Is this OK with you?

Thanks,

Thanks, Steve

I took that directly from the email that Boating and Waterways sent quoting that Code. Should I italicize the whole second paragraph to show that it is quoted?

Thanks,

Tania,

I have reviewed the proposed resolution authorizing participation in the Boating Safety and Enforcement program. I have just a couple comments:

1. The first sentence of the second paragraph contains a typo. "The" should not be capitalized, and should be preceded by a comma.
2. "Boat Taxes" in the last paragraph should be revised to read "personal property taxes on vessels."

I am signing the blue route, with the understanding that these changes will be made.
