Board or Commission Applying For <b>Meyers Advisory Council</b>		Vacant Position or Title <b>Meyers Advisory Council Member</b>	
First Name <b>Trevor</b>		Last Name <b>Coolidge</b>	
		Residential City <b>South Lake Tahoe</b>	Residential ZIP Code <b>96150</b>
Daytime Telephone		Mobile Telephone <b>(no value entered)</b>	
Occupation/Title <b>Senior Civil Engineer</b>		Employer <b>South Tahoe Public Utility District</b>	
List all County boards, commissions or committees to which you are/were appointed. Please include dates of service. <b>Meyers Advisory Council, 12/18/2018-12/17/2020</b>			
Summary of qualifications <b>I have experience designing, permitting, and constructing public works projects within the Tahoe Basin, in addition to experience creating and interpreting development and design standards. I am a licensed professional civil engineer and LEED accredited professional (LEED AP BD+C) with a B.S. in Civil Engineering from the University of Portland and a M.S. in Sustainable Design from Carnegie Mellon University. In addition to my professional pursuits, I have direct development experience from working as owner-builder for my home in the Meyers area.</b>			
Affiliations with professional and/or community groups <b>I have volunteered with the Community Mobility Workgroup, Tahoe Regional Young Professionals, Tahoe Area Mountain Biking Association, and the Boys and Girls Club of Lake Tahoe. I have also served as the Secretary as a member of the Meyers Advisory Council for the past two years.</b>			
Why do you seek appointment? <b>I have a strong interest in continuing to volunteer my time to help implement the vision and guidelines of the Meyers Area Plan as a member of the MAC. During the last two years, I have seen the role of the MAC become more than just an advisory group in fielding issues and community concerns ranging from economic development to traffic concerns.</b>			
Additional Information <b>I have a strong interest in community development and understand the challenges that projects face in the Tahoe basin. In addition to my technical skills as a professional engineer, I am skilled at listening to and working with stakeholders with differing points of view to advance common goals. I have experience implementing long term plans, such as the Meyers Area Plan, and appreciate being considered to continue serving our community on the Meyers Advisory Council.</b>			
If known, indicate the member of the Board of Supervisors who will receive a copy of this application <b>Supervisor Novasel</b>
