

Park Use Permits and Special Events

The County requires a ~~Parks~~-Use Permit for all reserved events taking place at a park or on the trail. There is a flat day use fee for events held in the park where general admission is not charged to participate in the event. See schedule below.

Events held for 200 people or more where general admission tickets are sold to participate in the event will pay a per ticket surcharge to the County in lieu of the flat fee for day use. See schedule below.

Events over 1,999 people require an additional permit from Planning Services.

Events cannot exclude the public from an entire park trail system or access to the South Fork of the American River.

The following is the established fee schedule for use of the Henningsen Lotus Pavilion the trail system or exclusive use of an area of a park for a special event that particular day.

Fees for parking, field use or other park infrastructure are not included for reserved events with the exception of those events greater than 200 people where a per ticket registration surcharge is applied.
