I, Joseph Carruesco, Director of Human Resources, agree that the attached list of accounts are debts that should be discharged as they are no longer collectible, as the amount owing is too small to justify the cost of further collection. I understand the recommendation is that our department be discharged from accountability, and that this does not relieve the debtor's responsibility from the debts.

I declare the foregoing is true and correct.

Signed: J. Carruesco

Director of Human Resources
