓ 150,000 reports have been rejected or scrubbed by the VAERS system
 - ✓ The actual number of anaphylaxis is 50 to 120 times higher than claimed by the CDC
- ✓ Everyone who dies before two weeks after the second injection, is not considered a vaccine death, which causes the majority of early vaccine deaths to be ignored
 - ✓ Moderna received over 300,000 reports of adverse events in only three months-time
 - ✓ The Lazarus Report shows that only 1% of adverse events is being reported by the public
- ✓ The majority of the population is not aware of the existence of systems where they can report vaccine adverse events
 - ✓ Aggressive censorship and propaganda told the public that adverse events are rare, causing people to not understand how their health problems stem from past injections
- ✓ The shaming and blaming of medical professionals who say anything against the vaccines, cause many in the medical community to avoid reporting adverse events
 - ✓ The fear of being held accountable after administering an injection that killed or disabled patients, further prevents medical personnel from reporting it
- ✓ Having accepted financial incentives to promote, and administer the covid vaccines, also stops medical personnel from reporting adverse events
 - ✓ Profit driven vaccine manufacturers have every reason not to report the destruction their untested experimental products are causing
 - ✓ 200,000+ Facebook users comment about vaccine deaths and serious injuries

MILLIONS OF DEATHS WORLDWIDE

According to scientific data less than 1% of vaccine injuries are being reported. From that 1% the majority is being hidden by the authorities. They put systems in place to ignore the bulk of vaccine deaths. Combining these facts with the data that is revealed by government whistleblowers, we see that in the United States hundreds of thousands have died from the injections. As the rest of the world uses the same injections, we know that on a global scale the number of vaccine deaths is without a doubt millions.

This is only the short term tsunami of adverse events. Bill Gates, the world's leading vaccine dealer and a driving force behind the worldwide vaccine push, said in an interview with the BBC that most adverse events only show up after two years, which is why vaccine development usually takes many years. This means that the waves of deaths and disabilities in the coming years will be exponentially greater. Especially because more and more booster shots are imposed on the population, and vaccine passports being implemented.

WORLD EXPERTS WARN HUMANITY

LEADING SCIENTISTS ISSUE GRAVE WARNINGS

This alarming data leads world experts, like the Nobel Prize Winner in Medicine, Dr. Luc Montagnier, to issue a grave warning that we are currently facing the greatest risk of worldwide genocide, in the history of humanity.¹² Even the inventor of the mRNA technology, Dr. Robert Malone, warns against these injections that are using his technology.^{13,14} The situation is so severe that former Pfizer vice president and chief scientist Dr. Mike Yeadon came forward to warn humanity for these extremely dangerous injections. One of his best known videos is titled 'A Final Warning'.¹⁵ Another world renown scientist, Geert Vanden Bossche, former Head of Vaccine Development Office in Germany, and Chief Scientific Officer at Univac, also risks his name and career, by bravely speaking out against administration of the covid shots. The vaccine developer warns that the **injections can compromise the immunity of the vaccinated, making them vulnerable for every new variant.**^{16, 17} WWII holocaust survivors wrote to the European Medicines Agency demanding the injections to be stopped, which they consider to be a new holocaust.¹⁸

VACCINE DEATHS WORLDWIDE

THE SAME GOES FOR NATIONS AROUND THE WORLD

The situation we described in the United States illustrates the destruction caused by these injections, and how corrupt health agencies and vaccine manufacturers hide the vast majority of adverse events. We will however briefly touch upon some other countries, to prove that the situation in America is not unique.

E U R O P E A N U N I O N

In the European Union (which consists of only 27 of the 50 European countries) the official reports of EudraVigilance officially admit as of August 18th 2021 that approx. **22,000 people died and 2 million suffered side effects, of which 50% are serious.** ^{19, 20} What are serious injuries?

'It be classified as 'serious' if it corresponds to a medical occurrence that results in death, is life-threatening, requires inpatient hospitalisation, results in another medically important condition, or prolongation of existing hospitalisation, results in persistent or significant disability or incapacity, or is a congenital anomaly/birth defect.'

In The Netherlands, one of the smallest nations in the European Union, an extra parliamentary research committee set up a platform for citizens to report vaccine adverse events. This is no initiative from the government and has received no attention in the media. The majority of the Dutch population is therefore unaware of its existence. Yet, despite its limited influence, this private initiative has already received reports of **1,600 deaths and 1,200 health damages, often permanently disabling the people.**²¹

U N I T E D K I N G D O M

Shortly before the national vaccination campaign started, the MHRA (Medicines and Healthcare Products Regulatory Agency) published the following request:

'The MHRA urgently seeks an Artificial Intelligence (AI) software tool to process the *expected high volume of Covid-19 vaccine Adverse Drug Reaction (ADRs)* and ensure that no details from the ADRs' reaction text are missed.' ²²

The British government published a report of the first series of adverse events, including blindness, strokes, miscarriages, heart failure, paralysis, autoimmune disease, and more. Shortly after the first wave of immunization over **100,000 adverse events were reported, including 1260 cases of loss of eyesight (including total blindness)**. The first part of the report praises the vaccines to be the best way to protect people from COVID-19, and then continues to show the incredible destruction these vaccines are causing. The hypocrisy is mindboggling.^{23,24}

Also in the U.K. miscarriages increased by 366% in only six weeks, for vaccinated mothers.²⁵ Furthermore the British Office for National Statistics inadvertently revealed that **30,305 people have died within 21 days of having the injection**, during the first 6 months of 2021.²⁶ And a British scientist with 35 years of experience did an in depth analysis of the British Yellow Card reporting system and found it to be unreliable.²⁷

'We can conclude that the Yellow Card reporting scheme can provide some limited information that may be useful for alerting the UK public to possible adverse effects of the COVID-19 vaccines. However, the initial conception of the scheme as a purely descriptive rather than as an experimental undertaking means that **it cannot address the real issues that are of crucial importance to the UK public**. These issues are whether there are causal relationships between vaccination with the PF and AZ vaccines and serious adverse effects such as death, and if so, what are the size of these effects.'

I S R A E L

The Israeli Peoples Committee is a team of doctors, attorneys, criminologists, epidemiologists and academic researchers, determined to perform an investigation, inquiry, and exposure for the benefit of the public. Although they are a relatively unknown group, they still received **3754 reports, including 480+ deaths**, as of August 5th, 2021.²⁸ The IPC states that these numbers represent only 2-3% of the true prevalence in the population, which means that the number of deaths in Israel is **around 48,000 and adverse events around 375,400**. Also in Israel, statistics from Worldometers.info shows a massive spike in deaths when the vaccinations started. Before the immunizations began, there were hardly any daily covid deaths in Israel. Once the vaccinations began, the daily death toll rose from **1-3 to 75-100 deaths a day!**

Another Israeli website reporting vaccine injuries is [Seethetruth.club/covid-19-vaccine-victims](https://seethetruth.club/covid-19-vaccine-victims) where one can see innumerable testimonials of people who suffered greatly from the shot. In the U.S. a similar website called 1000covidstories.com shows an ever increasing amount of videos from people who died or had severe reactions to the covid shots. Also the website called TheCovidWorld.com shows the personal stories of a large number of people who died from the shots. We must understand that nothing like this has ever happened before in history, where thousands of people come forward to share their suffering following an immunization. The reason people do this now, is because their adverse reactions are not at all, like the criminal 'health' agencies say 'headaches, dizziness and flu like symptoms.' The reactions are extremely severe, often disabling people for life. The injuries are in fact so severe, that people around the world are stepping forward to warn humanity.

B R A Z I L

In Brazil the official vaccine death count is **32,000 during a 5 month period**. The report was published on uol.com.br, which reportedly has about the same number of pageviews as CNN.com, according to data from SimilarWeb. Despite these high amounts of deaths following vaccination, the report states: 'Vaccination is still the best way to control the disease.'²⁹

SCIENCE PROVES VACCINE DAMAGE

STROKES, HEART ATTACKS, CANCER,...

A study by the University of San Francisco, or Salk Institute, shows that the vaccines turn the human body into a spike protein factory, making trillions of spikes that cause blood clots, which cause strokes and heart attacks.³⁰ Another study confirms how the vaccines can cause deadly blood clots, that in turn cause heart attacks and strokes.^{31,32} The New England Journal of Medicine shows how the jabs cause heart inflammation,³³ and the same journal published a study about the dramatic increase of miscarriages.³⁴ Several studies prove the reality of antibody dependent enhancement.^{35,36,37} Also the occurrence of infertility and reduced sperm count is confirmed.^{38,39} Lastly a study showed that the injections cause cancer.⁴⁰ And these are just a few examples...

EXEMPT FROM LIABILITY

NO VACCINE MANUFACTURER TAKES RESPONSIBILITY

In the past decades, several official government agreements were signed, in nations across the world, that provide every vaccine manufacturer with 100% protection from all liability. It doesn't matter how much destruction their products cause, nobody has any recourse. On top of that, no health insurance will ever cover the costs resulting from vaccine damage. They simply do not reimburse the vaccinated, when they get into trouble. Yet... the same governments that refuse to protect you from possible destruction of your health, life, and beloved ones, mandate these deadly injections and require them for shopping, travel, gatherings, and even banking services.

DO THE INJECTIONS EVEN WORK?

HEALTH OFFICIALS SAY THEY ARE NOT EFFECTIVE

World-renowned vaccine developer Geert Vanden Bossche MVD, PhD warns that these injections destroy the body's immune system, making the vaccinated vulnerable for every new variant of the disease.⁴¹ He also says:

'Mass vaccination campaigns during a pandemic of highly infectious variants fail to control viral transmission. Instead of contributing to building herd immunity, they dramatically delay natural establishment of herd immunity. This is why the ongoing universal vaccination campaigns are absolutely detrimental to public and global health.' ⁴²

The Nobel prize winner in medicine Dr. Luc Montagnier sounds the alarm that these vaccines are creating dangerous new variants.⁴³ And in Israel the statistics show clearly a dramatic increase in covid deaths once immunizations started (see earlier in this report). The Israeli prime minister Naftali Bennet even says that the people who are most at risk now, are those who received two doses of the vaccine.. ⁴⁴

In the island nation Seychelles there were hardly any covid deaths, but once they started vaccinating the population, the deaths increased a hundred fold.

In Australia, a young couple was refused access to their newborn baby for eight days, even though they were fully vaccinated. The chief health officer from Australia, Dr. Jeannette Young, gave the following revealing explanation for this inhumane situation: ⁴⁵

'Just because you are vaccinated, doesn't mean that you won't get infected. That's why we could not allow that family to go and visit their baby.'

Anthony Fauci also made it crystal clear: 'the CDC is considering mask mandates for the vaccinated',⁴⁶ 'the vaccinated increasingly test positive for covid, therefore they will need to keep wearing masks',⁴⁷ 'the vaccinated still need to avoid eating in restaurants',⁴⁸ and 'the vaccinated carry the Delta variant as much as the unvaccinated'.⁴⁹ So according to Fauci the vaccines do nothing. Yet he insists on mandating these useless injections for travel.⁵⁰ The same was publicly stated by the UK's Prime Minister Boris Johnson, who said: ⁵¹

'Can I now meet my friends and family members indoors if they are vaccinated? There I am afraid the answer is no, because we're not yet at that stage, we're still very much in the world where you can meet friends and family outdoors, under the rule of six, or two households. And even if your friends and family members may be vaccinated, the vaccines are not giving 100% protection and that's why we need to be cautious.'

A research article published in 'Trends in Internal Medicine' by Dr. J. Bar Classen MD, is titled: ⁵²

'US COVID-19 Vaccines Proven to Cause More Harm than Good Based on Pivotal Clinical Trial Data Analyzed Using the Proper Scientific Endpoint, **"All Cause Severe Morbidity"**

Even the CDC admitted that the injections offer no protection against the Delta variants, and coming variants, and all covid measures, therefore, need to stay in place.⁵³ Yet they keep insisting that everybody must be vaccinated. The chief health officer of New South Wales, Australia said we have to prepare to live with a constant cycle of ongoing covid booster injections for the foreseeable future.⁵⁴ Moderna's chief medical officer, Dr. Tal Zaks, said that the vaccines do not bring life back to normal.⁵⁵ This was confirmed by the director of the World Health Organization Tedros Adhanom, who said: ⁵⁶

'A vaccine on its own will not end the pandemic. Surveillance will need to continue, people will still need to be tested, isolated and cared for. Contacts will still need to be traced and quarantined, communities will still need to be engaged.'

A study by The Lancet showed that the Delta variant is freely transmitted among the vaccinated.⁵⁷ This was confirmed by a study that showed how a in July 2021, following multiple large public events in a Barnstable County, Massachusetts, town, 469 COVID-19 cases were identified among Massachusetts residents who had traveled to the town during July 3-17; 346 (74%) occurred in fully vaccinated persons.⁵⁸

CREATURE WITH TENTACLES

LIVING ORGANISMS IN THE VACCINES

Dr. Carrie Madej studied vaccine vials from Moderna and Johnson & Johnson under a microscope with 400x magnification. What she saw shocked her ...

In BOTH vials there was a living organism with tentacles. This creature moves around, lifts itself up, and even seems to be self aware. ^{68A}

The sight of this and the thought that these unknown, octopus-like creatures are being injected into millions of children worldwide, caused Dr. Madej to weep. However that's not all, she saw several pieces of graphene in the vials, as well as self assembling nanoparticles. **The particles moved towards one another, and formed more complex structures.**

The photo below is from a video taken during a scientific conference in The Netherlands, where a Pfizer vial was live under a microscope. Everyone can see on the screen how a large living organism is in the Pfizer vaccine, with many other particles moving around. ^{69c}

DANGEROUS TOXINS

GRAPHENE ALTERS THE ELECTRO MAGNETIC FIELD

The world-renowned biophysicist Andreas Klecker has discovered that the vaccines contain large amounts of graphene oxide (up to 95%).

He warns that the graphene oxide injected into humans is altering their electro-magnetic field, which disrupts the normal functioning of their organs.⁶⁵

'What we are concerned about is the side effects it has. This isn't described in medicine, but it's described in my field, biophysics. What happens? The body needs its electro molecular capabilities to work. The heart beats because there's a magnetic field that creates, subsequently, the electricity for pumping and everything else. Graphene is completely altering our electromagnetic field, something that has never happened before. What we're seeing is something 'in vivo' with some dramatic effects.

We have been watching a lot of videos of people who are dying after being vaccinated. You see people spasming. These spasms have, for example, very specific frequencies, and they are the same in all kinds of spasms. **These spasms indicate that there is a disruption of the human electromagnetic fields.'**

The presence of graphene oxide, among other toxic materials like aluminum, LNP capsids, PEG and parasites in the vaccines was further confirmed by Dr. Robert Young.^{66,67} The Scientist's Club also released a report with microphotographic evidence of nanoparticles in the vaccines.

'Major revelations on what is in the CoV-2-19 vaccines, with the use of electron, pHase, dark field, bright field and other types of microscopy from the original research of Dr. Robert Young and his scientific team, confirming what the La Quinta Columna researchers found - **toxic nanometallic content with magneticotoxic, cytotoxic and genotoxic effects, as well as identified life-threatening parasites.** In addition, in 2008, Hongjie Dai and colleagues at Stanford University found graphene oxide.'⁶⁸

DRAMATIC BLOOD CHANGES

RESEARCH REVEALS CHANGES IN BLOOD

Dr. Robert Young also discovered how the blood of vaccinated people changes dramatically, after the injection with mRNA. The following image reveals the normal healthy state of the red blood cells which are even in color, even in shape and even in size.^{69A}

The second micrograph taken under Phase Contrast Microscopy reveals the live blood 24 hours after the mRNA vaccine now containing crystallized red blood cells called Heinz bodies, biological transformations of red and white blood cells, large symplasts of graphene oxide crystals center and Orotic acid crystals in the upper right hand corner of the micrograph.

German researchers discovered that the content from vaccine vials formed crystals, after being placed under a lamp that warms them to about 30° Celcius (85° F). The photo below shows this clearly.^{69B}

PERMANENTLY ALTERED DNA

THE HUMAN GENOME IS BEING MODIFIED

Dr. Carrie Madej studied vaccines and transhumanism for two decades. In her documentary 'The Battle For Humanity', produced by Stop World Control she warned that these injections could permanently change the human DNA, with potentially disastrous outcomes. Fact-checkers around the world - who are often paid by the vaccine industry - jumped to label it as fake news. Facebook made it their policy to censor all voices that warned how this gene therapy could potentially alter the human genome. Until... a Facebook employee recorded and released an insider zoom meeting with Facebook CEO Mark Zuckerberg, who told his staff that the injections do indeed change the human DNA! These are his exact words:

'We just don't know the long term side effects of basically modifying people's DNA and RNA to directly encode in a person's DNA and RNA, basically the ability to produce those antibodies and whether that causes other mutations or other risks downstream.' ⁶³

A PATENTED TRANSHUMAN

NO LONGER A HUMAN WITH HUMAN RIGHTS

Dr. Chinda Brandolino is a Latin American physician who has been speaking out about the fact that once the human genome is altered, that person is no longer considered an original human being, but has become a transhuman, and therefore loses human rights. Furthermore, she explains that the altered DNA and RNA can be patented, making that genetically modified person property of the patent holders. The implications of this are highly alarming. ⁶⁴

TRANSHUMAN BABY

PITCH BLACK EYES & ACCELERATED AGING

Scientists in South America are investigating a strange phenomenon: Some newborn babies from vaccinated parents in Mexico have **pitch-black eyes**, while normally the eyes of newborns are very lightly colored. It also appears that these babies are aging too fast, as they can stand and even walk at only three months old. ^{63A} Normally that only happens around the age of one year. Are these babies

examples of transhumanism, born from parents whose DNA has been altered by gene therapy? The researchers are careful not to make premature statements but will investigate this further.^{63B} In future versions of this report, I will share the developments about this phenomenon. Below you can see a photo of a newborn baby, with deep black eyes. Even the white in his eyes is dark.

DIFFERENT DOSAGES

WHY DO SOME DIE, WHILE OTHERS ARE FINE?

Why do some people die, or become disabled for life, while others seem just fine after being inoculated? Dr. Jane Ruby explains that not all vials have the same dosages.^{68B} ClinicalTrials.gov shows that there are different phases of the vaccination experiment, with different dosages of the mRNA being administered to different people. An unknown percentage of the injections are even placebos!

This means that some people get a harmless substance injected, while others get a shot with 5, 10, 20, or 30 micrograms of mRNA.

Dr. Ruby warns that in the booster shots some vials contain as much as 100 or even 250 micrograms of mRNA. This explains why in certain areas the vaccinated seem fine, while in other areas people drop dead after being injected. It's like Russian roulette: nobody knows what is being injected into their body. There is no informed consent. If people however take the boosters, they will get different dosages. Where previous shots may have been harmless, the next could be lethal.

FRAUD WITH COVID DEATHS

WORLDWIDE FRAUD INFLATED COVID DEATHS

The excuse for murdering millions of people with these injections is that they supposedly prevent people from dying of covid. The reality is however that the so-called number of covid deaths is the greatest lie in history. All over the world, it has been revealed that over 95% of all covid deaths, were deaths from other causes. The Italian politician Vittorio Sgarbi exclaimed in the Italian Chamber of Deputies: ⁶⁹

'Let's not make this the chamber of lies. Don't lie! Tell the truth. Don't say there's 25,000 dead. It's not true. Don't use the dead for rhetoric and terrorism. Figures from the Higher Institute of Health say 96.3% died of other diseases.'

A magazine in Belgium, De Tijd, wrote how the government claimed that three thousand elderly people had died of covid-19. Because of these numbers the entire country was placed on lockdown. However, research showed that only 3% of the deceased had been tested. Not 3,000 but only 90 people may have had covid.⁷⁰

While supposed covid deaths went through the roof, statistics in several countries showed that suddenly there are no more flu deaths. In the USA alone there are almost 40 million cases of the flu every year, but since covid hit, this number has dropped to less than 2,000. Where did all the tens of millions of flu patients go? They are now all being registered as covid.

A forensic German coroner Prof. Dr. Klaus Püschel examined more than 140 coronadalties in Hamburg at the start of the pandemic. On German TV he said that the hysteria around the coronavirus has been gravely exaggerated. All the people who died had underlying disorders and would have died quickly anyway, with or without the virus, according to Püschel, adding that there is no 'killer virus'. Healthy people don't have to worry, says Püschel. The coroner also predicted that corona will not even cause a peak in the annual mortality rate, a prediction that turned out to be accurate.⁷¹

Medical professionals around the world have testified of being pressured by their supervisors to report all patients as covid, and register every death - no matter what the cause was - as a covid death. The internet has been flooded by thousands of testimonies of outraged people who said that they went to a doctor or hospital for issues unrelated to COVID-19 and to their amazement, they were registered as a covid patient.⁷²

Dr. Elke de Klerk, the founder of Doctors for Truth in the Netherlands, testified that she received secret messages in the dossiers of terminally ill patients, requesting that these people should be registered as covid deaths.⁷³ Project Veritas called several funeral directors in New York, and they testified how every dead person was registered as covid, while everybody knew that was not correct.⁷⁴ Minnesota senator Scott Jensen, who is also a practicing physician, revealed on Fox News that U.S. hospitals receive huge financial incentives to register patients as covid. For every person they registered as a covid death they are paid 39,000 USD. This has been confirmed by medical professionals around the world.⁷⁵ The technical director of CNN Charlie Chester was secretly filmed by a Project Veritas undercover journalist, while he admitted that CNN inflated the death rates 'because fear sells'.⁷⁶

A zoom meeting with African officials was leaked, revealing how they were discussing ways to ramp up covid numbers, to continue the lockdowns.⁷⁷

National File released a recording of a Zoom conference call between physicians and a marketing director at Novant Health New Hanover Regional Medical Center, a group of 20 hospitals, clinics, and offices that treat patients in North Carolina and South Carolina. In the recording, Mary Rudyk, MD tells Director of Marketing Carolyn Fisher and another hospital employee that she wants the hospitals to become more 'scary to the public' by **inflating the number of COVID-19 patients**, and by using messaging that falsely tells individuals 'if you don't get vaccinated, you know you're going to die.'⁷⁸

New York was the epicenter of the COVID-19 pandemic. In the heart of New York is the famous Elmhurst hospital where supposedly more people died from this virus than anywhere else in the world. It was the epicenter within the epicenter of the pandemic. For this reason, an experienced nurse from Florida, Erin Olszewski, decided to go there to help with the crisis. What she saw in this

world-famous hospital, however, filled her with so much horror, that she decided to take a hidden camera with her to film what was going on.

Patients who repeatedly tested negative for COVID-19 are still registered as 'confirmed COVID-19'. They are put on a respirator in a covid ward... which causes them to die.

In a revealing documentary by Journeyman Pictures, this nurse talks about the crimes she constantly sees happening in Elmhurst. She shows on her smartphone how a patient indeed tested negative for COVID-19 twice... and yet was registered as 'confirmed' COVID-19'. She explains that this happens all the time in Elmhurst: deception and murder resulting in high COVID-19 mortality rates that are trumpeted by the media.⁷⁹

FUNERAL DIRECTOR SPEAKS OUT

AN UNDERTAKER WITNESSES GOVERNMENT CRIMES

One very revealing eyewitness account comes from a funeral director from the UK, John O'Looney.⁸⁰ For 10 years he was part of one of the largest funeral companies in the United Kingdom, he worked with the BBC to document the pandemic, and worked with a government pandemic official. He is connected to 45 other funeral directors and has therefore a clear overview of what is going on. What he discloses is shocking. First of all, he testifies that neither he nor any of the other funeral directors saw an increase in deaths during the so-called pandemic. During March 2020 however, John was suddenly called night after night, for three weeks, specifically to care homes. All who died were labelled as covid. He never saw a doctor in attendance, nor a covid test once. At the same time, there was a 1,000% increase in purchases of Midazolam. A nurse told him how they were instructed to administer lethal doses of this drug to the elderly, to mass exterminate them. These high numbers of deaths were then used to promote the narrative of a 'covid pandemic'.

He was also approached by a government pandemic official, who told him they had to label each death as covid. People run over by cars, heart attacks, cancer patients, it didn't matter what killed them, they all had to be labelled as covid deaths.

Once the government started mass vaccinating the British population, John says the deaths skyrocketed. 'I've never seen anything like it, as a funeral director for fifteen years. And it began exactly when they began putting needles in their arms. I've never seen a death rate like that again. It was

awful, awful. Those were pandemic numbers, but it was only after they started vaccinating, never before that point. John explains that most vaccine deaths were labelled covid deaths.

'Every funeral director with an ounce of honesty will tell you that all those who are dying all around us are vaccine recipients. There is no covid pandemic and I am living proof of that. It's all designed to make you take the vaccine. In my network of funeral directors, not a single child has died of covid. So there is no reason whatsoever to put these gene therapies into children. Here we have a depopulation agenda. It's the vaccines that are killing the people, and I am seeing that firsthand as a funeral director.'

WORLDWIDE FRAUD

Health care workers are paid to register all patients as covid. The hundreds of millions of flu cases every year are now all covid. Doctors get hidden messages requiring them to register dying patients as covid deaths. Funeral directors admit they see false covid registrations all the time, and CNN technical director Chester confessed they inflate covid numbers. A network of 20 hospitals is caught increasing covid numbers to create fear, and an African official is seen in a Zoom call discussing how to ramp up covid. A nurse testifies how large numbers of patients are murdered to increase covid deaths, and innumerable people worldwide are outraged because they were incorrectly registered as covid. The Italian politician Vittorio is infuriated because he sees how the chamber is lying: only a small percentage died of covid! And a funeral director witnesses the murder of thousands of elderly, to create so-called covid deaths. He and dozens of other funeral directors were instructed by the British government to label every death as covid. Once the vaccinations started, they all witnessed an unprecedented explosion of deaths.

ONLY THE VACCINATED DIED

DURING SPANISH FLU ONLY VACCINE RECIPIENTS DIED

In 1918 a disastrous number of 50 - 100 million people supposedly died of what was called the 'Spanish flu'. An expert eye witness of this event was the medical scientist Eleanor McBean, PhD, N.D. who wrote a book with her first hand experiences of what was truly going on.^{81, 82} She explains there wasn't really a flu, but mass vaccinations had been imposed on the population, causing flu-like symptoms, a host of different illnesses, and massive deaths.

She knew of not a single unvaccinated person who died of this alleged 'Spanish flu', while most vaccinated lost their lives.

'I was an on-the-spot observer of the 1918 influenza epidemic. All the doctors and people who were living at the time of the 1918 Spanish Influenza epidemic say it was the most terrible disease the world has ever had. Strong men, hale and hearty one day would be dead the next. The disease had the characteristics of the black death added to typhoid, diphtheria, pneumonia, smallpox, paralysis, and all the diseases the people had been vaccinated with immediately following World War 1. Practically the entire population had been injected 'seeded' with a dozen or more diseases — or toxic serums. When all those doctor-made diseases started breaking out all at once, it was tragic. That pandemic dragged on for two years, kept alive with the addition of more poison drugs administered by the doctors who tried to suppress the symptoms.

As far as I could find out, the flu hit only the vaccinated. Those who had refused the shots escaped the flu.

My family had refused all the vaccinations so we remained well all the time. We knew from the health teachings of Graham, Trail, Tilden, and others, that people cannot contaminate the body with poisons without causing disease. When the flu was at its peak, all the stores were closed as well as the schools, businesses — even the hospital, as the doctors and nurses had been vaccinated too and were down with the flu. No one was on the streets. It was like a ghost town. We [who didn't take any vaccines] seemed to be the only family which didn't get the flu; so my parents went from house to house doing what they could to look after the sick, as it was impossible to get a doctor then. If it were possible for germs, bacteria, viruses, or bacilli to cause disease, they had plenty of opportunities to attack my parents when they were spending many hours a day in the sick rooms. But they didn't get the flu and they didn't bring any germs home to attack us children and cause anything. None of our family had the flu — not even a sniffle— and it was in the winter with deep snow on the ground.

It has been said that the 1918 flu epidemic killed 20,000,000 people throughout the world. But the doctors killed them with their crude and deadly treatments and drugs. This is a harsh accusation but it is nevertheless true, judging by the success of the drugless doctors in comparison with that of the medical doctors.

While the medical men and medical hospitals were losing 33% of their flu cases, the non-medical hospitals such as BATTLE CREEK, KELLOGG and MACFADDEN'S HEALTH-RESTORIUM were getting almost 100% healings with their water cure, baths, enemas, etc., fasting and certain other simple healing methods, followed by carefully worked out diets of natural foods. One health doctor didn't lose a patient in eight years. The very successful health treatment of one of those drugless doctors who didn't lose any patients will be given in the other part of this book, titled VACCINATION CONDEMNED, to be published a little later. If the medical doctors had been as advanced as the drugless doctors, there would not have been those 20 million deaths from the medical flu treatment.

There was seven times more disease among the vaccinated soldiers than among the unvaccinated civilians, and the diseases were those they had been vaccinated against. One soldier who had returned from overseas in 1912 told me that the army hospitals were filled with cases of infantile paralysis and he wondered why grown men should have an infant disease. Now, we know that paralysis is a common after-effect of vaccine poisoning. Those at home didn't get the paralysis until after the worldwide vaccination campaign in 1918.'

'Seven men dropped dead in a doctor's office after being vaccinated. Letters were sent to their families that they had been killed in military action.'

- Eleanor McBean, PhD, N.D.

Her expert medical eye witness account was later confirmed by autopsies, which showed there indeed wasn't a flu, but the suffering was caused by random dosages of an experimental 'bacterial meningitis vaccines', which to this day, mimics flu-like symptoms. The massive, multiple assaults with additional vaccines on the unprepared immune systems of soldiers and civilians created a 'killing field'. Those that were not vaccinated were not affected.

THE SOLUTION: EARLY TREATMENT

LEADING SCIENTISTS HAVE THE ANSWER

If the toxic covid injections offer no solution for the COVID-19 disease, how can we then help humanity? The answer is simple: from the very start of this worldwide health crisis, there were many prominent scientists and medical doctors who exclaimed how they were successfully treating many thousands of covid patients using existing drugs that are known for their safety and efficacy. There is for example the world-famous French professor Didier Raoult, director of one of the largest research groups in infectious diseases and microbiology. He is the most cited microbiologist in Europe according to ISI and has trained more than 457 foreign scientists in his lab since 1998 with more than 1950 articles referred in ISI or Pubmed and is considered the world's foremost expert on infectious diseases. Professor Raoult started treating covid patients with a medicine that has been around for over sixty years and is famous for its safety and efficiency in defeating coronaviruses: hydroxychloroquine.

Professor Raoult treated over four thousand patients with hydroxychloroquine + azithromycin and virtually all of them recovered, except for a handful of very elderly who already had several morbidities.⁸³

This incredible success inspired many other medical doctors around the world to start using the same drug. In The Netherlands, Dr. Rob Elens gave all his covid patients hydroxychloroquine combined with zinc and saw a 100% recovery rate in an average of four days. Nobody needed to be hospitalized. Along with 2,700+ other medical professionals, this physician sent a letter to the Dutch government, asking them to include HCQ into the standard protocol. Dr. Elens and other Dutch medical doctors set up a 'COVID-19 Self Care' website, with information on how to prevent and overcome COVID-19, using HCQ and zinc.⁸⁴

In New York, the family practitioner Dr. Vladimir Zelenko treated over 500 covid patients at the beginning of the pandemic with hydroxychloroquine + zinc + azithromycin. He also had a 100% recovery rate, with hardly any side effects, and no hospitalizations.⁸⁵ As of August 2021 Dr. Zelenko and his team successfully treated over 6,000 covid patients. He developed a protocol to treat COVID-19 which became world-famous and is saving the lives of millions of thousands of people around the world. The Zelenko Protocol is used by for example the online telemedicine platform <https://www.speakwithanmd.com/> and the vast network of 800,000+ members of America's Frontline Doctors.⁸⁶

Hundreds of studies confirm the effectiveness of HCQ in treating COVID-19 and preventing hospitalization and death. ^{87, 88, 89}

World leading scientists Dr. Pierre Kory and Dr. Peter McCullough are both the most published medical experts in their field. Both these physicians and their teams have successfully treated tens of thousands of covid patients using for example Ivermectin. Dr. Kory and his team of top medical experts studied the entire medical literature for over nine months and found that Ivermectin proves to be a miracle drug that effectively prevents and treats COVID-19.

63 peer reviewed studies confirm the effectiveness of Ivermectin in treating COVID-19. ^{90, 91, 92}

Biophysicist Andreas Kalcker used chlorine dioxide to slash the daily death rate of 100 to 0, in Bolivia and was asked to treat the military, police, and politicians in several Latin American nations. His worldwide network COMUSAV.com consists of thousands of physicians, academics, scientists, and lawyers who are promoting this effective treatment. ^{93, 94, 95}

SUPPRESSION OF TREATMENTS

PHYSICIANS AROUND THE WORLD ARE PERSECUTED

With several options to successfully treat COVID-19, why is there still such an outcry for a vaccine? And why is the majority of the population not even aware of the available treatments? The answer is shocking and shows once more what is going on in our world...

All over the world physicians who were successfully treating covid patients, encountered the unthinkable: they were intimidated and shut down by the government.

America's Frontline Doctors informed the world about the safe and effective cures for covid, during their first White Coat Summit in 2020. This broadcast was viewed over twenty million times in a few hours, but then they were shut down all across the board: Facebook, Youtube, Twitter, and even their website was taken down by Squarespace. Dr. David Brownstein from Michigan, a leading holistic practitioner, had successfully treated over 120 covid patients, but his entire medical blog was removed. Dr. Rob Elens who successfully treated all his covid patients in the Netherlands was threatened by the government that he would lose his license if he continued treating these people. Dr. Joseph Mercola, a leading voice worldwide in healthy living, published information on how to treat covid and was forced to delete his content after Google had already banned him. Professor Raoult, who is one of the most respected scientists in the world, is suddenly slandered all over the internet. Dr. Zelenko who successfully treated over 6,000 patients, among whom two presidents and the Israeli health minister, is also bashed all over the web, and even had to leave his community because of the backlash.

The biophysicist Andreas Kalcker was de-platformed from all major social media, his book was removed from Amazon and even his scientific account on ResearchGate was deleted.

All these are just a few of the examples of physicians and scientists who successfully treat covid patients, who faced massive opposition. Never before in the history of mankind has it occurred that a working and safe drug for an illness has been kept from the world, through such an internationally coordinated effort. People are not supposed to recover from covid, because the world population needs to be scared into accepting this lethal injection.

ULTIMATE MIND CONTROL

CHILEAN PRESIDENT UNVEALS DIABOLICAL PLAN

As we all know, the goal of criminals is to always increase their power and wealth. They are never satisfied but continually crave more. Ultimately they want to play 'god' over the whole world, where everybody will be their servant. To keep increasing their power, there is one thing they need: *the blind obedience of the masses*. Only a totally ignorant and utterly obedient population will collaborate with their plans. That's why they have been buying the entire world's mainstream news media, education systems, health care, and government agencies, etc. so they can use all of that to spread their brainwashing propaganda to every mind in every corner of the world. Still, they don't stop here, as they are fully aware that not everybody believes everything on television. Therefore their plan to gain 100% control over the minds of all of humanity has further developed. Recently their agenda has been voiced loud and clear by the Chilean president Sebastián Piñera. In a public speech, he bluntly announced to the entire nation:

'Let's hear what the leaders of the world launch in this community. It is the possibility that machines can read our thoughts and can even insert thoughts, insert feelings. 5G is a tremendous leap. It's a cosmic leap, a Copernican leap, because really what 5G technology is going to mean is an even greater shift in our lives than all the previous technologies have meant.

It offers the possibility that machines can read our thoughts and can even insert thoughts, insert feelings. That's not just going to change life, it's going to transform it. 5G in the actual nervous system of our society, just like that. It is to modernize our state, to be a change that reaches every home in our country.' ⁹⁶

After stealing our voices through aggressive censorship, stealing our votes through election fraud, stealing our money through ever-increasing taxes, they will now steal our very own thoughts and feelings through 5G. That will be the summit of their tyranny, as they will be able to impose the desired thoughts and feelings onto the whole world, so nobody will even be able to divert from their narrative anymore. Is that why Klaus Schwab so confidently states in his promotional videos about the near future:

'You will own nothing, have no privacy and you will be happy.' ⁹⁷

Could it be that he is referring to an artificially induced state of fake happiness? What does this have to do with this vaccine report? It could be more than we are aware of right now. For 5G to be able to modify the thoughts and feelings of the population it requires another element: nanoparticles inside of the brains of people, that receive and transmit the 5G signals.

It turns out that the substance that is most efficient in communicating with 5G is the very substance that is massively present in the covid injections: graphene oxide. ^{98, 99}

No substance on earth communicates better with 5G than graphene oxide¹⁰⁰, and no substance in existence is more efficient in penetrating the human brain and manipulating human thoughts and feelings, than graphene oxide. One company that has been using graphene to manipulate the human brain, for medical purposes, is IN BRAIN Neuro Electronics. Their website states:

'We use graphene, the thinnest material known to man to build the new generation of neural interfaces for brain restoration to help patients around the world.'

The company highlights its technology as being able to 'read' a person's brain, detect specific neurological patterns, and then control that person's neurology to alter their brain function.¹⁰¹ It appears that the intention of INBRAIN is to merely help people with neurological disorders, but the reason I mention them is to illustrate how graphene is indeed the ideal substance to alter the human brain. And again, it works better with 5G than anything else. The fact that it is present in the covid vaccines, is therefore highly disturbing, especially if we know what the agenda is of the world leaders, as described by the Chilean president:

'5G offers the possibility that machines can read our thoughts and can even insert thoughts, insert feelings.

Another element we have to touch on is the clear and public agenda of the globalists to end humanity as we know it and steer humanity into becoming cyborgs. This is clearly explained in the book of Klaus Schwab 'The Fourth Industrial Revolution'. He strongly believes humans need to become one with machines, that are fully connected to the cloud, and who are surveilled and controlled by artificial intelligence. That's why he says nobody will have any form of privacy anymore, yet they will be 'happy'. How well Schwab masters the skill of deception with cleverly chosen words to hide his true intents, is seen at the end of his book:

'In the end, it all comes down to people and values. We need to shape a future that works for all of us by putting people first and empowering them. In its most pessimistic, dehumanized form, the Fourth

Industrial Revolution may indeed have the potential to “robotize” humanity and thus to deprive us of our heart and soul. But as a complement to the best parts of human nature—creativity, empathy, stewardship—it can also lift humanity into **a new collective and moral consciousness** based on a shared sense of destiny. It is incumbent on us all to make sure the latter prevails.' ¹⁰²

What he says here is that humans need to be empowered and may not be turned into robots. However, then he concludes which must prevail: 'lift humanity into a new collective and moral consciousness. What does that mean? It means exactly what it says: every human will think and feel the same way, we will all share the same 'collective consciousness'.

This means total brain manipulation of all of humanity. Everyone will be submitted to the narrative that the world leaders prescribe, or: 'humanity will have a new collective consciousness'.

No longer will Google, Facebook, or Twitter need to censor anybody's voice because the Fourth Industrial Revolution will ensure that all of humanity is 'lifted into the same mindset'. That's the ultimate goal of these criminals. The hypocrisy of Schwab is blatant, as this is exactly what he says should not happen. This is turning humans into robots who can no longer think for themselves, but who will all be forced to share the same 'mind'.

The agenda is crystal clear: humanity must be connected to artificial intelligence, that will tell everyone what to think and feel. The key to this is injecting humanity with nanotechnology, which turns every person into a walking antenna that can receive and transmit all kinds of signals. Could that be the reason they insist on imposing never-ending injections onto humanity? Is it so they can continually increase the presence of graphene oxide and other nanotechnology inside of people, shifting them more and more to the new era of transhumanism? If that wasn't exactly what the World Economic Forum has been promoting for the past decades, and what is explained in their recent articles, books, and videos, I would consider this to be the scenario of a bad movie. But it is not a movie. It's in reality what these psychopaths are cooking up in their insane minds as the future for humanity.

NEW WORLD ORDER

AUSTRALIA NO LONGER HIDES WHAT IS GOING ON

For decades the tyrannical system of worldwide oppression and control, called the New World Order, was labelled a conspiracy theory. But as it is with all so-called conspiracy theories, after some time they prove to be more than theories. In Australia, the health officials no longer hide their agenda, and have been calling their covid tyranny the 'New World Order.' This is what the chief health officer of New South Wales, Kerry Gai Chant, said during a public broadcast:

'We will be looking at what contact tracing looks like in the New World Order. Yes, it will be pubs and clubs and other things if we have a positive case there.' ¹⁰³

Brad Hazard, the Australian Health Minister, said the following words:

'That's just the way it is. We have got to accept that this is the New World Order.' ¹⁰⁴

An Australian news reporter announced new restrictions with the following words:

'Also the New World Order that will come into force at 12pm, at midnight tonight, new restrictions on various businesses.' ¹⁰⁵

Another Australian news broadcast, said it like this:

'The New World Order, our army comes marching in, partnering with police, to help enforce the countries tough new quarantine laws.' ¹⁰⁶

The day that the new restrictions came into place, the news reporter said: ¹⁰⁷

'Today is the first full day of the New World Order. Outdoor gatherings are limited to two people. Exercise is allowed but no further than a 10km radius from your home. Browsing in shops is not permitted. Only one person per household may leave to do essential shopping. And from tomorrow funerals are limited to ten people.'

What is the excuse for this inhumane tyranny? 14 supposed covid deaths during the first half of 2021! While in 2017 over four thousand people died in Australia from influenza and pneumonia. ¹⁰⁸

NO THEORY BUT HISTORY

IS HUMAN HISTORY A CONSPIRACY THEORY?

If we know history, then we understand the basic reality that there have always been power-hungry madmen whose sole desire was to rule the entire world. Think of the Chinese, Persian, Greek, Roman, Spanish, British world empires, among others. The lust for world domination is as old as the world itself. That's why it always amazes me when I see people react with mockery when I mention this historic reality. Even the name of my website StopWorldControl.com is ridiculous to some. 'Hahaha, world control, that is a silly conspiracy theory!' This is alarming, as it shows how far the minds of some of us have been led astray from understanding even the most basic principles of human existence. As recent as 80 years ago the world was threatened by yet another madman who wanted to rule the world, with two consecutive world wars as a result. Is that a conspiracy theory too?

The plan to control the entire world has always existed, and has been expressed in countless forms, throughout the existence of humanity.

A second basic reality of our world is that there have always been people that dedicated themselves to the realm of evil. History shows crystal clear how many groups of people in the past were deeply embedded in dark practices like ritual child sacrifice, burning of people alive, cutting open the chest of people and ripping out their beating heart, etc. This was common in civilizations around the world, as most nations were submersed in the worship of demonic entities, which they considered their 'gods'. India, Africa, Asia, Europe, America... every part of the world knew these practices.

All throughout the history of mankind, up to this very day, there have been cruel and horrifying practices, at the heart of certain cultures.

Nowadays the public seems to be so severely brainwashed, that when we warn for similar dark forces in our time, they immediately deny it. But if we want to protect our lives, we must understand how the same kind of wicked entities that terrorized our world in the past, are still around today. It is these kinds of evil people who are at the heart of the criminal network that is behind the New World Order.

WHO ARE THESE CRIMINALS?

MEET THE DARK FAMILIES WHO RULE THE WORLD

Who exactly are these criminals? Do we have some of their names and whereabouts? How do they operate and what can we do to stop them? An important part of the answer is given in the magnificent documentary MONOPOLY, which can be viewed on StopWorldControl.com.

MONOPOLY reveals in great detail, with all the evidence on screen, how virtually everything in our world is owned by the same people. It shows who they are, and what they are planning for humanity. A must see for everyone!

Because these superrich entities own everything, it's a piece of cake for them to control the world. They own Apple, Facebook, Twitter, Google, Facebook, and nthe rest of Big Tech, all the major news media, the entire travel industry, the whole food industry, the banks, the clothing industry, and so on. By strategically buying everything, they have gained an unrivaled monopoly worldwide. Something Julius Ceasar could only dream of... They also own the entire health industry, which allows them to tell hospitals around the world what to do and what not to do. They have positioned their political puppets in governments around the world through election fraud, bribery and blackmailing. Once we understand this, we can see how they are able to impose tyranny all over the world.

It would take me too far to name all the involved individual entities, but I will reveal a few, that are at the heart of this network. In Italy there are for example 13 Italian families or bloodlines, called the 'Black Nobility. I call them *the mafia on steroids*. These families, along with other similar dynasties from other regions of the earth, consider themselves to be superior over the rest of humanity. They look upon regular folks as 'bugs', 'cattle', and 'dogs'. That is literally how they write about you and me in their literature.

They believe that it's their destiny to rule over humanity, who are to become their slaves.

These families are organized in a pyramidal hierarchy, where ultimately everyone answers to the same puppet masters at the top. *The key to their power is secrecy, so nobody can touch them.* That's why the real leaders always stay in the shadows. The world population only sees puppets that operate on the visible stage of the world scene, like mind-programmed politicians, Hollywood celebrities, industrial leaders, media personalities, etc. Some better-known puppets are Klaus Schwab, Bill Gates, George Soros, the Clintons, the Bush family, etc. Although they are all individually very rich and powerful, they

are submitted to entities that are higher up in the hierarchy, but who make sure they stay out of the picture. *Secrecy is their strength.*

One of their strategies is to set up public 'world' organizations, which are their visible platforms to work out their agenda. One of these has become very prominent during this organized pandemic and is called the World Health Organization, which is mostly financed by Bill Gates, a key puppet of this criminal network. The WHO is dictating to all of humanity - think about this! - what we can or cannot do when it comes to our health. Nobody elected the World Health Organization and nobody wants them to be around, to bully every physician, nurse, and health practitioner into blind obedience.

The WHO forces the entire world into unquestioning submission to their tyrannical 'guidelines', that are more often anti-scientific than based on proper science.

The WHO for example told the entire world to use the PCR test to discover covid cases, while this test cannot discern between different types of pathogens, and produces up to 93% of false positives. This flawed test is the main tool to tell the world there is a pandemic, while no medical device in history has ever been so unreliable. Yet this anti-scientific protocol is imposed on the entire world, to promote the illusion of a global pandemic, which is mainly based on false positives. The hundreds of millions of so-called 'covid cases' are nothing but false positives, resulting from a fatally flawed test. The actual virus Sars-Cov-2 has never been isolated and purified, therefore it is impossible to test for it. It's a scam of astronomical proportions.

That's an example of how a 'world organization' is used to roll out the agenda of submitting humanity to tyranny, in the name of 'protecting your health'.

A similar organization is the United Nations, which portrays itself as the so-called 'peace keeper' of this world. Their agenda is however to submit all of humanity to a one-world government. The U.N. works closely with the European Union and NATO, which are similar carousels for the criminal families to wipe out the independence of the nations and set up a one-world government.

Another public player is the World Economic Forum, founded by Klaus Schwab. The World Economic Forum presents itself as a think tank for the rich and powerful of the world, where they 'seek solutions for the world's problems. Their magic word is 'sustainable development' which claims to ensure a better future for our world. Together with the U.N., they developed the so-called Agenda21, which claims to offer the ultimate solution for a more sustainable world.

In reality, this means nothing less than seizing all rights, freedoms and properties from the entire world population and bringing it all in the hands of the super-rich.

Then there is the banking imperium, which controls all the money in the world. Their job is to bring about a cashless society where only those who are digitally connected to the system of surveillance and slavery, will still have access to finances. The Nigerian government has been paid handsomely by them, to reserve banking services strictly for the vaccinated, an example that will soon be followed by other countries. A leading entity in the banking imperium is the notorious Rothschild family. They own the central banks in 165 nations, thus controlling the money flow in most of the world. Since ancient times this family has dedicated itself to the worship of the darkest of all forces. Another well-known family is the Rockefellers. They published the 'Scenario of the Future' in 2010, in which they described the current pandemic in great detail, with the desired outcome of establishing a new world of domination and control.

Entities like the Rockefeller Institute present themselves as protectors of humanity, but behind this humanitarian mask there is a gruesome face of lust for power.

I already mentioned the Black Nobility from Italy. Their most effective strategy has been to hide behind the beautiful face of Christianity, as they established the Vatican in Rome, as the 'center of Roman Catholicism'. Behind the monumental architecture of the majestic cathedrals, there however lurks a world so dark and perverse, that no normal human being could ever comprehend it. The recent exposure of organized, systematic child abuse in this religious stronghold is only the tiniest tip of an iceberg so deep, that it would traumatize most of us, if we knew what is going on there. Make no mistake: there are also good religious people in the Vatican, who simply have no clue what is going on behind the scenes.

It's all one huge puppet theatre, where the majority of the people - even most of those who are complicit - haven't got the slightest clue what is going on, and how everybody is being played.

The Vatican is located inside Vatican City, which is a sovereign state independent from Italy, where no Italian law has any authority. Because they are not submitted to the laws of any land, not even Italy that surrounds them, they are able to commit any crime they want. Similar sovereign states inside the nations are 'The City of London' (an independent state within London that evades all British laws but controls the British government), 'Washington D.C.' (or the District of Columbia, which is a sovereign state inside the United States, that rules over the American people). The criminal families have set up these untouchable 'states within nations' from where they operate.

VATICAN CITY

Vatican City is the most important of them all, and it is here that the highest puppet masters have their seat.

We all know the White Pope, a role that is currently played by Pope Francis. His job is to control the worldwide Roman Catholic faith community, and steer them towards the New World Order. In several public messages he calls all believers to get vaccinated¹¹², and goes on to proclaim the New World Order as the only solution to the world's problems. Here are some of his statements: ¹¹³

'We can heal injustice by building **a new world order** ... The path to humanity's salvation passes through the creation of **a new model** of development ... take care of the Earth, with **radical personal and political choices**, ... without **an overall vision** there will be no future ... we must bring an end to **short-sighted nationalism** ...'

Besides the White Pope, there is also a lesser known Black Pope who has far more power, but who works more behind the scenes. The Black Pope however is still submitted to one who sits on a higher throne: *the Grey Pope*. This supreme puppet master operates entirely in the shadows, from where he yields enormous power over the world. If you want to understand how all this originated historically, you have to research the dark spiritual origins of the Jesuits. I will leave it here, for now, as this topic can easily lead us too far.

We must understand that this criminal network is highly spiritual in nature, and all who are at the top, are involved in dark ancient spiritual practices. *To put it bluntly, they are satanists, also called luciferians.* Their strategy is however to always hide behind magnificent masks, that show the opposite of who they are.

We see this with Klaus Schwab, who uses eloquent rethorics to bewitch the minds of his worldwide audience, and convince them that the noblest of all causes is to make sure that every human on earth will think and feel the exact same way. 'Lift humanity into a collective consciousness.'

The way he presents this stark raving mad plan, is however so cunning that most people would give him a standing ovation, after hearing his speech. The same we see with the White Pope, who speaks beautifully about caring for the poor, ending injustice, saving the Earth, and other noble causes, while in fact he simply says: 'The whole world needs to be enslaved to a one world government, where nobody will have a voice, rights, freedoms, possessions, identity or privacy.' It's the same kind of hypnosis they use to impose the vaccine mandates: 'The world is attacked by a deadly disease, but we have a wonderful solution: lifesaving vaccines. Hurray!' That these wonderful vaccines contain living creatures with tentacles, self assembling nanoparticles, highly toxic substances, and that millions are killed by them, is of course not mentioned.

It's all about hypnotizing humanity using refined forms of hypocrisy and deception.

Another way these criminals operate, is by organizing themselves in so-called secret societies, to establish their hidden influence in every nation. Apart from the completely hidden societies, there are also more public cults, like Freemasonry. This is one of the better-known spiritual organizations, used to influence local authorities in virtually every town of every nation. They attract people in authority, claiming to be an innocent organization that wants to help humanity. Only when members climb to the higher levels of Freemasonry, they discover that it is Satanism.

Freemasonry focuses on making influential people in every community their members, so they can use them for the outworking of their plans.

Google whistleblower Zach Vorhies¹⁰⁹ told me in a personal conversation that in 2016 Google layed out their plans to program humanity in a revealing location: the San Francisco Freemasonry Headquarters. There Google informed their staff about the company strategy: *mold the mind of mankind.* That illustrates how Freemasonry plays a central role in this worldwide agenda.

The many secret societies work closely with the secret services of the nations, like for example the CIA and FBI in America. Entities that on the surface fight crime, but in reality are among the worst of all criminal organizations. The renowned German journalist Udo Ulfkotte, who was murdered for his confessions, admitted a few years ago that journalists all over the world are paid by secret services, secret societies, government agencies, billionaires, etc. to always lie and never tell the truth to the public. His important testimony can be seen in the documentary BUSTED on StopWorldControl.com. It is because of the confessions of this brave journalist - who was editor of one of Europe's largest newspapers - that a major awakening is going on in Germany. His book opened the eyes of the German population, who are now a major force against the New World Order.

Although Vatican City, Washington D.C., and the City of London are the headquarters of the criminal families, many of their logistics operations have been transferred to Asian countries, because they plan to use China to overthrow the rest of the world. The oppressive communistic regime of total slavery and control which they installed in China, must be rolled out now over the rest of the world.

Our enemy is however not the Chinese Communist Party, since they are also mere puppets. Those calling the shots are still seated in Vatican City.

Good news is that there has been a lot of infighting in this criminal network, causing it to fall apart in several camps, that all compete for world domination. May this confusion among them increase, as they fall into their own pits, and their plans fail miserably.

Much more can be said about all of this, as many books have been written about this criminal network, by researchers who often dedicated their entire lives to expose them. If you want to learn more, you can find a wealth of quality information compiled by some excellent researchers on the Dutch website Ellaster.nl. Use Google translate to read the articles: <https://www.ellaster.nl/category/val-van-cabal/cabal>

You can also watch the docu-series 'Fall of Cabal' on StopWorldControl.com, a masterpiece of journalism that explains a lot about this worldwide 'cabal'.

THE GREAT AWAKENING

HUNDREDS OF MILLIONS ARE RISING UP

Is there any hope for humanity? Yes. Although we are witnessing the greatest criminal operation since the birth of our world, something entirely different is also happening. Hundreds of millions of people are waking up from the deep sleep of ignorance and deception, and they are letting out a roar of truth, all over the world. In every nation organizations of medical doctors, lawyers, scientists, and all kinds of professionals are being established, to fight for freedom. They consist of tens of thousands of educated, influential and passionate professionals who are determined to stop this diabolical scheme. Brand new media platforms are being born, that grow every day in influence. They are not owned by the criminal cartel, but work from a heart that wants to defend humanity against the onslaught of destructive fake news media, that is operated by the cabal.

On top of that, increasingly large numbers of health care workers are refusing the vaccine mandates. In Canada 35,000 medical professionals protested against the vaccines.⁵⁹ In New York 83,000 health care workers refuse the toxic injections.⁶⁰ Overall in the U.S. 58% of all physicians is not taking the dangerous shots.⁶¹ Also among law enforcement and fire fighters there is increasing protest against the vaccine mandates. In California 50% of all law enforcement stands up against these criminal mandates.⁶²

These are just a few examples of the mass non-compliance in nations around the world.

This resistance is about to explode even far more worldwide, as the truth about these injections is spreading far and wide, despite all the attempts from the *criminal vaccine cartel* - which includes Big Tech, Big Pharma, government agencies, news media, etc. - to suppress this information.

On **StopWorldControl.com** we are about to launch a world map, that will show hundreds of organizations in nations around the world who are resisting this criminal operation. They represent hundreds of millions of people who refuse to become slaves of criminals. Among them are large numbers of physicians, scientists, academics, lawyers, entrepreneurs, politicians, etc. There is an unprecedented and unstoppable awakening going on, that will only increase in the near future.

It is clear that with every new attempt of the criminals to proceed with their nefarious plan, millions more people are waking up. The whole climate change hoax for example, which is just another one of their tricks to impose more control and taxes onto the population.

Every informed person knows the climate is 100% controlled, through geo-engineering or weather manipulation.¹¹⁰

There is no such thing as global warming. What we see is a worldwide system of highly developed weather manipulation, which is causing all the storms, heat waves, wildfires, earthquakes, extreme hail and snow storms, floods, and other natural disasters. *Cloud seeding* is for example a commonly known practice where big rain storms are created by spraying chemicals in the sky.¹¹¹ In a separate report we will provide all the evidence for this. We have official documents and video footage from the U.S. government and military that clearly state how the weather is not only 100% controlled, but it has also been *weaponized*. Governments, military and private corporations have been refining their weather manipulation systems for decades. The criminals constantly cry: 'Global warming!' but their game is failing, as the truth about weather manipulation, or geo-engineering, is coming out. Hundreds of millions of people who discovered how the pandemic is orchestrated, also begin to understand that other attacks on humanity are coming from the same source. Also the imaginary threat of an alien invasion, is a card up the sleeve of the criminals that we will see thrown on the table in the future. 'The aliens are coming to invade the earth! We need a one world government to protect us!' It will be amusing to observe how many people will fall for this one.

The strategy is always the same: create a problem (pandemic, climate change, racism, social unrest, alien threat, asteroid collision, etc.) and then offer a solution. The solution is always the same: stealing rights, freedoms and finances from the people, in the name of 'protecting' them.

The veil has however been lifted, and no more is everyone buying their lies. The awakening of hundreds of millions of intelligent people is unstoppable and will become the greatest shift in all of human history. The insane vaccine mandates are causing the world to wake up as never before. Freedom will come, as the truth will break through more and more. Courageous heroes of humanity will rise up in increasing numbers to stop the plans of the madmen, and direct the world into a better direction. These heroes are medical professionals, lawyers, scientists, politicians and hundreds of millions of vigilant citizens.

We all play a part in this Great Awakening. None of us may stand at the sidelines and do nothing. That is complicity. Witnessing a crime and allowing it to happen is the same as supporting it.

Many of us have remained silent, out of fear of losing jobs, finances, position, respect, or friends. We must understand however that if we don't speak out now, we will lose far more than jobs, finances,

and friends. We will lose our very humanity and become programmed slaves without the ability to think or feel independently. So what can we do? The most important is to inform our fellow humans, even though they may resist fiercely at first because their minds are so brainwashed by the propaganda. The initial rejection of truth should not discourage us, but we must resort to all possible means to awaken the entire world. It's only because of the ignorance of the population that this criminal network can reign on the earth. Now there is however an unprecedented awakening happening and all of us have the duty to do all we can, to fan the flames of this awakening.

Everybody can print out this report in many copies and distribute it to our local law enforcement, school directors and teachers, medical personnel, friends, and neighbors.

We can all upload this PDF to an **online printing service** and have thousands of copies made, that we hand out in our community. All of us can send this report as an email attachment to all our contacts, and people in authority. There is no excuse for any one of us, to do nothing. We need to inform the world. We have to rise and do what we can. We must spread the truth far and wide. That takes effort. Please don't sit down and complain, but rise and take action. This report is made with great effort, to be a tool for awakening the world. *Please use it.*

More information can be found at StopWorldControl.com. Make sure to sign up or the emails, to be informed and empowered, so you can defend your life, freedom and future.

DETOX FROM THE SHOTS

IS THERE HOPE FOR THE VACCINATED?

Stop World Control is investigating proposed solutions to detox from the covid vaccines. We have found several options that are promising, and we hope to release a **Vaccine Detox Guide** soon. Sadly not every damage done by the mRNA shots will be able to be undone, like the altering of the DNA. That is a switch that cannot be reversed. There are however methods to get rid of the nanotech in your body, kill the living organisms that are being injected, remove the spike proteins, etc. As vaccinations continue, and different pathogens will be released, we will keep researching for any new solutions that will become available. Sign up for the emails of Stop World Control to stay updated on this research. *If you know of working solutions to detox from these injections, please email us at network@stopworldcontrol.com*

• FINAL SUMMARY •

The data shows that millions may have died already from the covid injections, and hundreds of millions suffer serious side effects. This is just the short term destruction. The real devastation comes after a few years.

There is graphene oxide in the vaccines, which is the perfect conductor for 5G, and also the best substance for brain manipulation. The Chilean president said that 5G will insert thoughts and feelings into everyone. Klaus Schwab adds that humanity will be lifted into one and the same consciousness. This reveals an agenda of total mind control. The Australian government calls the covid tyranny the New World Order.

All this is based on worldwide fraud of inflating covid numbers, relabeling every death as covid, a PCR test that produces false positives, media scare mongering, and government propaganda. The criminal network who is behind all this, has been buying the entire health industry, they direct the World Health Organization, they own all mainstream media, and control most governments. They suppress every treatment for covid, so the world would think a vaccine is the only way out.

Their power lies in the fact that they operate in the shadows, so the public has no clue about their existence. The solution is exposing them. Once enough people in the world - especially law enforcement, health care workers, school teachers, judges, and local authorities - understand what is going on, the plans of the wicked will fail. Mass awakening will result in mass non-compliance.

Although most of the judicial system is corrupt, lawyers need to become brave warriors to present all the evidence for this crime, and start prosecuting all who are complicit. There still remain honest judges, who can turn the tide.

This can become the greatest awakening of all time, if we all rise up, share truth, and unify as one humanity against these criminals.

Dear Dr. Nancy Williams, Health Officer

As the Health Officer of the El Dorado County Public Health Services, you can no longer be complicit in your actions. The individual registered mail notice will follow on Wednesday the 10th of November. I may further edit and change this notice prior to notarizing and mailing.

Act now and protect the People of El Dorado County's freedoms, property, and rights for whom you serve.

See Attached Exhibits

Notice to the El Dorado County Office of Education imposing illegal emergency mandates on students, parents, and employees, created under the authority and the power of the People

Demand for CORRECTION and INVESTIGATION by the STATE OF CALIFORNIA

Name of Government Company: El Dorado County Public Health Services

Address of Company: 931 Spring Street, Placerville, CA 95667

Name (Man giving Notice): James Russell Rodda

Notice

Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent

This document is being given as notice for all employers and corporations of any type that are enforcing mandates, social distancing between family members, or other rules that interfere with the free exercise of use or expression of religion in the County of El Dorado. After this notice is given, it is the responsibility of all employees and people working for this establishment to look deeper into the law so that they may provide due care to any of the members reserving their rights based on the declarations of the membership association they are a part of or as private people.

No claim of an "emergency" or "executive orders" or "health orders" or "city ordinances" excuses you from violating the laws set forth in this notice. All 50 states and their executive, legislative and judicial offices are governmental municipal corporations as evidenced by their Dun and Bradstreet credit profiles, reports, and D-U-N-S numbers. A municipal corporation MUST have an express agreement with the people to do business with them. For such an agreement to be valid, the consent of the people must be acquired. If the State claims to be a constitutionally created state operating according to the constitution, all officers must have a filed oath of office to support and defend the Constitution which bars them from imposing state mandates on the people. Either the state is acting as a municipal corporation or a constitutional government forcing mandates on the people which is both unconstitutional as well as treasonous by law. However, the State must follow their own laws as they were drafted to govern their operation, not the private lives and rights of the People.

It is the right of the people to frequently teach the government officials and their agents that we may keep a free government. By denying employment to an employee who is not wearing a mask, has not received the Emergency Use Authorized COVID shot or refuses Emergency Use Authorized PCR testing for either medical or religious reasons, YOU

ARE IN VIOLATION of at least six federal laws and seven California state laws. Any violation of the following laws WILL BE REPORTED to the appropriate authorities:

U.S. FEDERAL LAWS

1. U.S. Constitution, Article VI clause 2

"This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made ... shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

The Constitution and all treaties made including human rights treaties are the supreme law of the land. Any laws repugnant to the Constitution and treaties made are null and void on their face.

2. U.S. Constitution, Article 1, Section 8, Clause 17

"To exercise exclusive Legislation in all Cases whatsoever over such District (not exceeding ten Miles square) ... and to exercise like Authority over all Places purchased by the Consent of the Legislature of the State in which the Same shall be, for the Erection of Forts, Magazines, Arsenals, dock-Yards, and other needful Buildings;"

The employee is a non-citizen national of the United States of America. Congress does not have the power to exclusively legislate laws for the United States of America which is comprised of the 50 sovereign states. A non-citizen national is not a federal 14th amendment citizen and is therefore immune from federal legislative acts.

3. U.S. Constitution, Article 1, Section 8, Clause 3

"Congress Shall Have Power ... to regulate Commerce with foreign Nations, and among the several States, and with the Indian Tribes ... " The people created the United States Constitution as well as the State Constitutions. Giving power to governments to allow for the establishment of entities in commerce that would use the peoples roads and at times carry passengers or products in order to build wealth that was outside of the individual rights of men and women handling their own private affairs. Because you are working by privilege and are in use of the power of the people, you are not allowed to restrict access of the people to full use and service of your establishment. See below.

Public Law 88-352, Sec. 201 (a) "All persons shall be entitled to the full and equal enjoyment of the goods, services, facilities, privileges, advantages, and accommodations of any place of public accommodation, as defined in this section, without discrimination or segregation on the ground of race, color, religion, or national origin in."

4. U.S. Constitution, 4th Amendment, Right to Privacy

Forcing a person to wear a mask or receive an Emergency Use Authorized shot without their consent is a violation of the 4th Amendment. Further, gathering vital statistics such as taking one's temperature is a violation of a person's right to privacy. Violation of this protection will result in your actions being reported to the U.S. Department of Justice, which is required by law to investigate Civil Rights Violations. No law is valid or lawful that violates the Constitution. No health order, emergency order, state of emergency, municipal ordinance, or company policy may suspend or violate the Constitution, period.

5. U.S. Title 52, Civil Rights Act of 1964: Unlawful to Discriminate in place of Public Accommodations

Your business establishment is legally defined as a place of "public accommodation" (even as a private business) and as such you may not prohibit entry or employment by discriminating against someone for their medical condition, disability, or religious views. If someone is unable or unwilling to wear a mask or receive an Emergency Use Authorized shot for one of those reasons you may not prohibit their entry, nor may you file a charge of trespassing because of their legally protected status. Just as you would not be able to deny employment to someone based on their skin color, you may not deny employment to someone based on their bare face.

6. U.S. Title 42, Section 12101: Unlawful to Deny Entry (and Employment) to Persons with Disability or perceived medical condition (ADA)

Your business establishment is legally defined as a place of "public accommodation" and as such, you may not prohibit entry by discriminating against someone for their medical condition or disability. If someone is unable or unwilling to wear a mask for one of those reasons you may not prohibit their entry, nor may you file a charge of trespassing because of their legally protected status. Just as you would not be able to deny entry to someone in a wheelchair, you may not deny entry to someone not wearing a mask. Having someone else shop for them, or requiring curbside delivery is NOT

a reasonable accommodation, as it denies the "full enjoyment and equal access to facilities, services and accommodations," as REQUIRED BY LAW.

7. U.S. Americans with Disabilities Act: Unlawful to Deny Entry (and Employment) to Persons with Disability or perceived medical condition

Your business establishment is legally defined as a place of "public accommodation" and as such, you may not prohibit entry or employment by discriminating against someone for their medical condition or disability. If someone is unable or unwilling to wear a mask or receive an emergency authorized shot for one of those reasons you may not prohibit their entry, nor may you file a charge of trespassing because of their legally protected status. Just as you would not be able to deny entry or employment to someone in a wheelchair, you may not deny entry to someone not wearing a mask or who has received an Emergency Use Authorized shot.

8. 21 U.S. Code § 360bbb-3: Authorization for Medical products for Use in Emergencies

No Emergency Use Authorized medical devices can be mandated, this includes, but is not limited to, all COVID-19 shots, all masks and other forms of face covering, and PCR testing. Instead, the option to accept or refuse all products is required.

CALIFORNIA STATE LAWS

1. California Constitution, Article 1, Section 1

All people are by nature free and independent and have inalienable rights. Among these are enjoying and defending life and liberty, acquiring, possessing and protecting property, and pursuing and obtaining safety, happiness, and privacy. Therefore, attempting to deny an employee from acquiring and maintaining equal employment treatment as other employees, as they have a right to enjoy, is unlawful and a violation of Constitutional liberties in California.

2. California Constitution, Article 1, Section 2

Every person may freely speak. A law may not restrain or abridge livery of speech. (Muzzling one's face with a muzzle does not allow for one to freely speak, and it abridges freedom of speech). Therefore, denying employment due to an employee or person not wearing a mask (regardless of having received an Emergency Use Authorized COVID-19 shot) is a violation of the California Constitution.

3. California Constitution, Article 1, Section 4

Free exercise and enjoyment of religious expression without discrimination. If covering one's face or receiving an Emergency Use Authorized shot intrudes on the religious expression of an individual, that right to religious expression may not be denied.

4. California Business and Professions Code 2052: Practicing medicine without a license

Requiring someone to wear a mask or receive an Emergency Use Authorized shot is a medical intervention. Unless you are a licensed medical professional, you have no authority to recommend such a practice. Further, a surgical mask and all COVID-19 shots are designated by the FDA as a "medical device." You have no legal authority, responsibility, or liability to require that of either your customers or your employees. No "emergency order" supersedes established law. Any "health order" related to mask-wearing or shot-receiving is unlawful and unenforceable by law.

5. California Penal Code 538(d) PC: Impersonating a peace officer

You are not a law enforcement officer and have no authority to enforce any law or order. Impersonating a law enforcement officer is a crime in this state under California Penal Code 538(d) PC. This violation carries the penalty of one year in jail and a \$2,000 fine. You will be reported to authorities for this violation.

6. California Civil Code 51: Free and Equal Access to Public Accommodations

Your business establishment is legally defined as a place of "public accommodation" and as such, you may not prohibit entry or employment by discriminating against someone for their medical condition, disability, or religious views. If someone is unable or unwilling to wear a mask for one of those reasons you may not prohibit their entry, nor may you

file a charge of trespassing because of their legally protected status. Just as you would not be able to deny entry or employment to someone wearing a turban, you may not deny entry or employment to someone not wearing a mask.

7. California Civil Code 52.1: Tom Bane Act protects personal rights and carries a \$25,000 fine for each violation

If any person interferes with threat, intimidation or coercion with the exercise or enjoyment of an individual's rights secured by the Constitution of the United States or the Constitution of California, the Attorney General or any district attorney or city attorney may bring a civil action or injunction in order to protect the peaceable exercise or enjoyment of the rights secured. **A civil penalty of \$25,000 may be assessed against EACH PERSON VIOLATING THESE RIGHTS. Further, an individual may also institute and prosecute a civil case for damages.**

The people realize, the "person" in this statute is one of those acting as government personnel, and this statute does not and cannot apply to the people, who are in the private sector. Now that the people, our servants, and our corporations have an understanding, the following penalties will be assessed if you wish to infringe upon the people's right to be free:

Please notice as a man or woman working within a corporation, you function by the permission of the people and the law that governs your company or employment facilities. This Private Member (We the People, man or woman) has the right to choose not to wear a mask or receive vaccines, submit to, or accept any tags or labels in order to be able to buy, sell, work, study or receive services. If you, or any of your employees or officers, wish to prevent the use of any of your facilities or to intervene with full accommodation, including the forced wearing of any garments or mask, this member agrees to not use your facility for \$10,000 per incident and that man or woman reserves the right to use representation of his or her choice after serving an affidavit, to exclusively hear the matter. Furthermore, it is the intention of this member to bring forth an investigation, by the legislature of California, to regulate your affairs and correct any unlawful behavior or any limitations on the rights of the people.

I am requesting that you dismiss the lawsuits against Danette's Brick Oven Pub and The Apple Café and any other businesses in El Dorado County that you are planning to file against.

The mandates are not law. They are unconstitutional and threaten not only our economic freedoms, but our freedoms as citizens of The United States of America.

It is your responsibility to stand up for the rights and freedoms of all citizens within our county and not cave to political pressures that threaten our freedoms.

Shutting down businesses is basically putting the final nails in the coffin. We will lose businesses due to your unethical and unconstitutional actions and/or businesses choosing to move to a county where they can conduct business freely. We will lose revenue within our county.

Do the right thing and stand up for our freedoms.

Dear Board of Supervisors,

“Sovereignty is not given, it is taken.”
– Mustafa Kemal Atatürk

Our natural, God given body rights and sovereignty are not something we should ask our government to give us. We are born with these rights and as parents we are responsible for our own decisions deemed best for our family health.

Here is data from VAERS reported for SERIOUS reactions and illness created from the COVID 19 Vaccines within the past 7 days. This is for children and adults up to age 29. Out of 506 rep of age. This is compelling information for me and my family. We believe it is NOT worth the risk. Our children and grandchildren are not guinea pigs! We have God given immunity and have p family.

Please support medical freedom and the right to choose. Please vote YES.

11-16-21 Board of Supervisors Agenda, Comments regarding #38 Legistar #21-1698 regarding ADU amendments to the Zoning Ordinance – submitted by Sue Taylor

First, I would like to file a complaint in how the County has dismissed the public in creating this ordinance. After the Planning staff told the Planning Commission that they had spent 2 years internally working on this they therefore did not need to spend anymore time given that they had gone over everything they felt they needed to internally within various departments.

I happen to fall across this item by chance with a quick review of the agenda, and was surprised that this item was on the agenda without there being any publicity about the changes. I ended up staying up all night so I could send in comments. This was difficult since the County did not have a matrix to show the changes that were made nor did the County create a path to show how they came up with making the changes (showing which changes went with which section of the state law would have been helpful).

Including myself there were only 3 members of the public that weighed in and each one asked for more time to review such a major change to our zoning codes. Since the Planning Commission approved this item, without addressing many of the issues that were brought forth, they made statements that things could get fixed later, and one Commissioner spent his commenting time ridiculing the public, apparently, they did not feel the need for public input or involvement.

After this item was approved at the Planning Commission, I sent an email to the Board of Supervisors asking that they send it back to the Planning Commission for review since there was misinformation presented (I'm assuming unintentional), no regard given to putting safeguards into the ordinance - as is allowed and required by the State Code, and no public participation in the creation of the ordinance. Neither the Planning Commission or the Board has acted or responded to any of my requests, except for Supervisor Parlin who did ask me for more clarification.

So not having the privilege of spending 2 years on this ordinance as the County has, I have done my best to point out issues within the ordinance and ask once again that the ordinance be returned to the Planning Commission, giving time enough to notice the item, for a workshop with the public. A vetted ordinance will be a much better ordinance and one full of issues.

Issues with the Ordinance:

First, I would like to draw the County's attention that 65852.2 does not become operative until 2025. So why are we doing this now? (Operative Definition: "functioning or having effect.")

"(o) This section shall become operative on January 1, 2025.
(Amended (as added by Stats. 2019, Ch. 659, Sec. 2.5) by Stats. 2020, Ch. 198, Sec. 4.5. (AB 3182) Effective January 1, 2021. Section operative January 1, 2025, by its own provisions.)"

Per State Code 65852.2: "(a) (1) A local agency may, by ordinance, provide for the creation of accessory dwelling units in areas zoned to allow single-family or multifamily dwelling residential use.

The ordinance shall do all of the following:

- (A) Designate areas within the jurisdiction of the local agency where accessory dwelling units may be permitted. The designation of areas may be based on the adequacy of water and sewer services and the impact of accessory dwelling units on traffic flow and public safety. A local agency that does not provide water or sewer services shall consult with the local water or sewer service provider regarding the adequacy of water and sewer services **before designating an area where accessory dwelling units may be permitted."**

Did the County consult with EID and are their areas that should be exempt due to being outside of the EID District and/or parcels on septic? The County has requirements relating to size of septic tanks and number of bedrooms that I don't see where that is addressed. If another septic tank is needed for the extra bedrooms, each tank needs have two leach fields on the site. Can that be accommodated throughout the County?

At the 10/14/21 Planning Commission Meeting, I asked the Commission and the Planning Staff to step back and evaluate the places that State Code 65852.2 can be applied. Instead Planning approved that the amendments to ADU's will apply "**throughout the County**", (see below) even though **State law requires the County** to check for sewer and water services "before designating an area where accessory dwelling units may be permitted". The law also allows the County to limit placement based on where ADU's would impact traffic flow and public safety. The law also requires the County to "impose standards on accessory dwelling units that include, but are not limited to, parking, height, setback, landscape, architectural review,, and standards that prevent adverse impacts on any real property that is listed in the California Register of Historic Resources". Requiring standards to be applied has been done for an area within Meyers, but not for the rest of the County. The County has copied these words into the ordinance, but where has the work been done that shows setbacks for fire safety, how architectural review will take place for areas without any design criteria, and how adverse impacts will be avoided for Historic Resources?

Per the County:

This project is exempt as set forth in Section 21080.17 of the Public Resources Code (Statutory Exemption 15282(h) to implement the provisions of Sections 65852.2 and 65852.22 of the Government Code by adopting an ordinance addressing accessory dwelling units **in single-family and multifamily residential zones**. If the county wants to be exact to the code this should state, "by adopting

an ordinance to provide for the creation of accessory dwelling units in areas zoned to allow single-family or multifamily dwelling residential use.”

This is much different than allowing just in the single family and multifamily residential zone districts. Also stating that this policy is exempt as set forth in Section 21080.17 is a bit confusing since PUBLIC RESOURCES CODE - 21080.17 states: “This division does not apply to the adoption of an ordinance by a city or county to implement the provisions of Section 65852.1 or Section 65852.2 of the Government Code. (Added by Stats. 1983, Ch. 1013, Sec. 10. Effective September 22, 1983.)” Perhaps this is another item that should be cleared up by the State.

Per the County: “This project consists of comprehensive minor amendments to the County’s Zoning Code (Title 130) to update code sections applicable to secondary dwellings, now Accessory Dwelling Units (ADUs), for consistency with changes in state law. The amendments to the **ADU Ordinance will apply throughout the County.**”

Per Staff report, “Minor amendments can be approved by CAO’s office. Front and center these policy changes are not “minor amendments”, considering how this new ordinance will be impacting the density of growth in our county. That density was already greatly altered when the County revised the Floor Area Ratio .25 to .85 on Commercial, Research and Development, and Industrial properties. This increased the County’s build out from 24 million square feet to 84 million sq. ft. The Environmental Impact Report (EIR) for revising the Floor Area Ratio stated that adopting this amendment would add 26 significant and unavoidable impacts with no feasible mitigation measures that the Board of Supervisors (BOS) could adopt. Therefore, the BOS stated that the economic, legal, social, technological benefits outweighed the unavoidable environmental impacts, even though at build out, El Dorado County does not have the water to sustain this growth. This was adopted on 7/10/07.

Soon after the County, with a negative declaration did a rewrite of the County’s mixed use policy which included; authority of the Board to reduce the required 30% open space, increase of Dwelling Units from 10 to 16, commercial no longer to be the primary use, residential and commercial do not have to be built at the same time, a single site may include contiguous properties, residential can be on a separate parcel from commercial and can be single or multi-family, zero line setbacks, “by right” with planned development overlay. Taken out of the ordinance is; standard lot area and width, design review, coordination between projects, infrastructure, and open and public spaces.

The next blow was to remove Agricultural buffers, allowing more density adjacent to Ag properties. This was done by merely “reinterpreting” the General Plan. Next was the 2015 overhaul of the General Plan which again increased the density of the County, still without implementing protection policies that were promised in the 2004 General Plan. If the County did not have the water resources

when they increased the FAR in 2007 how does the County have the water resources now? Merely acquiring water rights without evaluating actual supply and demand along with the El Doraodo Irrigation's policy to not consider already promised water to already approved projects when giving out more water approval letters, the cumulative effects of these changes to the General Plan has already compromised the plan to where it is no longer valid. And now again the County is once again increasing density to possibly 3 times more in growth than already increased over the years. Always without taking seriously the other elements and health and safety measures required in the General Plan and within Government Code 65852.2 (A) & (C).

From the County's Summary of the Ordinance:

"10) add development standards for conversion of all or a portion of a legally permitted accessory structure to an ADU;" *The County has not address adequate development standards in order to ensure health and life safety to the inhabitants of these structures.*

"11) add minimum setback requirements of four feet with exceptions for fire and safety, public utility or drainage easements, or other recorded easements;"

Since the majority of the County is within a State Responsibility Area the 30 feet setback rule should be the requirement and not the exception. I had asked the Planning Commission to consider addressing this with the State and the Staff did not respond to my suggestion but rather spent quite a bit of time stating why they could not communicate with the State. The following is within the State Code:

Title 14. Natural Resources
Division 1.5. Department of Forestry and Fire Protection
Chapter 7. Fire Protection [FNA2]
Subchapter 2. **SRA/Vhfhsv Fire Safe Regulations**

- (a) **All parcels shall provide a minimum thirty (30) foot setback for all buildings from all property lines and/or the center of a road.**
- (b) When a thirty (30) foot setback is not possible for practical reasons, which may include but are not limited to parcel dimensions or size, topographic limitations, or other easements, **the local jurisdiction shall provide for same practical effect.**
- (i) Same practical effect requirements shall reduce the likelihood of home-to-home ignition.

(ii) Same practical effect options may include, but are not limited to, noncombustible block walls or fences; five (5) feet of noncombustible material horizontally around the structure; installing hardscape landscaping or reducing exposed windows on the side of the structure with a less than thirty (30) foot setback; or additional structure hardening such as those required in the California Building Code, California Code of Regulations title 24, part 2, Chapter 7A.

(c) Structures constructed in the SRA are required to comply with the defensible space regulations in Title 14. Natural Resources Division 1.5. Department of Forestry and Fire Protection Chapter 7. Fire Protection Subchapter 3. Fire Hazard.

Chapter 7. Fire Protection [FNA2]
Subchapter 2. SRA/Vhfhsv Fire Safe Regulations
Article 1. Administration

14 CCR § 1271.00
§ 1271.00. Definitions

Same Practical Effect: As used in this subchapter, means an exception or alternative with the capability of applying accepted wildland fire suppression strategies and tactics, and provisions for fire fighter safety, including:

- (a) access for emergency wildland fire equipment,
- (b) safe civilian evacuation,
- (c) signing that avoids delays in emergency equipment response,
- (d) available and accessible water to effectively attack wildfire or defend a structure from wildfire, and
- (e) fuel modification sufficient for civilian and fire fighter safety.

Shoulder: Vehicular access adjacent to the traffic lane.

For protection of the inhabitants of the County the State fire regulations should be considered and implemented within the new ordinance. I have also attached a letter from the State Board of Forestry and Fire Protection in which they requested the County consider fire safety when the County adopted the TGPA/ZOU. The County chose to ignore the State's request and therefore these issues have not yet been mitigated. Per the State and our County General Plan dwelling units should have never been allowed on TPZ and thus ADUs should not be allowed on TPZ even with a CUP.

14) add subsection to allow for one ADU and one junior ADU per lot under certain conditions; What are those certain conditions? It would be helpful if those were listed. The ordinance also states that these new policies "will apply throughout the county". Rather than these general statements there should have been more specific regulations within specific areas.

17) add subsection "e" to allow for ADUs in multi-family or mixed-use zones; If these policies are being put into the mixed-use zone (which is commercial zoned properties), then the mixed-use ordinance must be amended in order to protect the commercial element of the General Plan. The County all but gutted the mixed-use ordinance for commercial uses soon after the voters approved the General Plan in 2004. In order to protect our commercial properties, the mixed-use policies from the 2004 approvals must be restored.

20) revise parking requirements to one per ADU and allow for parking in setback areas, if feasible; 21) add provisions when no replacement parking is required due to conversion of parking structures to ADUs and other exceptions to parking requirements (Article 4, Subsection 130.40.300.4 – Parking);

There should be major concerns with reduction of parking requirements. The State thinks that everyone is going to stop driving cars and rely more on buses, bicycles and walking. That is not a reality in our spread-out rural lands where there are no longer job opportunities, therefore driving into job centers is a necessity. After stacking up the parcel with compacted housing, cars will end up in the street where there are no sidewalks or shoulders. Cars on the streets will cause a problem when these more compacted residents are once again needing to retreat out of their compacted subdivisions in the forest areas due to wildfires. The County needs to make sure that off street parking is still required in high fire areas and along roads without the required widths for fire egress.

Regarding Meyers:

3) add ADU as an allowed use in the Meyers Area Plan (MAP) for MAP-1 and MAP-3 zones; 4) revise MAP-3 Zone (Res/T) to remove limitation of second unit **only on parcels greater than one acre**; 5) **add language to clarify Design Review exclusions for ADUs in MAP Zones**;

How can the one-acre policy and other exclusions be limitations for Meyers only and not the rest of the county?

Why are some map areas of Meyers excluded from the ordinance? As added to the Meyers plan, this approval will be reviewed for consistency with the "Meyers Design Standards and Guidelines". This gives Meyer's protection not afforded to the rest of the County because Meyers is fortunate enough that the County established those

safety measures (Standards and Guidelines) prior to approving these ADU global policies being proposed.

“Any new development, additions to existing development, change in use, or exterior modifications to existing development shall be reviewed for consistency with the Meyers Design Standards and Guidelines, and subject to a Design Review Permit in compliance with Section 130.52.030 (Design Review Permit) in Article 5 (Planning Permit Processing) of this Title.”

Re: Agricultural

The County’s intent of this ordinance is to allow this in the residential zoned parcels but by applying this in the Agricultural Preserves and Zones, this ordinance destroys the protections between residential and agricultural uses that was promised and is embedded in the 2004 voter approved General Plan. The State does give policies to retain these protections. The buffers and development standards being taken out of Section 10 should be restored:

Section 10. Section 130.40.060 entitled “Agricultural Preserves and Zones: Contracts, Criteria and Regulations” subsection C.3 is amended as set forth below:

3. **Residential Development.** In addition to a primary dwelling, one ~~secondary~~ accessory dwelling unit ~~may shall~~ be allowed within a Preserve, ~~by Administrative Permit approval in compliance with Section 130.52.010 (Administrative Permit, Relief, or Waiver) in Article 5 (Planning Permit Processing) of this Title, providing all of the following findings regarding the secondary accessory dwelling unit can be made:~~
 - a. ~~It complies with all other zone setbacks and development standards, including agricultural buffer setbacks, if applicable;~~
 - b. ~~It is consistent with the terms of the applicable Agricultural Preserve Contract, and is incidental to the agricultural use of the land;~~
 - c. ~~It is consistent with the principles of compatibility in compliance with California Government Code Section 51238.1(a), as determined by the Ag Commission;~~

Section 13 needs some standards applied before stating that ADUs can be permanently placed in ALL zones and wherever there is a dwelling unit:

Section 13. Section 130.40.190 entitled “Mobile/Manufactured Homes” subsection B.1 is amended as set forth below:

B. Permit Requirements.

1. **Residential Dwellings.** In all zones ~~which that~~ permit detached, single-unit residential ~~or multi-family~~ dwellings by right, the permanent placement of ~~a mobile/homes~~ manufactured homes as primary and/or ~~secondary~~ accessory dwellings ~~unit shall be allowed shall be allowed by right.~~

In Section 15 why is the county adopting policies less restrictive than the requirements set forth in State law? The state law is hardly restrictive at all.

Re: Setbacks:

The County fails to consider this section of 65852.2: "(iii) The side and rear setbacks are sufficient for fire and safety."

Per State law: Provide that accessory dwelling units do not exceed the allowable density for the lot upon which the accessory dwelling unit is located, and that accessory dwelling units are a residential use that is consistent with the existing general plan and zoning designation for the lot. **How is this policy being implemented?**

(v) The total floor area for a detached accessory dwelling unit shall not exceed 1,200 square feet. **Why has the County stated that if there is a 2000 sq. ft. barn it can be converted to a 2000 sq. ft. ADU when there is this policy?**

Per 65852.2: The permitting agency shall act on the application to create an accessory dwelling unit or a junior accessory dwelling unit within 60 days from the date the local agency receives a completed application if there is an existing single-family or multifamily dwelling on the lot. If the permit application to create an accessory dwelling unit or a junior accessory dwelling unit is submitted with a permit application to create a new single-family dwelling on the lot, the permitting agency may delay acting on the permit application for the accessory dwelling unit or the junior accessory dwelling unit until the permitting agency acts on the permit application to create the new single-family dwelling, but the application to create the accessory dwelling unit or junior accessory dwelling unit shall be considered without discretionary review or hearing. If the applicant requests a delay, the 60-day time period shall be tolled for the period of the delay. **If the local agency has not acted upon the completed application within 60 days, the application shall be deemed approved. [Prior to approving this ordinance, the county must revise their policy on when an application is deemed complete.]** A local agency may charge a fee to reimburse it for costs incurred to implement this paragraph, including the costs of adopting or amending any ordinance that provides for the creation of an accessory dwelling unit.

These are just a few of the issues that I have come across in my short time with this proposed ordinance. Again, I will ask the Board of Supervisors to request that this ordinance be vetted once more at the Planning Commission level with a workshop in order for the public to engage in the process.

Thank you for your consideration,

Sue Taylor

RE: Targeted General Plan Amendment and Zoning Ordinance Update; SCH #2012052074

Dear Ms. Purvines:

The California State Board of Forestry and Fire Protection (Board) would like to issue comment on the scope and contents of the Targeted General Plan Amendment and Zoning Ordinance Update, specifically the Public Health, Safety, and Noise Element, and its accompanying Draft Environmental Impact Report.

This updated Public Health, Safety, and Noise Element is missing key information mandated in Government Code §65302(g)(1) and 65302(g)(3). See bolded/italicized language below.

§65302(g)(1) reads:

A safety element for the protection of the community from any unreasonable risks associated with the effects of seismically induced surface rupture, ground shaking, ground failure, tsunami, seiche, and dam failure; slope instability leading to mudslides and landslides; subsidence; liquefaction; and other seismic hazards identified pursuant to Chapter 7.8 (commencing with Section 2690) of Division 2 of the Public Resources Code, and other geologic hazards known to the legislative body; flooding; and wildland and urban fires. ***The safety element shall include mapping of known seismic and other geologic hazards. It shall also address evacuation routes, military installations, peakload water supply requirements, and minimum road widths and clearances around structures, as those items relate to identified fire and geologic hazards.***

§65302(g)(3):

Upon the next revision of the housing element on or after January 1, 2014, the safety element shall be reviewed and updated as necessary to address the risk of fire for land classified as state responsibility areas, as defined in Section 4102 of the Public Resources Code, and land classified as very high fire hazard severity zones, as defined in Section 51177. This review shall consider the advice included in the Office of Planning and Research's most recent publication of "Fire Hazard Planning, General Technical Advice Series" and shall also include all of the following:

(A) Information regarding fire hazards, including, but not limited to, all of the following:

- (i) Fire hazard severity zone maps available from the Department of Forestry and Fire Protection.**
- (ii) Any historical data on wildfires available from local agencies or a reference to where the data can be found.**
- (iii) Information about wildfire hazard areas that may be available from the United States Geological Survey.**
- (iv) General location and distribution of existing and planned uses of land in very high fire hazard severity zones and in state responsibility areas...**
- (v) Local, state, and federal agencies with responsibility for fire protection, including special districts and local offices of emergency services.**

(B) A set of goals, policies, and objectives based on the information identified pursuant to subparagraph (A) for the protection of the community from the unreasonable risk of wildfire.

(C) A set of feasible implementation measures designed to carry out the goals, policies, and objectives based on the information identified pursuant to subparagraph (B) including, but not limited to, all of the following:

- (i) Avoiding or minimizing the wildfire hazards associated with new uses of land.**
- (ii) Locating, when feasible, new essential public facilities outside of high fire risk areas...**
- (iii) Designing adequate infrastructure if a new development is located in a state responsibility area or in a very high fire hazard severity zone, including safe access for emergency response vehicles, visible street signs, and water supplies for structural fire suppression.**
- (iv) Working cooperatively with public agencies with responsibility for fire protection.**

(D) If a city or county has adopted a fire safety plan or document separate from the general plan, an attachment of, or reference to, a city or county's adopted fire safety plan or document that fulfills commensurate goals and objectives and contains information required pursuant to this paragraph.

This updated Public Health, Safety, and Noise Element should include:

- Fire hazard severity maps
- Historical information about wildfires in the planning area
- A discussion of planned and existing land uses in or near very high fire hazard severity zones and/or state responsibility areas (SRA)
- Implementation measures as described above in §65302(g)(3)(C)

In particular, the Board of Forestry and Fire Protection is concerned about plans to provide for adequate ingress and egress to developed land in high or very high fire hazard severity zones (H/VHFHSZ), as

well as changes in land use designations that may support population growth in those zones. The expansion of Commercial uses into Community Regions and Rural Centers, the increase in density in residential or mix-use land use designations, and the overall emphasis on expanded development and more intense residential use in the Targeted General Plan will put more residents into high or very high fire hazard severity zones.

Although the DEIR states, on page 3-2 "...none of the proposed changes in the General Plan policy or Zoning Ordinance regulations would substantively change projected population, change the amount of housing designated in the General Plan, or expand areas to be developed...", the Board would like to express concern that fire safety is not addressed adequately for the proposed increase in allowable densities. Without updating the Public Health, Safety, and Noise Element to meet the above Government Code sections and to include fire safe mitigations for communities affected by this update, this proposed TGPA-ZOU exposes people or structures to a significant risk of loss, injury, or death from wildland fires. This is contrary to the DEIR, page 2-19 "less than significant impacts" finding on question VIII (h).

The Board encourages El Dorado County to continue collaboration and cooperation with the Board and CAL FIRE Amador-El Dorado Unit through the Draft EIR and TGPA-ZOU adoption process. Thank you for your work to reduce the fire risk to residential and commercial development in the County.

Sincerely,

Edith Hannigan

To the Board of Supervisors of El Dorado County:
from: Roger W. Klemm, Mt. Aukum, CA 95684

Dear Supervisors,

I am writing to you to express my opposition to the resolution put forward by Supervisor Turnboo, regarding removal of vaccine mandates in the County.

First, I am writing to you at an age where I remember a grammar school classmate who contracted polio at a young age. The rest of us fortunately received a vaccine to prevent our getting that virus. Due to the widespread use of the polio vaccine - today the disease is virtually non-existent in the USA.

The resolution is backwards thinking in many ways:

One: It compels the Board to oppose vaccine mandates entirely. That means all vaccines as stated in the resolution. That is just wrong. For example, it is opposing flu shots...remember your childhood shots for mumps, measles and rubella? Those diseases are also gone, thanks to vaccines.

Two: The resolution states that individual and families get to choose to protect themselves, or not to protect themselves from Covid-19. Again, backwards logic. The vaccine is effective in reducing the spread of the disease, by reducing the number of hosts of the disease. The vaccine protects you, me and all of us. People that choose not to get the shots are selfishly denying my right to be protected.

If the Board approved this Resolution, it means that the Board is choosing to not protect me and the majority of this County. Accordingly, the Board has thus violated our trust.

Three: Each of us, including the Board, understands that there are consequences for our actions, always. The State mandates vaccines for in-person learning. Fine. If a parent chooses to not have their child vaccinated - the consequence is remote at-home learning.

Section 3 of the Resolution, by prohibiting denial of unvaccinated children into the classroom, which is in direct violation of the State mandate, puts everyone at increased risk of exposure. That is both reckless and scary.

The Board of Supervisors was elected to represent everyone in the County, including people with divergent views. Prior bias should not be included in Board making decisions.

This Resolution will put County residents at increased risk. The Resolution will appease a small minority of extremist Right Wing folks at the expense of the majority of us. It is just flat wrong.

Sincerely,

A handwritten signature in black ink, appearing to read "Roger W. Klemm", with a long horizontal flourish extending to the right.

To the El Dorado County Board of Supervisors:

I am opposed to Resolution 145-2021 declaring the opposition to vaccine mandates for school children.

At age 66 I must say that I am eternally grateful to the pragmatism of my parents generation that facilitated immunization of children against polio and smallpox. I hoe you know that the majority of the citizens of this county expect to have public health guidelines supported by the Board.

I had raised my hand in the Zoom platform to speak today on a different issue. I am so sorry for the incivility of the members of the public that were in the boardroom. I applaud your patience. I will return to speak at another meeting in the future.

Hello Mr Turnboo,

I'm a local mother reaching out to ask for your help with the vaccine mandates. My husband and I are educated, tax paying, law abiding citizens of this county. We chose this beautiful county to raise our children in because we value so much of the liberty and freedom this great community embodies. Our four children are great students, strong athletes, good citizens and they want to continue to go to school in this great county. We will not be vaccinating them and if this mandate goes through we will be removing them from school and even possibly leaving this state. Mr Hidahl I know my children are being raised to be the citizens that will care for and make this county proud for years to come. Please help! Our pediatrician has specifically declined to give our children this vaccine and we trust him. Please allow parents the freedom to make medical decisions with our doctors, not the government.

Dear Ms. Parlin, Fellow District Supervisors and Concerned Members of Government,

—My husband and I would like to share our concerns. We live in Placerville and have a son who attends public school. Thank you for reading and listening. I have outlined a few key points we wanted to make.

—We are extremely concerned about the vaccine mandates that are being proposed for everyone, especially for children of any age in schools.
We are against these mandates.

— A fundamental of medical ethics is that people have the Right to choose or Refuse treatment. No one should be pressured, coerced, or fear reprisal for refusing treatment, including the Covid-19 vaccine.

—I am sure you are getting many emails and phone calls from concerned parents and community members. It is vital to note that many people who are concerned about these Covid 19 vaccines are NOT antivaxxers.

—If you start looking you will see there is only about 4 months of research data available on these vaccines. Complete research results from the vaccines won't even be available until 2025!! Why on earth would you mandate a vaccine that you don't even have long term research on?!!

—These mandates violate the Nuremburg **Code**, “The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, over-reaching, or other ulterior form of constraint or coercion, and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision.”

In light of just this point, how is this ethical or legal?!

—How much research have you had the chance to do? I urge you to PLEASE WATCH the video I am attaching.

This is a critical video hosted by Senator Ron Johnson on 11/2/2021. These are not conspiracy theorists. **This is a roundtable Discussion of doctors and medical researchers who have treated COVID-19 vaccine injuries and are researching the safety and efficacy of COVID-19 vaccines.** **Senator Johnson also talked with patients who have experienced adverse events due to the COVID-19 vaccine and discuss vaccine mandates.**

—I repeat these people are not anti vaxxers—most have had 98% of their required vaccines.

Dear board,

First off do NOT go forward with the lawsuit for Apple Bistro or Danette's Brick Oven Pub!

Today I want to talk about Money, Liberty and GOOD!

The Bible. Says that "the love of money is the root of all kinds of evil!": ~1~

I'd like to give you a list of millions, billions and trillions of dollars that has fed the evil covid-19 plot here and around the world !

The money that is being given away like candy all starts with the Rothschild family that is a member of the satanic Illuminati group of 13 families. ~2~ You see. Covid-19 is not necessarily a virus because it has never been isolated! ~3~ But, it is a spiritual battle of good vs Evil!

You see the Rothschilds own the World Bank. Which funds ours and 99% of the worlds privately owned Federal Reserve type banks and supplies all of our money. Based on debt by the way. Not gold or silver.~4~

Look at the top of a dollar bill and it will say it's a "Note." That is another word for a LOAN!~5,6,7~

All money is loaned to the United States government then it's given out to States, counties (like our County who received \$19,700,000 in just the first stimulus payment.) ~8~ hospitals (who are being paid extra for Covid diagnoses), school districts (like Mother Lode who has been paid \$3,600.000 in covid cash so far) ~9~ as well as other local agencies! Plus the media who just 1.5 billion dollars to scare the pants off the American people! ~10~

So when I mentioned it being a plot. This is what I mean.

The World Bank was purchasing covid-19 PCR tests in 2017 a full three years BEFORE covid was blown out of proportion in the media. ~11~

President Donald Trumps \$2.3 trillion CARES Act. and its legislation was started by congress in January 2019 a full year BEFORE covid was again blown wildly out of proportion in the media.

Then a leaked internal document from the World Bank shows that the World Bank will continue funding the covid-19 "Project" (as they call it) until March 31st 2025!~12~

Also back in 2017 and 2019. John Hopkins University was paid and partnered with the Bill & Melinda Gates Foundation to run 2 pandemic rehearsals called "SPARS Pandemic Scenario" and

"Event 201". ~13~

Then as the Coronavirus briefings from the White House and the media continued to scare everyone into staying home locked down.

The church's also closed and locked down!

Because they too had a opportunity to receive \$349 Billion in grant money. ~14~

Are you starting to understand how covid-19 is a spiritual battle? One as old as time itself. It's a battle to go good vs Evil. The church's had to be persuaded to close by Evil. So the people couldn't be reminded that they were given a PERFECT immune system by the Creator God who you Revere in the pledge of allegiance

But, you also stood at attention placed your hands over your hearts and pledged allegiance to LIBERTY!

So that is what I'm demanding you vote for today!! LIBERTY!

Pass the mandate Resolution regarding masks and the experimental GMO ~15~ filled Covid "vaccine" if that is coming in the near future here, like it has in other districts!

So I ask you to consider and remember. The mental and physical damage that has been caused during last year's satanic masking ritual.

And if the mysterious deaths, bleeding and miscarriages ~16~ are in fact attributed to the Graphene Oxide ~17~ in the vaccines being triggered by the 5G cell towers. (like the one that's being built behind the new County Health Department next to Walgreens , just thousand feet from this a school!). And as the 3 Pfizer clinical studies claim.

I am sure you board members would NOT want to be liable for promoting that evil! With or without personal liability insurance!

The line is in the sand!!
PLEASE stand on the side of GOOD !!

Regards,
Michael C. Mueller, DCCA,DSCE
and family

Dear Board of Supervisors,

As a long-time El Dorado County resident, I urge you to support and sign Resolution proposed by Mr. Turnboo rejecting mandatory vaccination against COVID-19 for school children and taking it further by rejecting nonsensical masking of our kids, while the adults (including top 1% and government officials) are going on with their lives without following the same practices. And you know that you are. And you know that this is wrong. This is nothing short of child abuse and there is no longer a medical emergency to justify ANY COVID-19 related mandates. However, the negative impacts on my own children with respect to their health and learning ability are becoming obvious with every passing week. One of my daughters is breaking out in a rash on her face from mask wearing and struggles to breath in a classroom. The other has troubles concentrating and hearing her teacher and as a result her education progress has slowed tremendously.

To date, there have been enough publicly available data that show (1) masks are not effective, (2) vaccines are not effective, (3) vaccines are not safe, (4) mandates ignore natural immunity, which is must more robust than from vaccination, and (5) healthy children are not at risk of COVID-19 and are not the spreaders of the virus. This is NOT misinformation - these are facts, hidden by government officials and mainstream media to continue on their mass vaccination campaign.

Here is one example: [25 Essential Studies that Raise Grave Doubts about COVID-19 Vaccine Mandates](#) * Brownstone Institute

Mandating a shot that has NOT been well studied for long-term side effects on kids (and adults) and where the pharmaceutical companies are NOT held liable for the adverse effects and deaths is simply illogical, unconstitutional, and inhumane.

It is well-understood that the flu is much more dangerous to children than COVID, yet we have not mandated flu vaccines at public schools. Why now? We know that the amount of side effects reported in VAERS from MRNA vaccines is 10 times all other vaccines combined over the last couple of decades. Yet, we continue to call these shots "safe"?

Listen to the voices of vaccine-injured adults and health care workers who report increase in heart attacks, neurological effects, and cancers since vaccines began to be administered. I personally have a co-worker, a male in his 20s, who is suffering from myocarditis after his first Moderna shot - again, this is NOT misinformation, these are facts. He does not have the same lifestyle as he used to after the shot. My heart hurts every time I check in on him as this could have been avoided. He just tried to do the "right thing"...

For others see: [Helping People Be Seen, Heard and Believed After Adverse Vaccine Reactions](#) - Ron... (senate.gov)

Listen to the parents who rightfully MUST have a choice on whether they want to impose this level of risk on their children. The "risk to benefit analysis" that impacts your family is NOT up to the State of California, Governor Newsom, the County Health Department, or the School Board to make a decision on. It must be up to each individual family.

With all this, I urge you to adopt this Resolution and to leave vaccination choice up to the parents in our community. I urge you to include language on removing mask mandates in our county schools, which so adversely impact our kids' learning progress. I urge you to press on the Governor to stop unconstitutional exercise of his power during a so-called "emergency". I urge you to recognize that there is not enough evidence on vaccine's safety or effectiveness to consciously take the liability for vaccinating children at the local, state or federal government level. I urge you to understand that our school districts and communities will be horribly disrupted because the majority is willing to exit the public education system altogether should mandates be enforced.

Thank you,

Alex Marcucci

I would like to thank all of you who are seated as our El Dorado County Board of Supervisors for your service. We look to you to protect the larger public interest, We look to you to act based not upon the loudest voice or the threat of recall or intimidation, but upon a careful analysis of how a measure will affect the entire community. We have elected you to make hard decisions. We have elected you to lead.

First of all, there is a resolution placed before you by Supervisor Turnboo. This resolution is highly irresponsible. It ignores the public good. We know from reports, the report from Texas being one of the most recent, that vaccinations save lives. There is a long history in schools of vaccines being required to keep our children, their families, and our teaching staff safe. For the Board to take a position based on a minority voice, without scientific data, is irresponsible and in direct conflict with the good of the community as a whole.

. In-person education should only be allowed when students are vaccinated, just as they must take vaccinations for measles, smallpox, polio and other diseases that have been designated a danger to public health.

Support of this resolution suggests that our County puts the personal wishes of some individuals above the rights of the community for a safe, healthy environment. I urge you to vote NO.

Secondly, we absolutely must support our public Schools. After a tumultuous and stressful year dealing with COVID in the schools this present protest against masks and vaccination is, unfortunately, an unfair burden on an already exhausted school system. The School Boards as well as the teachers and staff of our schools are composed of our friends and neighbors. We need to work with them and not make their job even more difficult than it already is.

Thus, support of portions of the the letter from the County office of Education and the School Superintendents to Governor Newsom is appropriate. Governor Newsom needs to make it clear that the authority over these mandates lies with the State and he should clearly inform the public as to how they can engage with the correct decision-makers.

I further agree that we request that the State identify what benchmarks must be met to end universal masking in classrooms.

In conclusion, your responsibility is to the entire community of El Dorado County. Keep us safe. Support the Schools. Continue to support the mask mandate and the vaccine mandate until it is no longer necessary.

Our community deserves a safe environment. We are counting on you.

Best wishes,
Mary Elliott-Klemm
