

El Dorado County Elder Protection Network In Conclusion

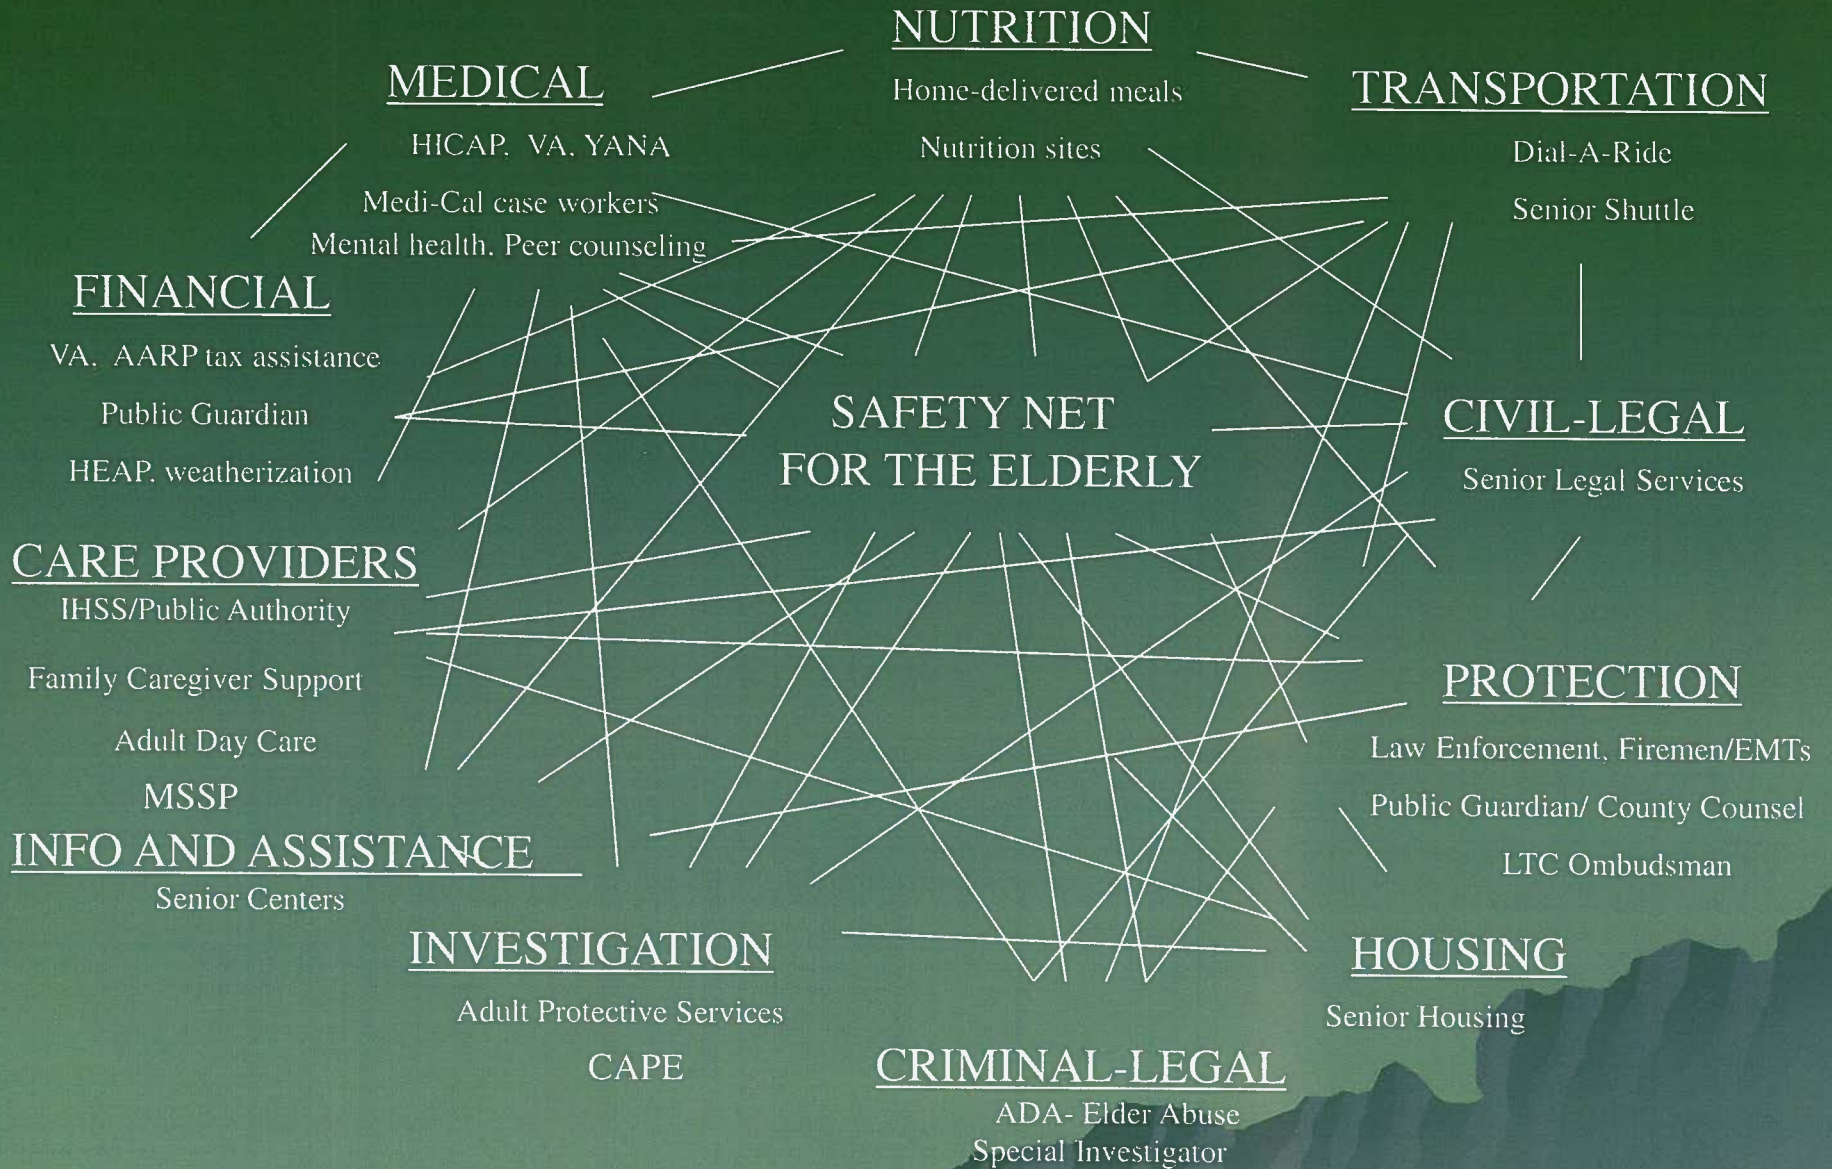

Diana B. Steele

Senior Legal Services

Goal of the Elder Protection Network

“To increase the
safety, health, and independence
of seniors
in El Dorado County.”

Thanks to interdisciplinary teamwork agreements, these county programs and services cross-report and communicate with each other, resulting in fast, coordinated responses meeting specific needs of the elderly.

County service providers allow for:

- Integration of services
- Communication and referrals between providers
- Continuum of care
- Rapid response
- Local control
- Transparency and accountability
- Employees and volunteers with expertise, training, and long-term commitment

Many seniors would like to
say

“Thank You For Supporting
Senior Services!”
