RE: BOS Agenda 4/12/11, Item #22 - Indian Gaming Local Community Benefit Committee

I will be at speaking on behalf of SB 657 at the State Capital tomorrow, April 12, 2011, and unable to attend the Board of Supervisor's morning meeting. I am interested in serving on the Indian Gaming Local Community Benefit Committee and would like to be considered as one of the appointees. Thank you for your consideration.
