Dear Board Members,

I believe that it would be a disservice to the community to displace the County Chamber HQ in too rapid of a manner.

I believe that the community receives a benefit from the Chamber being located in downtown Placerville. Further, I do not believe that the building is worth much as a rental property in its current condition.

I want your Board to follow the law, but to the extent that it is possible, every consideration should be given to keeping the Chamber at 542 Main Street.
