RE: Agenda Item #26 - #18-1040

Fellow board members,

Serious consideration by voters to modify Charter Section 202, "Term of Offices," for Board of Supervisors that would provide one additional four-year term of office, would be best served if the proposed additional four-year term of office does not apply to any sitting board member involved in making this decision.

I respectfully recommend that the Board consider amendments to proposed Resolution 154-2018, including "Exhibit A-Proposed Charter Language" that would maintain the current two consecutive four-year term limit to the current members of this Board. Newly elected members to the Board of Supervisors would be eligible for three consecutive four-year terms should the voters determine that extending term limits for the Board of Supervisors is in the best interest of the County.

I look forward to discussing this recommendation with each of you as part of the regular agenda tomorrow, Tuesday, July 24, 2018.
