- b. LIMITATION ON CUMULATIVE LIABILITY. EXCEPT FOR INFRINGEMENT INDEMNIFICATION OBLIGATIONS, THE MAXIMUM AGGREGATE LIABILITY OF NETSMART TO CLIENT FOR ANY ACTUAL OR ALLEGED DAMAGES ARISING OUT OF, BASED ON OR RELATING TO THIS AGREEMENT, WHETHER BASED UPON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), WARRANTY OR ANY OTHER LEGAL THEORY, WILL NOT EXCEED THE FEES PAID TO NETSMART FOR THE IMPACTED PRODUCTS AND SERVICES DURING THE PRIOR TWELVE (12) MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CAUSE OF ACTION.

7. INDEMNIFICATION

- a. Infringement Indemnification. Netsmart will defend, indemnify and hold harmless Client and its officer, directors, employees and agents from and against third party claims, liabilities, obligations, judgements, causes of action (the "Claim"), and associated costs and expenses (including reasonable attorneys' fees) to the extent arising out of an allegation that the use of the Software Services infringes a third party's U.S. patent, trademark, copyright or other third party intellectual property right. In the event such an infringement is found, Netsmart will at its option and expense, and as Client's sole and exclusive remedy, procure the right to continued use of the Software Services, replace or modify the Software Services with a non-infringing program, or terminate the license of the Software Services, and will refund to Client a pro rata refund of fees prepaid for Software Services not yet provided. use of the Software Services in violation with the terms of this Agreement; (ii) use of the Software Services in combination with other products or services not made or furnished by Netsmart, provided that the Software Services alone are not the cause of such Claim; (iii) modification, additions or alterations of the Software Services or any portion thereof by anyone other than Netsmart, provided that the Software Services in unmodified form are not the cause of such Claim; or (iv) use of Software Services not updated to the latest version offered by Netsmart, where such version cures the infringement.

- b. Client Indemnification. Client will indemnify, defend and hold harmless Netsmart and its officer, directors, employees and agents from and against all Claims, and associated costs and expenses (including reasonable attorneys' fees) to the extent arising out of or resulting from Client's misuse of the Software Services, or any claim by any party receiving services from Client.
- c. Indemnification Process. Upon becoming aware of any matter which is subject to the provisions of the Indemnification Section, the party seeking indemnification must (i) give prompt written notice of such Claim to the other party; (ii) provide the indemnifying party with the authority, information and assistance to defend or settle the Claim; and (iii) not materially prejudice the indemnifying party's ability to defend or settle the Claim. The indemnifying party has the right to control and defend the Claim at its own expense and with its own counsel and to settle the Claim so long as such settlement does not require the indemnified party to pay any money or admit any liability without the indemnified party's prior written consent. The indemnified party will have the right, at its option, to participate in the defense of the Claim with its own counsel at its own expense.

8. TERM AND TERMINATION

- a. Term. The Initial Term of this Master Agreement will be from June 1, 2024 through May 31, 2029 ("Initial Term") subject to earlier termination when permitted under Section 8.

At the expiration of the Initial Term this Master Agreement will not automatically renew.

- b. Termination. Either party may terminate this Agreement or a Work Order, if the other party is in material breach by sending a written notice specifying each breach with reasonable detail, unless (i) the breaching party has cured the breach within thirty (30) days of receipt of written notice, or (ii) with respect to a breach which may not be reasonably cured within the 30-day period, the breaching party is diligently pursuing cure of, and cures the breach as soon as practicable. In the event this Agreement is terminated due to a breach by Client, within thirty (30) days of the date of termination of this Agreement, Client will erase from all computer storage any image or copies of the Software Services, related documentation and will certify in writing to Netsmart that the original and all copies of such property have been destroyed. In the event of termination, Client shall be responsible for all fees related to software and Services rendered through the effective date of such termination.
- c. Copy of Data upon Termination. Upon termination of the Agreement, Netsmart will make a machine readable backup copy of the Data available to Client at no additional cost, in an SQL backup file (.bak) format. The backup file will be delivered via Secure FTP or on an encrypted disc as requested by Client. Netsmart retains no rights or ownership to the Data.
- d. Survival. Notwithstanding any termination of this Agreement for any reason, the terms and conditions set forth in the following Sections of this Agreement will survive and will be binding on the representatives, successors, heirs and assignees of the parties: Limitation of Liability, Indemnification (with respect to claims arising prior to termination), Confidentiality, and General Provisions.

9. CONFIDENTIALITY

- a. Confidential Information. Except as permitted in this Agreement, neither party will, nor will they permit their employees, agents, attorneys or independent contractors to, disclose, use, copy, distribute, sell, license, publish, reproduce, or otherwise make available Confidential Information of the other party. Each party agrees to secure and protect the other party's Confidential Information using the same standard of care, but in no event less than reasonable care, that it uses to protect its own Confidential Information. Each party agrees to require their respective employees, agents, attorneys, and independent contractors who have a need to access Confidential Information to be bound by confidentiality obligations sufficient to protect the Confidential Information. Either party may disclose the other party's Confidential Information to the extent required by applicable law or regulation, provided that, as permitted, it notifies the other party in writing as soon as practicable prior to such disclosure. Notwithstanding the foregoing, Netsmart shall not prohibit or restrict or engage, nor shall anything contained herein be construed to permit or allow Netsmart to engage in a practice that prohibits or restricts Client from any Protected Communications that are entitled to unqualified protection as defined and required under the ONC Final Rules (45 C.F.R. Parts 170 and 171). Client recognizes that Netsmart has a legitimate interest in the Protected Communications and that if Netsmart is not made aware of the issues that may be detailed in a Protected Communication, Netsmart is not able to resolve, correct or explain them. Netsmart encourages Client to report all such issues included in Protected Communications through Netsmart's standard support process. Netsmart reserves all rights to assert that any prohibition or restriction imposed by Netsmart on Protected Communications is permitted because it is not entitled to unqualified protection under 45 C.F.R. 170.403(a)(2)(ii).
- b. HIPAA. The parties agree to comply with the Business Associate Agreement ("BAA") attached hereto and incorporated by reference. As a condition of Netsmart providing SaaS services to the Client, Netsmart shall execute the BAA.

10. INTELLECTUAL PROPERTY

Netsmart retains all right, title and interest, including intellectual property rights and all other rights in the Licensed Software, Software Services, Services and Work Product. Netsmart grants to Client a non-exclusive, non-transferable license to use Work Product for Client's own internal business purposes in conjunction with the Software Services during the Term and for no other purpose.

11. FORCE MAJEURE

Except for obligations to pay for Services performed or products delivered, neither party will be responsible for delays or failures in performance resulting from an event of Force Majeure. The delayed party will perform its obligations within a reasonable time after the cause of the failure has been remedied, and the other party will accept the delayed performance.

12. GENERAL PROVISIONS

- a. Governing Law. This Agreement will be interpreted and enforced in accordance with the laws of the State of California, without giving effect to the conflict of law rules thereof. Both parties agree this Agreement does not constitute a consumer transaction.

- b. Entire Agreement. This Agreement contains the entire understanding of the parties with respect to the matter contained herein. There are no promises, covenants or undertakings contained in any other written or oral communication. - d. Waiver. A waiver or consent to any term, condition, right or remedy under this Agreement must be in writing to be effective. Failure of either party to enforce any term or condition of this Agreement will not constitute a waiver of such term or condition. No waiver or consent for any one matter will be a waiver or consent for any subsequent or different matter.
- e. Insolvency. In the event that either party will cease conducting business in the normal course, becomes insolvent, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or assets, or avails itself of, or becomes subject to, any proceeding under a Bankruptcy Act or any other statute of any state relating to insolvency or the protection of rights of creditors, which is not discharged within ninety (90) days, then (at the option of the other party) this Agreement will terminate and be of no further force and effect and any property or rights of such other party, whether tangible or intangible, will forthwith be returned to it.
- f. Assignment. Client may not assign this Agreement or any of the licenses herein, without the prior written consent of Netsmart, except to an assignee who acquires all or substantially all of the assets of Client, is not a competitor of Netsmart and has financial resources at least equal to those of Client. Schedule A-1: Service Level Agreement for Software Services

1. Definitions.

- a. **Major System Change** means a material change to the system, including a backend upgrade, operating system upgrade, new release upgrade, SAN upgrade, database upgrade.
- b. **Service Package** means software designed to fix identified Problems or Defects in the Software Services, including documentation and release notes made available with such patch or service pack.
- c. **System Stabilization Period** is the period during the seventy-two (72) hour window following the First Productive Use and following a Major System Change.

2. Coverage.

This Section sets forth the System Availability commitments for Software Services. If monthly System Availability (as defined below) falls below 99.9%, Netsmart will provide a credit against the Client's next monthly recurring Software Services fees to account for the downtime. The appropriate credit percentage (%) will be determined based on the following table.

For the absence of doubt, Software Services include 24x7x365 Support Services for Priority 1 issues.

System Uptime %	Credit %
>= 99.0% and < 99.9%	5%
98.0 to 98.9%	10%
96.0 to 97.9%	15%
< 95.9 or below	25%

3. System Availability Calculation

- a. Netsmart will calculate System Availability as set forth below for each month during the Term.
- b. System Availability will be calculated as follows (and will be rounded to up to the next one tenth of a percentage point):

$$\text{System Availability} = [(\text{Base Time} - \text{Unscheduled Downtime}) / (\text{Base Time})] \times 100$$

Base Time equals the product of the number of days in the applicable month times 24 hours times 60 minutes.

Unscheduled Downtime equals the time (in minutes) during which the production system is not operational (excluding "Scheduled Downtime") from the Netsmart-provided hosting facility internet connection based on the measuring methodology documented below.

Scheduled Downtime equals the aggregate total of all minutes of planned and scheduled maintenance performed during the month to perform any necessary hardware, operating system, network, database, application software maintenance, repair, upgrades, and updates. Netsmart will work with Client to determine and use commercially reasonable efforts to schedule downtime after regular business hours, during times that minimize the disruption to operations. The amount of

scheduled downtime may vary from month to month depending on the level of change to the system such as the project implementation phase, adding new products, upgrading products, etc

- c. Client is permitted to audit Unscheduled Downtime based on the methodology established below. Netsmart agrees to cooperate with Client in connection with any audit of Unscheduled Downtime. This audit must take place within 30 days of the month end.
- d. Netsmart recommends that Client implement, on a timely basis, the Service Packages that will be provided to Client by Netsmart on a periodic basis. Netsmart will advise Client on Service Packages that may enhance performance and availability and will advise Client of the advantages of implementing the Service Packages as well as the implication of electing not to implement the Service Packages. Netsmart will perform the technical requirements needed for Client to use the Service Packages that Client elects to implement, at no additional charge and as part of the recurring SaaS/Hosting fees. Client and Netsmart will work together to establish a mutually agreeable implementation schedule for the Service Packages. Upon notice to Client that the system's performance and availability will be adversely affected if Client elects not to implement a Service Package, Client will waive any credits set forth above, until such time as Client performs its obligations as necessary to implement the required Service Packages.
- e. Client must allow Netsmart to implement the latest Netsmart supported layered software version (i.e. OS, DBMS, etc.) and patches within six (6) months of the general support announcement from Netsmart. Netsmart will advise Client regarding the layered software enhancements as well as the implications of electing not to implement the layered software enhancements. Netsmart will perform the technical requirements needed for Client to use the layered software enhancements that Client elects to implement as part of the fees. Client and Netsmart will work together to establish an implementation schedule for the layered software enhancements. If Netsmart provides notice to Client that the system's performance and availability will be adversely affected if Client elects not to implement the layered software enhancements, Client waives its right to any credits set forth above until Client implements the required layered software enhancements.
- f. If Client is operating beyond the Scope of Use limits, Client waives its right to any credits set forth above until Client is in compliance with Scope of Use.
- g. During a System Stabilization Period, changes to the System may be required to achieve optimal performance and Unscheduled Downtime or Scheduled Downtime minutes do not apply.

4. Exceptions

Client shall not receive any credits under this Schedule in connection with any failure or deficiency of System Availability caused or associated with:

- a. an event of Force Majeure;
- b. Failure of access circuits to the Netsmart network, unless such failure is caused solely by Netsmart;
- c. Scheduled maintenance, scheduled backups, scheduled restores and emergency maintenance and upgrades;
- d. Issues with FTP, POP, or SMTP Client access;

 - f. E-mail or webmail delivery and transmission;
 - g. Outages elsewhere on the Internet that hinder access to your account. Netsmart is not responsible for browser or DNS caching that may make your site appear inaccessible when others can still access it. Netsmart will guarantee only those areas considered under the control of Netsmart: Netsmart server links to the Internet, Netsmart's routers, and Netsmart's servers; and
 - h. Use of a VPN or similar connection which is not exclusively within Netsmart's control at both ends of such connection, and where the problem occurs in the part of the VPN which is not under Netsmart's control.
5. **Scheduled Maintenance.** Netsmart reserves the right to establish a monthly maintenance window for the purpose of upgrading, patching, modifying, and repairing portions or the entire cloud computing environment. The monthly window is generally scheduled on the 3rd Sunday of the month, from 2:00AM – 5:30AM EST.
6. **Credit Request and Payment Procedures.**
In order to receive a credit, Client must submit a request for credit to Netsmart Accounting at AR@ntst.com, within thirty (30) days after the incident supporting the request. Each request must include Client's account number (per Netsmart's invoice) and the dates and times of the unavailability of the services. If the unavailability is confirmed by Netsmart as an incident eligible for credit, credits will be applied within two billing cycles after Netsmart's receipt of Client's request. Credits are not refundable and can be used only towards future billing fees.
Notwithstanding anything to the contrary herein, the total amount credited to Client in a particular month under this Schedule cannot exceed the total SaaS fees paid by Client for the month in which Services were impacted. Credits are exclusive of any applicable taxes charged to Client or collected by Netsmart and are Client's sole and exclusive remedy with respect to any failure or deficiency in level of services described in this Schedule if Client applied for and received a credit. Nothing in this Schedule precludes Client from pursuing an alternate contract remedy for any future incident that may occur.

- II. Scope of Use and Disclosure by BA of County Disclosed PHI
 - A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.
 - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
 - 1. Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
 - 2. disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law

 - 6. De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule, 45 CFR and does not preclude timely payment and/or claims processing and receipt.
 - C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.
- III. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
 - A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with Title 45 of the Code of Federal Regulations, Part 160 and Part 164, Subparts A and C (the "HIPAA Privacy Rule" and the "HIPAA Security Rule") in effect or as may be amended, including but not limited to 45 CFR 164.308,

BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.

 - B. Termination for Cause. Upon the County's knowledge of a material breach by the BA, upon written notice to BA, the County shall either:
 1. Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.

 3. If neither termination nor cures are feasible, the County shall report the violation to the Secretary.

With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof.
- C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.
