Dear Board of Supervisors,

1) I request that you do NOT expend any more Taxpayer dollars on funding this Update. Instead, please only move forward with the few, if any, changes required by law, and discard the remaining growth inducing revisions. Our **protective policies should not be gutted** from the voter-approved General Plan. It will only lead to expensive litigation for the County, as described by the Community Development Agency director on April 14.

2) I implore you specifically, **Supervisor Ranalli**, to recuse yourself from this vote, as you stand to benefit from entitlements granted to property you own as a result of this vote. This seems as an extreme issue of a conflict of interest. I have to undergo a Disclosure Training each year which covers **Conflict of Interest** issues. The example used is an elected City official with land ultimately bought by a third party after a vote involving the property.

Thank you,

Mary Williams

Hope this is not too late. I sent Friday night it for some reason it did not go through.
