Summary of qualifications I am a long time resident of El Dorado County. I grew up outside of Diamond Springs before moving with my family prior to high school. I later returned in 2005 with my wife to El Dorado Hills. We have raised three children in EDH and each of our kids attend Oak Ridge High School currently. I have a Bachelor's Degree in Criminal Justice and a Graduate Degree in Organizational Leadership. I have worked with the Sacramento County Sheriff's Office for over 26 years. I have served in many different capacities with the Sheriff's Office which have included responding to the abuse of children. I currently manage teams in the City of Rancho Cordova responding to calls for service to the community. I have extensive experience in public speaking, emergency management, budgeting and investigations.			
Affiliations with professional and/or community groups I am a long time member of Boy Scouts in El Dorado Hills. I currently serve as an Assistant Scoutmaster with Troop 454 in EDH. My role is to help provide guidance for young people to become great citizens and stewards of the outdoors. I am a board member of the Bruce Verhoeven Foundation Memorial Fund. The board's function is to serve the law enforcement community by providing funds in the form of scholarships, grants and aid to families in crisis. As a board member my role is to monitor the use of donated funds and seek out new opportunities to meet the needs of our law enforcement families.			
Why do you seek appointment? I love El Dorado County. I have a willingness to serve and a desire to work in the community I love. In my career I have always had an added interest in protecting the most vulnerable in our community: children and seniors. For this reason I would be proud, if selected, to serve on the Child Abuse Prevention Council. I understand there is a law enforcement person on the council already. However, as a parent and long time resident I am willing to represent the position of parent/caregiver on the council.
