Public comment will be received at designated periods as called by the Board Chair.

Public comment on items scheduled for Closed Session will be received before the Board recesses to Closed Session.

On December 5, 2017, the Board adopted the following protocol relative to public comment periods. The Board adopted minor revisions to the protocol on August 24, 2021, incorporated herein:

The Board wants all members of the public to feel welcome to speak, especially regarding controversial items. Time for public input will be provided at every Board of Supervisors meeting. Public comment on certain agenda items designated and approved by the Board may be treated differently within specific time limits per speaker or a limit on the total amount of time designated for public comment. It is the intent of the Board that quasi-judicial matters have additional flexibility depending on the nature of the issue. The Board Chair may limit public comment during Open Forum.

Public Comment: L. Cauchon

A motion was made by Supervisor Hidahl, seconded by Supervisor Parlin to direct staff to develop a policy regarding proclamations and return to the Board within 90 days with recommendations regarding the same.

The following direction was provided by the Board on potential content for the policy, and the Board requested staff to conduct further research on other jurisdictions' policies to formulate recommendations for the Board to consider. The Board provided direction to staff on:

- General policy statement on intent of approving proclamations - Separating ceremonial from educational proclamations (less proclamations are better for efficiently running meetings - look to the use of certificates for appreciation/recognition)
- Who may request a proclamation (i.e., public, staff, Board members, etc.) - Board Chair to bring national holiday/normal annual proclamations and any additional proclamations brought by Board members must be brought by two Board members.
- Number of votes required to approve a proclamation
- Who or what may be acknowledged in a proclamation (i.e., individuals, events, organizations, etc.) - Religious proclamations should not be brought forward.
- How proclamations should be agendized (consent or discussion) - Proclamations read during a Board meeting that mirror national holidays (i.e. Memorial Day, September 11th, Veteran's Day) and those of an educational nature would be placed on consent and brought by the Department. The annual Deputy Ishmel proclamation will be read due to its significance for the County and is to be continued in perpetuity.
