Sheriff,

Supervisor Sweeney wants the following for inclusion in record and request for report as follows:

Please review records of SLT Work Program to determine who paid with a \$100.00 bill and who received it. The person that paid should be prosecuted for tendering a counterfeit bill and the person receiving should be educated as to what a counterfeit bill looks like. This is embarrassing. If law enforcement receives counterfeit bills and does not know it and does not prosecute, what chance does the general public have to defend themselves from receiving counterfeit bills.

Thanks,
Karen Feathers
