## SUMMARY

ORDINANCE NO. \_\_\_\_\_

### **THE BOARD OF SUPERVISORS OF THE COUNTY OF EL DORADO DOES ORDAIN AS FOLLOWS:**

Title 24 of the California Code of Regulations, known as the California Building Standards Code, contains regulations governing the construction of buildings in the state. The 2007 edition of the California Building Standards Code became effective on January 1, 2008. The El Dorado County Ordinance Code is amended by this ordinance to comply with revisions in the 2007 California Building Standards Code.

This ordinance also contains amendments to County Code to reflect current terminology.

Chapter 15, 16 of Title 15 of the El Dorado County Ordinance Code is further amended to bring county procedures into consistency with Tahoe Regional Planning Agency rules and allow time extension for permits in the Tahoe basin.

Chapter 15.16 of Title 15 is amended to clarify that "inspection exempt agricultural" structures are allowed only on agriculturally-zone land.

There is no environmental impact from the adoption of these revised County Ordinance Code sections.
