---

**THIS AGREEMENT** made and entered by and between the County of El Dorado, a political subdivision of the State of California (hereinafter referred to as "County") and Crestwood Behavioral Health, Inc., a Delaware Corporation, duly qualified to conduct business in the State of California, whose principal place of business is 7590 Shoreline Drive, (Mailing: P.O. Box 7877), Stockton, CA 95219; (hereinafter referred to as "Contractor");

### WITNESSETH

**WHEREAS**, County has determined that it is necessary to obtain a Contractor to provide long-term 24-hour Special Treatment Program for mentally ill adults (hereinafter referred to as "Clients") on an "as-requested" basis for the Department of Mental Health; and

**WHEREAS**, Contractor has represented to County that it is specially trained, experienced, expert and competent to perform the special services required hereunder and County has determined to rely upon such representations; and

**WHEREAS**, it is the intent of the parties hereto that such services be in conformity with all applicable federal, state and local laws; and

**WHEREAS**, County has determined that the provision of these services provided by Contractor is in the public's best interest, and that these services are more economically and feasibly performed by outside independent Contractors as well as authorized by El Dorado County Charter, Section 210 (b) (6) and/or Government Code 31000;

**NOW, THEREFORE**, County and Contractor mutually agree as follows:

## ARTICLE I

**Scope of Services:** Contractor agrees to furnish licensed facilities, personnel and services necessary to provide a long-term 24-hour Special Treatment Program for Clients on an "as requested" basis for the Department of Mental Health. Contractor agrees to comply with all applicable provisions of Title 9 of the California Administrative Code.

Contractor's responsibilities shall include, but not be limited to, services set forth in Exhibit "A", marked "IMD Program Description", incorporated herein and made by reference a part hereof.

The County may desire services to be performed which are relevant to this Agreement for services, but have not been included in the Scope of Services listed in the aforementioned Exhibit "A", and Contractor agrees to perform said services upon written request from County. These additional services could include, but not be limited to, any of the following:

- A. Work requested by the County in connection with any other matter or any item of work not specified herein;
- B. Work resulting from substantial changes ordered by the County in the nature or extent of the project;
- C. Serving as an expert witness for the County in any litigation or other proceedings involving the project.

## ARTICLE II

**Term:** This Agreement shall become effective when fully executed by both parties hereto and shall cover the period of July 1, 2007 through June 30, 2009.

## ARTICLE III

**Compensation for Services:** For services provided herein, County agrees to pay Contractor monthly in arrears. Payment shall be made within thirty (30) days following County receipt and approval of itemized invoice(s) detailing services rendered, including the name of Client for which services were provided. County shall reimburse Contractor in accordance with the approved Supplemental Rate for the level of care provided and in accordance with Section 4075 of the Welfare and Institution Code. The Supplemental Rate is based on Facility size and the level(s) of care for which Contractor is authorized to provide and for which Client is certified. For the purposes hereof, the billing rate shall be in accordance with Exhibit "B", marked "IMD Budget", incorporated herein and made by reference a part hereof.

With respect to any additional services provided under this Agreement as specified under "Scope of Services" hereto, Contractor shall not be paid unless Contractor has received written authorization from County for the additional services prior to incurring the costs associated therewith. Said additional services shall be charged at the rates set forth in Exhibit "B". The total amount of this Agreement shall not exceed \$1,400,000.00 for the two (2) year period.

#### **ARTICLE IV**

**Confidentiality:** Contractor shall maintain the confidentiality of all records, including billings, together with any knowledge therein acquired, in accordance with all applicable State and Federal Statutes and regulations, as they exist or may thereafter be amended or changed. Contractor, and all Contractor's staff, employees and representatives shall not disclose or use, directly or indirectly, at any time such confidential information, other than in the performance of this Agreement.

Prior to providing any services pursuant to this agreement, all Contractor's employees and volunteer staff of Contractor shall agree, in writing, with Contractor to maintain confidentiality of any and all patient information and records which may be obtained in the course of providing services. The written agreement shall specify that it is effective irrespective of the subsequent termination of Contractor's employees and volunteers. Proof of same shall be provided to County upon request.

The identities of patients and the complete medical records of Clients shall remain the sole and exclusive property of County and shall not be disclosed by Contractor or any of its employees, and are subject to the new electronic transmission format standards required by the Health Insurance Portability and Accountability Act (HIPAA).

#### **ARTICLE V**

**Licensure and Laws:** Contractor shall, throughout the term of this Agreement, maintain all necessary licenses, permits, approvals, certificates, waivers and exemptions necessary for the provision of services hereunder and as required by federal, state and local laws or any other appropriate governmental agency. Contractor shall notify the County Contract Administrator, or Case Management Program Coordinator, immediately in writing of its inability to obtain or maintain, irrespective of the pendency of an appeal, such permits, licenses, approvals, certificates, waivers and exemptions.

Contractor shall comply with all applicable laws, governmental regulations and requirements as they exist now or may hereafter be amended or changed. These regulations shall be deemed to include policies and procedures as set forth in State Department of Mental Health Letters.

#### **ARTICLE VI**

**Non-Discrimination:** Affirmative Action shall be taken to ensure that applicants are employed without regard to, and that employees are treated during employment without regard to their race, religion, color, sex, national origin, age, sexual preference, or physical or mental handicap.

Contractor will not discriminate in the provision of services, the allocation of benefits, or in the accommodation in facilities on the basis of color, race, religion, national origin, age, sexual preference, physical or mental handicap in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C., § 2000 (d) and all other pertinent rules and regulations promulgated pursuant thereof, and as otherwise provided by State law and regulations, as well may exist or hereafter be amended or changed.

## **ARTICLE VII**

2. The date of placement of Client in the Contractor's Facility;
3. The level of care as determined by the Level of Care Assessment form;
4. A description of the Client's needs which require long-term 24-hour Special Treatment services;
5. Goals/objectives which relate to the assessed needs of client; and
6. A description of the services/interventions by which the stated goals/objectives will be achieved.

The Contractor is required to see that progress notes are written in the individual Client record at least once weekly. Each entry into the Client record is to be signed and dated by the staff member making the entry.

## **ARTICLE VIII**

**Records Retention:** Client records shall be retained by Contractor for a minimum of seven (7) years. Records which relate to litigation or settlement of claims arising out of the performance of this agreement, or costs and expenses of this Agreement as to which exception has been taken by County or State, shall be retained by Contractor until disposition of such appeals, litigation, claims or exceptions are completed.

## **ARTICLE IX**

**Inspections and Audits:** The County Contract Administrator, or any authorized representative of County, any authorized representative of the State of California, the Secretary of the United States, or any of their authorized representatives shall have access to any books, documents and records, including medical and Client records, of Contractor which any of them deem pertinent to this Agreement, for the purpose of making audit, evaluation, examination and transcripts during the periods of retention set forth in ARTICLE VII hereinabove. The aforementioned persons may at all reasonable times inspect or otherwise evaluate the work and services performed pursuant to this Agreement and the premises in which the work and services are being performed.

## **ARTICLE X**

**Changes to Agreement:** This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

## **ARTICLE XI**

**Contractor to County:** It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further agreed that in all matters pertaining to this Agreement, Contractor shall act as Contractor only to County and shall not act as Contractor to any other individual or entity affected by this Agreement nor provide information in any manner to any party outside of this Agreement that would conflict with Contractor's responsibilities to County during term hereof.

## **ARTICLE XII**

**Assignment and Delegation:** Contractor is engaged by County for its unique qualifications and skills as well as those of its personnel. Contractor shall not subcontract, delegate or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

## **ARTICLE XIII**

**Independent Contractor/Liability:** Contractor is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by terms of this Agreement. Contractor exclusively assumes responsibility for acts of its employees, associates, and subcontractors, if any are authorized herein, as they relate to services to be provided under this Agreement during the course and scope of their employment.

Contractor shall be responsible for performing the work under this Agreement in a safe, professional, skillful and workmanlike manner and shall be liable for its own negligence and negligent acts of its employees. County shall have no right of control over the manner in which work is to be done and shall, therefore, not be charged with responsibility of preventing risk to Contractor or its employees.

## **ARTICLE XIV**

**Fiscal Considerations:** The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, El Dorado County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products or equipment subject herein. Such notice shall become effective upon the adoption of a final budget which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce, or order a reduction, in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of the County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

## **ARTICLE XV**

### **Default, Termination, and Cancellation:**

- A. **Default:** Upon the occurrence of any default of the provisions of this Agreement, a party shall give written notice of said default to the party in default (notice). If the party in default does not cure the default within ten (10) days of the date of notice (time to cure), then such party shall be in default. The time to cure may be extended at the discretion of the party giving notice. Any extension of time to cure must be in writing, prepared by the party in default for signature by the party giving notice and must specify the reason(s) for the extension and the date on which the extension of time to cure expires.

Notice given under this section shall specify the alleged default and the applicable Agreement provision and shall demand that the party in default perform the provisions of this Agreement within the applicable period of time. No such notice shall be deemed a termination of this Agreement unless the party giving notice so elects in this notice, or the party giving notice so elects in a subsequent written notice after the time to cure has expired. In the event of termination for default, County reserves the right to take over and complete the work by contract or by any other means.

- B. **Bankruptcy:** This Agreement, at the option of the County, shall be terminable in the case of bankruptcy, voluntary or involuntary, or insolvency of Contractor.
- C. **Ceasing Performance:** County may terminate this Agreement in the event Contractor ceases to operate as a business, or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. **Termination or Cancellation without Cause:** County may terminate this Agreement in whole or in part upon seven (7) calendar days written notice by County without cause. If such prior termination is effected, County will pay for satisfactory services rendered prior to the effective dates as set forth in the Notice of Termination provided to Contractor, and for such other services, which County may agree to in writing as necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the contract. Upon receipt of a Notice of Termination, Contractor shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the notice directs otherwise.

## **ARTICLE XVI**

**Notice to Parties:** All notices to be given by the parties hereto shall be in writing and served by depositing same in the United States Post Office, postage prepaid and return receipt requested. Notices to County shall be addressed as follows:

This duty of Contractor to indemnify and save County harmless includes the duties to defend set forth in California Civil Code Section 2778.

## **ARTICLE XVIII**

**Insurance:** Contractor shall provide proof of a policy of insurance satisfactory to the El Dorado County Risk Manager and documentation evidencing that Contractor maintains insurance that meets the following requirements:

- A. Full Workers' Compensation and Employers' Liability Insurance covering all employees of Contractor as required by law in the State of California.

- B. Commercial General Liability Insurance of not less than \$1,000,000.00 combined single limit per occurrence for bodily injury and property damage.

- D. In the event Contractor is a licensed professional, and is performing professional services under this Agreement, professional liability (for example, malpractice insurance) is required with a limit of liability of not less than \$1,000,000.00 per occurrence.
- E. Contractor shall furnish a certificate of insurance satisfactory to the El Dorado County Risk Manager as evidence that the insurance required above is being maintained.
- F. The insurance will be issued by an insurance company acceptable to Risk Management, or be provided through partial or total self-insurance likewise acceptable to Risk Management.

New certificates of insurance are subject to the approval of Risk Management and Contractor agrees that no work or services shall be performed prior to the giving of such approval. In the event the Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to any other remedies it may have, terminate this Agreement upon the occurrence of such event.
- H. The certificate of insurance must include the following provisions stating that:
  - 1. The insurer will not cancel the insured's coverage without thirty (30) days prior written notice to County, and;
  - 2. The County of El Dorado, its officers, officials, employees, and volunteers are included as additional insured, but only insofar as the operations under this Agreement are concerned. This provision shall apply to the general liability policy.
- I. The Contractor's insurance coverage shall be primary insurance as respects the County, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officers, officials, employees or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.
- J. Any deductibles or self-insured retentions must be declared to and approved by the County, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the County, its officers, officials, employees, and volunteers; or the Contractor shall procure a bond guaranteeing payment of losses and related investigations, claim administration and defense expenses.

- K. Any failure to comply with the reporting provisions of the policies shall not affect coverage provided to the County, its officers, officials, employees or volunteers.
- L. The insurance companies shall have no recourse against the County of El Dorado, its officers and employees or any of them for payment of any premiums or assessments under any policy issued by any insurance company.
- M. Contractor's obligations shall not be limited by the foregoing insurance requirements and shall survive expiration of this Agreement.
- N. In the event Contractor cannot provide an occurrence policy, Contractor shall provide insurance covering claims made as a result of performance of this Agreement for not less than three (3) years following completion of performance of this Agreement.
- O. Certificate of insurance shall meet such additional standards as may be determined by the contracting County Department either independently or in consultation with Risk Management, as essential for the protection of the County.

#### **ARTICLE XIX**

**Interest of Public Official:** No official or employee of County who exercises any functions or responsibilities in review or approval of services to be provided by Contractor under this Agreement shall participate in or attempt to influence any decision relating to this Agreement which affects personal interest or interest of any corporation, partnership, or association in which he/she is directly or indirectly interested; nor shall any such official or employee of County have any interest, direct or indirect, in this Agreement or the proceeds thereof.
