CAO UPDATE

Pamela Knorr, Interim Chief Administrative Officer, reported that she will be meeting the Randy Wagner from Sierra Economic Development Corporation tomorrow and she will report back to the Board. She also has a meeting with Paul Smith from Rural County Representatives of California on February 5, 2015 and she will be working with him to facilitate a representative of RCRC to come before the Board and give a presentation on the services they provide. Hopefully, starting next month there will be regular updates to the Board on four topics: budget, Phoenix, facilities and implementation of the General Plan. A Board item will be brought forward regarding the results from the strategic plan that was discussed yesterday.

ITEMS TO/FROM SUPERVISORS

Supervisor Mikulaco expressed his interest in realignment AB109. There was a seminar at the Convention Center in Sacramento that he attended. During the seminar, recidivism was discussed. Risk factors were discussed and one of the risk factors was being unemployed. Someone who is employed has a much lower recidivism rate. When jobs and economic development are discussed, Supervisor Mikulaco believes there is another component. Supervisor Mikulaco also acknowledged that jobs are a challenge in El Dorado County because there is not a lot of them.

Supervisor Frentzen attended the Rural County Representatives of California (RCRC) social event. She believes RCRC is a great organization.

Supervisor Novasel took a tour of the County facilities located in Tahoe. She noted the severity and the problems pertaining to the facilities. In particular, El Dorado Center is truly in need of help. As a result, she has some concerns. She visited the new leased facility for Mental Health and thought it was fabulous. Tomorrow is the Mental Health Commission meeting. There is a mental health crisis going on right now due to the funding being cut for patients in the hospital between the hours of 12:00 p.m. to 8:00 a.m. Supervisor Noval also attended the Library meeting last week.

Supervisor Ranalli attended the Rural County Representatives of California (RCRC) meeting, but was not able to attend the social event. He expressed his gratitude to the Supervisors who attended the social event. Supervisor Ranalli was impressed with the resources available and how willing people are to help.

Supervisor Veerkamp attended the El Dorado Water and Power Authority (EDWAPA) meeting. The February EDWAPA meeting is cancelled. The March meeting will be on the second Wednesday of the month and will be an overview. The Water Agency meeting will follow. As we enter our fourth year of drought, water becomes even more of an issue. February 4 and 6, 2015 will be the Board training sessions. The Sacramento Area Council of Governments monthly meeting is on Thursday. The draft 2016 Metropolitan Transportation Plan will be presented tomorrow.

ADJOURNED AT 4:22 P.M. in honor of Stan Paolini.
