

Mitigation Measure(s) Agreement

Project:

As the applicant, owner, or their legal agent, I hereby agree to incorporate all required mitigation measures, as identified in the related Environmental Checklist, which are necessary in order to avoid or reduce any potentially significant environmental effect to a point where clearly no significant adverse impacts would occur as a result of project implementation.

I understand that by agreeing to incorporate the identified mitigation measures, all potentially adverse environmental impacts will be reduced to an acceptable level and a "Proposed Mitigated Negative Declaration" will be prepared and circulated in accordance with County procedures for implementing the California Environmental Quality Act (CEQA). I also understand that additional mitigation measures may be required following the review of the "Proposed Mitigated Negative Declaration" by the public, affected agencies, and by the applicable advisory and final decision making bodies.

I understand the required mitigation measures incorporated into the project will be subject to the El Dorado County Mitigation Monitoring and Reporting Program adopted in conjunction with the Mitigated Negative Declaration.

This agreement shall be binding on the applicant/property owner and on any successors or assigns in interest.

IN WITNESS WHEREOF, the Planning Director or his assign, representing the County of El Dorado, and the applicant/owner or his legal agent have executed this agreement on this 22nd day of September, 2023.
