Concerns in regards to your 4-18-13 agenda:

**Agenda item #6**

It is my understanding that the Sacramento-Placerville Transportation Oversight Committee is to resolve conflicts on the corridor and advisory to the Trails Committee. The Trail Advisory Committee did not meet in April, so as a whole are not aware of your agenda item. Please discuss item #6 before item #2.

**Agenda item #2**

I have no problem with the Folsom group (Placerville and Sacramento Valley Railroad, Inc.) having a breakfast fund raiser at the Latrobe Grange; however, I believe the Recreation Commission should respect the El Dorado County Board of Supervisors decision of No Rail west of Shingle Springs!

**Agenda item #3**

For me this is the most important item that you will be discussing today and should be discussed first.

Thank you for your service to El Dorado County.

A long time trail advocate,  
Eileen Crim
