The State Coordinator/ESO must approve the Request for Transfer. Once the transfer is approved the LEA will follow federal/state rules related to equipment transfers. Documentation should include signatures from the releasing agency and the receiving agency. Additionally, the releasing agency should attach a copy of the original DD form 1348. Both agencies must be current participants of the 1033 program and will adhere to the terms & conditions of CA State Plan of Operation between their respective agency and OES. If you have any questions, please feel free to contact the State State Coordinator's Office at (916) 324-9171 or (916) 324-6724.
 Note: The physical transfer of equipment will not occur until approval has been granted. Failure to comply with this condition may result in program suspension. (Please see instruction below)

The receiving agency must include an explanation of how this equipment will be utilized. Once the 1033/1206 property has been approved for transfer by the State Coordinator/ESO, the approved transfer request will be returned to the releasing agency. Upon actual transfer, the releasing agency and the receiving agency must sign the completed transfer request and send a copy to the State Coordinator's Office. Both the releasing agency and receiving agency must also maintain a record of the transfer, pursuant to LESO records retention policy.
