It is further understood that this Agreement does not create an exclusive relationship between County and Contractor, and Contractor may perform similar work or services for others. However, Contractor shall not enter into any agreement with any other party, or provide any information in any manner to any other party, that would conflict with Contractor's responsibilities or hinder Contractor's performance of services hereunder, unless County's Contract Administrator, in writing, authorizes that agreement or sharing of information.

ARTICLE VIII

Assignment and Delegation: Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE IX

Independent Contractor: The parties intend that an independent contractor relationship will be created by this contract. Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, agents, affiliates, and subcontractors, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Contractor. Those persons will be entirely and

exclusively under the direction, supervision, and control of Contractor.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which Contractor performs the work or services for accomplishing the results. Contractor acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and shall not make any agreements or representations on the County's behalf.

ARTICLE X

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year

for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XI

Audit by California State Auditor: Contractor acknowledges that if total compensation under this Agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code § 8546.7. In order to facilitate these potential examinations and audits, Contractor shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the Agreement, all books, records, and documentation necessary to demonstrate performance under the Agreement.

ARTICLE XII

Default, Termination, and Cancellation:

A. **Termination by Default:** If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default that shall state the following:

1. The alleged default and the applicable Agreement provision.
2. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

If County terminates this Agreement, in whole or in part, for default:

1. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Contractor shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Contractor, the excess costs to procure from an alternate source.
2. County shall pay Contractor the sum due to Contractor under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be

deducted from any sum due Contractor under this Agreement and the balance, if any, shall be paid to Contractor upon demand.

3. County may require Contractor to transfer title and deliver to County any completed work under the Agreement.

The following shall be events of default under this Agreement:

1. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
 2. A representation or warranty made by Contractor in this Agreement proves to have been false or misleading in any respect.
 3. Contractor fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.
 4. A violation of ARTICLE XIX, Conflict of Interest.
- B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event Contractor ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Contractor, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

Said notice shall become part of this Agreement upon acknowledgment in writing by County's Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XV

Indemnity: To the fullest extent permitted by law, Contractor shall defend at its own

expense, indemnify, and hold the County harmless, its officers, employees, agents, and volunteers, against and from any and all liability, claims, suits, losses, damages, or expenses of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including but not limited to workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the acts or omissions of Contractor or its officers, agents, or employees in rendering the services, operations, or performance hereunder, except for liability, claims, suits, losses, damages or expenses arising from the sole negligence or willful acts of the County, its officers and employees, or as expressly prescribed by statute. This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

ARTICLE XVI

- F. The insurance will be issued by an insurance company acceptable to County's Risk Management Division or be provided through partial or total self-insurance likewise acceptable to the Risk Management Division.
- G. Contractor agrees that the insurance required herein shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires at any time or times during the term of this Agreement, Contractor agrees to provide at least thirty (30) days prior to said expiration date, a new certificate of insurance evidencing insurance coverage as provided for herein for not less than the remainder of term of the Agreement, or for a period of not less than one (1) year. New certificates

of insurance are subject to the approval of Risk Management and Contractor agrees that no work or services shall be performed prior to the giving of such approval. In the event Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.

- H. The certificate of insurance must include the following provisions stating that:
 - 1. The insurer will not cancel the insured's coverage without thirty (30) days prior written notice to County; and

Any insurance or self-insurance maintained by County, its officers, officials, employees, or volunteers shall be in excess of Contractor's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by County. At the option of County, either: The insurer shall reduce or eliminate such deductibles or self-insured retentions in respect to County, its officers, officials, employees, and volunteers; or Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses.
- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to County, its officers, officials, employees, or volunteers.

- M. Contractor's obligations shall not be limited by the foregoing insurance requirements and shall survive the expiration of this Agreement.
- N. In the event Contractor cannot provide an occurrence policy, Contractor shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.

3. Courses provided by the California Psychological Association, or its approved sponsors; or
4. Courses approved by an accrediting agency for continuing education courses taken prior to January 1, 2013, pursuant to 16 CCR section 1397.61 as it existed prior to January 1, 2013.

The quality of courses recognized and accepted by other accrediting bodies, associations, or organizations will be considered on a case by case basis.

(B) Course Relevance

As determined by POST, courses must have direct relevance and applicability to preemployment psychological assessment by providing instruction and training in one or more of the Competencies [subsection 1955(a)(2)].

(2) CPE Course Approval

POST approval shall be granted to courses that meet the requirements outlined in 1955(b)(1). To be considered for POST approval, a course approval request must be submitted to POST via the electronic CPE Tracking System. The request may be submitted by a course instructor, provider, sponsor, law enforcement agency, or an individual who has taken or is considering taking a course.

Requests for POST approval must include the following information:

- (A) Course provider
- (B) Course instructor
- (C) Course title and description
- (D) Approving association
- (E) Course topics and hourly distribution
- (F) Learning objectives
- (G) Method(s) of instruction (e.g., workshop, webinar, independent learning)

A list of POST-approved CPE courses are maintained on the POST Website.

(3) Evaluator CPE Requirement

(A) The evaluator must complete 12 hours of POST-approved instruction over a two-year period, which shall run concurrently with the evaluator's two-year license renewal cycle. The POST CPE requirement must be met no later than the evaluator's license renewal date. Additional CPE hours above the 12 hour minimum do not count toward the next two-year cycle.

(B) Prior to September 1, 2014, all evaluators must have completed a minimum of six (6) hours of CPE. The POST-approved CPE must have been completed between May 1, 2012 and August 30, 2014.

After September 1, 2014, the 12-hour two-year CPE requirement commenced. CPE hours were prorated at .5 hours per month, based on the evaluator's license renewal cycle. For example, if the evaluator's license renewal date was February 28, 2015, by that date the evaluator must have completed .5 hours of CPE for each of the six months that elapsed since September 1, 2014 (i.e., three hours). Thereafter, the evaluator must meet the regular 12 hours of CPE for every two-year cycle per subsection 1955(a)(3).

(C) The evaluator may satisfy no more than 75% (up to nine (9) hours) of the POST CPE requirement through independent learning that meets subsection 1955(b)(1). Independent learning includes, but is not limited to, courses delivered via the Internet, CD-ROM, satellite downlink, correspondence, and home study.

(4) Verification of Course Completion

To verify compliance with subsection 1955(a)(3), the evaluator must submit a psychological evaluator profile request to POST via the electronic CPE Tracking System and provide verification of course completion.

(A) Evaluator Information

The profile request must include the evaluator's name and contact information; license # and renewal date; and additional information (curriculum vitae, professional website URL), if available.

(B) Course Information

Once the profile is approved, the evaluator can request approval of CPE course completion through the online CPE Tracking System. The request must be accompanied by official documentation of course completion, such as completion certificate, roster, and/or other official education or training records.

A list of evaluators and their contact information is available on the POST website (www.post.ca.gov).

(c) Timing of the Psychological Evaluation

The psychological evaluation shall commence only after a conditional offer of employment has been extended to the peace officer candidate [Americans with Disabilities Act (42 U. S. Code section 12101 et seq); California Fair Employment and Housing Act (Government Code section 12940 et seq)]. The psychological evaluation must be completed within one year prior to date of employment.

A new psychological evaluation shall be conducted on peace officer candidates reappointed to the same department, unless the prior evaluation occurred within one year of the date of reappointment.

(d) Psychological Screening Procedures and Evaluation Criteria

(1) The psychological screening procedures and evaluation criteria used in the conduct of the psychological evaluation shall be based on the peace officer duties, powers, demands, and working conditions as defined by the department. This information shall be provided to the evaluator, along with any other information (e.g., risk management considerations) that will allow the evaluator to make a psychological suitability determination.

(2) Every peace officer candidate shall be evaluated, at a minimum, against job-related psychological constructs herein incorporated by reference in the POST Peace Officer Psychological Screening Dimensions: Social Competence, Teamwork, Adaptability/Flexibility, Conscientiousness/Dependability, Impulse Control, Integrity/Ethics, Emotional Regulation/Stress Tolerance, Decision Making/Judgment, Assertiveness/Persuasiveness, and Avoiding Substance Abuse and Other Risk-Taking Behavior. The Dimensions are contained and defined in Chapter 4 of the POST Peace Officer Psychological Screening Manual (2014).

(3) The POST Peace Officer Psychological Screening Manual (2014) provides guidance in the evaluation of peace officer candidates. The use of this manual is discretionary with the exception of the required Psychological Evaluator Competencies and the Psychological Screening Dimensions outlined in subsections 1955(a)(2) and 1955(d)(2), respectively.

(e) Required Sources of Information for the Psychological Evaluation

The psychological evaluation shall include a review by the evaluator of the following sources of information prior to making a determination about the candidate's psychological suitability.

(1) Job Information

Job information shall consist of the peace officer duties, powers, demands, and working conditions provided by the department per subsection 1955(d)(1).

(2) Written Assessments

Written assessments shall consist of a minimum of two written psychological instruments. One of these instruments shall be designed and validated to identify patterns of abnormal behavior; the other instrument shall be designed and validated to assess normal behavior. Both instruments shall have documented evidence of their relevance for evaluating peace officer suitability. Together, the instruments shall provide information about each candidate related to: (1) freedom from emotional and/or mental conditions that might adversely affect the exercise of the powers of a peace officer, and (2) psychological suitability per the POST Psychological Screening Dimensions [refer to subsection 1955(d)(2)].

The psychological assessments shall be interpreted using appropriate, authorized test publisher scoring keys. If mail-order, Internet-based, or computerized test interpretations are used, the evaluator shall verify and interpret the individual results.

(3) Personal History Information

(5) Information from the psychological evaluation may be provided to others involved in the hiring process, if it is relevant to their respective determinations of candidate suitability.

(g) Second Opinions

(1) A candidate who is found psychologically unsuitable has the right to submit an independent evaluation for consideration before a final determination of disqualification is made [2 California Code of Regulations section 11071(b)(2)]. Consideration should include determining whether the second opinion evaluator meets the requirements set forth in Government Code section 1031(f) and Regulation 1955(b).

(2) When a candidate notifies the department that s/he is seeking an independent opinion, the department shall make available the peace officer duties, powers, demands, and working conditions and the requirements specified in Commission Regulation 1955. Other information, such as specific procedures or findings from the initial evaluation, may be shared with the second-opinion evaluator at the discretion of the department. The means for resolving discrepancies in evaluations is at the discretion of the department, consistent with local personnel policies and/or rules.
