Auburn, CA 95602
Phone: (530) 268-9494

Org Code: 0620 20
Project String (if applicable): _____

Funding Source: Donations

CONTRACTING DEPARTMENT: CAO – Parks and Trails Division

Service Requested: Contractor to provide fabrication services to construct a pumper truck for the Rubicon Trail.

Description: The County is the responsible party based on the easement with the Forest Service and with the Central Valley Regional Water Quality Control Board for the Rubicon Trail. Several restrooms have been installed along the trail to abate water quality issues. The Parks Division was unsuccessful in locating a private company that is able or willing to service the bathrooms on the Rubicon Trail and the current volunteer organization that the County holds a contract with for service of the restrooms is not able to provide regular service. Private Donors are donating funds for the County to build a pumper truck capable of pumping waste from the portable restrooms located along the Rubicon Trail and disposing of it in the vault located at Ellis Creek.

Contract Term: Six Months Contract Value: \$70,000

COUNTY COUNSEL: (Must approve all contracts and MOU's)
