- E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that Contractor can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.

6. Term and Termination.

- A. Term – this Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to Contractor, or created or received by Contractor on behalf of the County, is destroyed or returned to the County, or, or if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
- B. Termination for Cause. Upon the County’s knowledge of a material breach by the Contractor, the County shall either:

 - (2) In the event that the Contractor determines that returning or destroying the PHI is infeasible, Contractor shall provide to the County notification of the conditions that make return or destruction infeasible. Contractor shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of Contractor, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Business Associate Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever arising from the performance of Contractor, its officers, agents, employees, subcontractors, agents or representatives from this Business Associate Agreement. Contractor's obligation to defend, indemnify and hold harmless County shall be subject to County having given Contractor written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at Contractor's expense, for the defense or settlement thereof. Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Contractor from indemnifying the County to the fullest extent allowed by law.

In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.
