WEVER'S MRF Relocation

Sustainable Solid Waste Management

RECEIVED
BOARD OF SUPERVISORS
EL DORADO COUNTY
2008 MAR 10 PM 4:20

Current MRF/Transfer Station

- Only facility serving the Western Slope.
- Currently managing recyclables outside.
- Operations have improved
 - but site is limited.
- WCI fixed many issues with process changes.

Building Constraints

3 9:47AM

Cramped Floor Space

MAR 3 2008

The Future

- AB939 and AB32.
- Growth → El Dorado County.
- Increasing sustainable programs.
- Less Truck Traffic in Diamond Springs.
- Assures 100-200 jobs stay in El Dorado County.
