ARTICLE VII

Changes to Agreement: This Agreement may be amended by mutual consent of the parties hereto. Said amendments shall become effective only when in writing and fully executed by duly authorized officers of the parties hereto.

ARTICLE VIII

Consultant to County: It is understood that the services provided under this Agreement shall be prepared in and with cooperation from County and its staff. It is further understood that this Agreement does not create an exclusive relationship between County and Consultant, and Consultant may perform similar work or services for others. However, Consultant shall not enter into any agreement with any other party, or provide any information in any manner to any other party, that would conflict with Consultant's responsibilities or hinder Consultant's performance of services hereunder, unless County's Contract Administrator, or designee, in writing, authorizes that agreement or sharing of information.

ARTICLE IX

Consultant, and all Consultant's staff, employees, and representatives, shall not use or disclose, directly or indirectly at any time, any said confidential information, other than to County's Human Resources Department for the purpose of, and in the performance of, this Agreement. This confidentiality provision shall survive after the expiration or earlier termination of this Agreement.

ARTICLE X

Assignment and Delegation: Consultant is engaged by County for its unique qualifications and skills as well as those of its personnel. Consultant shall not subcontract, delegate, or assign services to be provided, in whole or in part, to any other person or entity without prior written consent of County.

ARTICLE XI

Independent Contractor: The parties intend that an independent consultant relationship will be created by this contract. Consultant is, and shall be at all times, deemed independent and shall be wholly responsible for the manner in which it performs services required by the terms of this Agreement. Consultant exclusively assumes responsibility for

acts of its employees, agents, affiliates, and subconsultants, if any are authorized herein, as they relate to the services or work to be performed under this Agreement during the course and scope of their employment by Consultant. Those persons will be entirely and exclusively under the direction, supervision, and control of Consultant.

County may designate the tasks to be performed and the results to be accomplished under this Agreement, provide information concerning the work or services, approve or disapprove the final work product and/or services provided, and set deadlines for the completion of the work or services, but County will not control or direct the manner, means, methods, or sequence in which Consultant performs the work or services for accomplishing the results. Consultant understands and agrees that Consultant lacks the authority to bind County or incur any obligations on behalf of County.

Consultant, including any subconsultant or employees of Consultant, shall not receive, nor be eligible for, any benefits County provides for its employees, including, at a minimum, vacation pay, paid holidays, life insurance, health insurance, social security, disability insurance, pension, or 457 plans. Consultant shall not receive, nor be eligible for, workers' compensation, including medical and indemnity payments. County is not responsible for withholding, and shall not withhold, Federal Income Contribution Act amounts or taxes of any kind from any payments which it owes Consultant. Consultant shall not be subject to the work schedules or vacation periods that apply to County employees.

Consultant shall be solely responsible for paying its employees, and for withholding Federal Income Contribution Act amounts and other taxes, workers' compensation, unemployment compensation, medical insurance, life insurance, or any other benefit that Consultant provides for its employees.

Consultant acknowledges that it has no authority to bind the County or incur any obligations on behalf of the County with regard to any matter, and shall not make any agreements or representations on the County's behalf.

ARTICLE XII

Fiscal Considerations: The parties to this Agreement recognize and acknowledge that County is a political subdivision of the State of California. As such, County is subject to the provisions of Article XVI, Section 18 of the California Constitution and other similar fiscal and procurement laws and regulations and may not expend funds for products, equipment, or services not budgeted in a given fiscal year. It is further understood that in the normal course of County business, County will adopt a proposed budget prior to a given fiscal year, but that the final adoption of a budget does not occur until after the beginning of the fiscal year.

Notwithstanding any other provision of this Agreement to the contrary, County shall give notice of cancellation of this Agreement in the event of adoption of a proposed budget that does not provide for funds for the services, products, or equipment subject herein. Such notice shall become effective upon the adoption of a final budget, which does not provide funding for this Agreement. Upon the effective date of such notice, this Agreement shall be automatically terminated and County released from any further liability hereunder.

In addition to the above, should the Board of Supervisors during the course of a given year for financial reasons reduce or order a reduction in the budget for any County department for which services were contracted to be performed, pursuant to this paragraph in the sole discretion of County, this Agreement may be deemed to be canceled in its entirety subject to payment for services performed prior to cancellation.

ARTICLE XIII

Audit by California State Auditor: Consultant acknowledges that if total compensation under this Agreement is greater than \$10,000.00, this Agreement is subject to examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code § 8546.7. In order to facilitate these potential examinations and audits, Consultant shall maintain, for a period of at least three (3) years, or for any longer period required by law, after final payment under the Agreement, all books, records, and documentation necessary to demonstrate performance under the Agreement.

ARTICLE XIV

Default, Termination, and Cancellation:

- A. 1. Termination by Default: If either party becomes aware of an event of default, that party shall give written notice of said default to the party in default (notice) that shall state the following:
- a. The alleged default and the applicable Agreement provision, and
 - b. That the party in default has ten (10) days upon receiving the notice to cure the default (Time to Cure).

If the party in default does not cure the default within ten (10) days of the Time to Cure, then such party shall be in default and the party giving notice may terminate the Agreement by issuing a Notice of Termination. The party giving notice may extend the Time to Cure at their discretion. Any extension of Time to Cure must be in writing, prepared by the party in default for signature by the party giving notice, and must specify the reason(s) for the extension and the date in which the extension of Time to Cure expires.

2. If County terminates this Agreement, in whole or in part, for default:
 - a. County reserves the right to procure the goods or services, or both, similar to those terminated, from other sources and Consultant shall be liable to County for any excess costs for those goods or services. County may deduct from any payment due, or that may thereafter become due to Consultant, the excess costs to procure from an alternate source.
 - b. County shall pay Consultant the sum due to Consultant under this Agreement prior to termination, unless the cost of completion to County exceeds the funds remaining in the Agreement. In which case the overage shall be deducted from any sum due Consultant under this Agreement and the balance, if any, shall be paid to Consultant upon demand.

- c. County may require Consultant to transfer title and deliver to County any completed work under the Agreement.
3. The following shall be events of default under this Agreement:
- a. Failure by either party to perform in a timely and satisfactory manner any or all of its obligations under this Agreement.
 - b. A representation or warranty made by Consultant in this Agreement proves to have been false or misleading in any respect.
 - c. Consultant fails to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Agreement, unless County agrees, in writing, to an extension of the time to perform before that time period expires.
 - d. A violation of ARTICLE XXI, Conflict of Interest.
- B. Bankruptcy: County may terminate this Agreement immediately in the case of bankruptcy, voluntary or involuntary, or insolvency of Consultant.
- C. Ceasing Performance: County may terminate this Agreement immediately in the event Consultant ceases to operate as a business or otherwise becomes unable to substantially perform any term or condition of this Agreement.
- D. Termination or Cancellation without Cause: County may terminate this Agreement, in whole or in part, for convenience upon thirty (30) calendar days' written Notice of Termination. If such termination is effected, County will pay for satisfactory services rendered before the effective date of termination, as set forth in the Notice of Termination provided to Consultant, and for any other services that County agrees, in writing, to be necessary for contract resolution. In no event, however, shall County be obligated to pay more than the total amount of the Agreement. Upon receipt of a Notice of Termination, Consultant shall promptly discontinue all services affected, as of the effective date of termination set forth in such Notice of Termination, unless the Notice directs otherwise.

Said notice shall become part of this Agreement upon acknowledgment in writing by County's Contract Administrator, and no further amendment of the Agreement shall be necessary provided that such change of address does not conflict with any other provisions of this Agreement.

ARTICLE XVII

Indemnity: To the fullest extent permitted by law, Consultant shall defend at its own expense, indemnify, and hold the County harmless, its officers, employees, agents, and volunteers, against and from any and all liability, claims, suits, losses, damages, or expenses of every name, kind and description, including attorney's fees and costs incurred, brought for, or on account of, injuries to or death of any person, including, at a minimum, workers, County employees, and the public, or damage to property, or any economic or consequential losses, which are claimed to or in any way arise out of or are connected with the acts or omissions of Consultant or its officers, agents, or employees in rendering the services, operations, or performance hereunder, except for liability, claims, suits, losses, damages or expenses arising from the active negligence, sole negligence, or willful acts of the County, its officers and employees, or as expressly prescribed by statute. This duty of Consultant to indemnify and save County harmless includes the duties to defend set forth in Civil Code section 2778.

The insurance obligations of Consultant are separate, independent obligations under the Agreement, and the provisions of this defense and indemnity are not intended to modify nor should they be construed as modifying or in any way limiting the insurance obligations set forth in the Agreement.

WHEREAS, County and Consultant (hereinafter referred to as Business Associate (“BA”) entered into the Underlying Agreement pursuant to which BA provides services to County, and in conjunction with the provision of such services, certain Protected Health Information (“PHI”) and Electronic Protected Health Information (“EPHI”) may be disclosed to BA for the purposes of carrying out its obligations under the Underlying Agreement;

WHEREAS, the County and BA intend to protect the privacy and provide for the security of PHI and EPHI disclosed to BA pursuant to the Agreement in compliance with the Health Insurance Portability and Accountability Act, Pub. WHEREAS, “Individual” shall have the same meaning as the term “individual” in 45 CFR Section 164.501 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.202(g);

WHEREAS, “Breach” shall have the meaning given to such term under the HITECH Act under 42 USC Section 17921;

WHEREAS, “Unsecured PHI” shall have the meaning to such term under the HITECH Act and any guidance issued pursuant to such Act including, at a minimum, 42 USC Section 17932(h).

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. Definitions. Unless otherwise provided in this Business Associate Agreement, capitalized terms shall have the same meanings as set forth in the Privacy Rule, as may be amended from time to time.

2. Scope of Use and Disclosure by BA of County Disclosed PHI.
 - A. BA shall not disclose PHI except for the purposes of performing BA's obligations under the Underlying Agreement. Further, BA shall not use PHI in any manner that would constitute a violation of the minimum necessary policies and procedures of the County, Privacy Rule, Security Rule, or the HITECH Act.

 - B. Unless otherwise limited herein, in addition to any other uses and/or disclosures permitted or authorized by this Business Associate Agreement or required by law, BA may:
 - (1) Use the PHI in its possession for its proper management and administration and to fulfill any legal obligations.
 - (2) Disclose the PHI in its possession to a third party for the purpose of BA's proper management and administration or to fulfill any legal responsibilities of BA, or as required by law.
 - (3) Disclose PHI as necessary for BA's operations only if:
 - (a) Prior to making a disclosure to a third party, BA will obtain written assurances from such third party including:
 - (i) To hold such PHI in confidence and use or further disclose it only for the purpose of which BA disclosed it to the third party, or as required by law; and,
 - (ii) The third party will immediately notify BA of any breaches of confidentiality of PHI to extent it has obtained knowledge of such breach.
 - (4) Aggregate the PHI and/or aggregate the PHI with that of other data for the purpose of providing County with data analyses related to the Underlying Agreement, or any other purpose, financial or otherwise, as requested by County.
 - (5) Not disclose PHI disclosed to BA by County not authorized by the Underlying Agreement or this Business Associate Agreement without patient authorization or de-identification of the PHI as authorized in writing by County.
 - (6) De-identify any and all PHI of County received by BA under this Business Associate Agreement provided that the de-identification conforms to the requirements of the Privacy Rule,

45 CFR, and does not preclude timely payment and/or claims processing and receipt.

- C. BA agrees that it will neither use nor disclose PHI it receives from County, or from another business associate of County, except as permitted or required by this Business Associate Agreement, or as required by law, or as otherwise permitted by law.
3. Obligations of BA. In connection with its use of PHI disclosed by County to BA, BA agrees to:
- A. Implement appropriate administrative, technical, and physical safeguards as are necessary to prevent use or disclosure of PHI other than as permitted by the Agreement that reasonably and appropriately protects the confidentiality, integrity, and availability of the PHI in accordance with 45 CFR 164.308, 164.310, 164.312, and 164.504(e)(2). BA shall comply with the policies and procedures and documentation requirements of the HIPAA Security Rule.
 - B. Report to County within twenty-four (24) hours of any suspected or actual breach of security, intrusion, or unauthorized use or disclosure of PHI of which BA becomes aware and/or any actual or suspected use or disclosure of data in violation of any applicable federal or state laws or regulations. BA shall take prompt corrective action to cure any such deficiencies and any action pertaining to such unauthorized disclosure required by applicable federal and state laws and regulations.
 - C. Report to County in writing of any access, use, or disclosure of PHI not permitted by the Underlying Agreement and this Business Associate Agreement, and any Breach of Unsecured PHI of which it becomes aware without unreasonable delay and in no case later than five (5) days. To the extent the Breach is solely a result of BA's failure to implement reasonable and appropriate safeguards as required by law, and not due in whole or part to the acts or omissions of the County, BA may be required to reimburse the County for notifications required under 45 CFR 164.404 and CFR 164.406.
 - D. BA shall not use or disclose PHI for fundraising or marketing purposes. BA shall not disclose PHI to a health plan for payment or health care operations purposes if the patient has requested this special restriction and has paid out of pocket in full for the health care item or service to which the PHI solely relates. BA shall not directly or indirectly receive remuneration in exchange of PHI, except with the

prior written consent of the County and as permitted by the HITECH Act, 42 USC Section 17935(d)(2); however, this prohibition shall not affect payment by County to BA for services provided pursuant to the Agreement.

4. PHI Access, Amendment, and Disclosure Accounting. BA agrees to:
 - A. Provide access, at the request of County, within five (5) days, to PHI in a Designated Record Set, to the County, or to an Individual as directed by the County. If BA maintains an Electronic Health Record, BA shall provide such information in electronic format to enable County to fulfill its obligations under the HITECH Act, including, at a minimum, 42 USC Section 17935(e).
 - B. Within ten (10) days of receipt of a request from County, incorporate any amendments or corrections to the PHI in accordance with the Privacy Rule in the event that the PHI in BA's possession constitutes a Designated Record Set.
 - C. To assist the County in meeting its disclosure accounting under HIPAA:
 - (1) BA agrees to implement a process that allows for an accounting to be collected and maintained by BA and its agents or subconsultants for at least six (6) years prior to the request. However, accounting of disclosure from Electronic Health Record for treatment, payment, or health care operations purposes are required to be collected and maintained for only three (3) years prior to the request, and only to the extent that BA maintains an electronic health record and is subject to this requirement. At the minimum, the information collected shall include: (i) the date of disclosure; (ii) the name of the entity or person; (iii) a brief description of PHI disclosed; and (iv) a brief statement of purpose of the disclosure that reasonably informs the individual the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure.
 - (2) Within thirty (30) days of notice by the County, BA agrees to provide to County information collected in accordance with this section to permit the County to respond to a request by an Individual for an accounting of disclosures of PHI.
 - D. Make available to the County, or to the Secretary of Health and Human Services (the "Secretary"), BA's internal practices, books and

records relating to the use of and disclosure of PHI for purposes of determining BA's compliance with the Privacy Rule, subject to any applicable legal restrictions. BA shall provide County a copy of any PHI that BA provides to the Secretary concurrently with providing such information to the Secretary.

5. Obligations to County.

- A. County agrees that it will promptly notify BA in writing of any restrictions on the use and disclosure of PHI agreed to by County that may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- B. County agrees that it will promptly notify BA in writing of any changes in, or revocation of, permission by any Individual to use or disclose PHI, if such changes or revocation may affect BA's ability to perform its obligations under the Underlying Agreement, or this Business Associate Agreement.
- C. County agrees that it will promptly notify BA in writing of any known limitation(s) in its notice of privacy practices to the extent that such limitation may affect BA's use of disclosure of PHI.
- D. County shall not request BA to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by County, except as may be expressly permitted by the Privacy Rule.
- E. County will obtain any authorizations necessary for the use or disclosure of PHI, so that BA can perform its obligations under this Business Associate Agreement and/or the Underlying Agreement.

6. Term and Termination.

- A. *Term.* This Business Associate Agreement shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein when all PHI provided by the County to BA, or created or received by BA on behalf of the County, is destroyed or returned to the County, or, if it is infeasible to return or destroy PHI, protections are extended to such information, in accordance with the termination provisions in this Section.
- B. *Termination for Cause.* Upon the County's knowledge of a material breach by the BA, the County shall either:

- (1) Provide an opportunity for the BA to cure the breach or end the violation and terminate this Agreement if the BA does not cure the breach or end the violation within the time specified by the County.
- (2) Immediately terminate this Agreement if the BA has breached a material term of this Agreement and cure is not possible; or
- (3) If neither termination nor cures are feasible, the County shall report the violation to the Secretary.

C. *Effect of Termination.*

- (1) Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, the BA shall, at the option of County, return or destroy all PHI that BA or its agents or subconsultants still maintain in any form, and shall retain no copies of such PHI.
- (2) In the event that the County determines that returning or destroying the PHI is infeasible, BA shall provide to the County notification of the conditions that make return or destruction infeasible, and BA shall extend the protections of this Agreement to such PHI to those purposes that make the return or destruction infeasible, for so long as the BA maintains such PHI. If County elects destruction of the PHI, BA shall certify in writing to County that such PHI has been destroyed.

7. Indemnity.

- A. BA shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents, and representatives (collectively "County") from any liability whatsoever, based or asserted upon any services of BA, its officers, employees, subconsultants, agents, or representatives arising out of or in any way relating to BA's performance under this Business Associate Agreement, including, at a minimum, to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties, or any other costs and resulting from any reason whatsoever to the extent arising from the performance of BA, its officer, agents, employees, subconsultants, agents, or representatives under this Business Associate Agreement. BA shall defend, at its sole expense, all costs and fees including, at a minimum, attorney fees, cost of investigation, defense and settlements or awards against the County in any claim or action based upon such alleged acts or omissions.

- B. With respect to any action or claim subject to indemnification herein by BA, BA shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of County, which shall not be unreasonably withheld, and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement, or compromise in no manner whatsoever limits or circumscribes BA's indemnification of County as set forth herein. BA's obligation to defend, indemnify, and hold harmless County shall be subject to County having given BA written notice within a reasonable period of time of the claim or of the commencement of the related action, as the case may be, and information and reasonable assistance, at BA's expense, for the defense or settlement thereof. BA's obligation hereunder shall be satisfied when BA has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.
 - C. The specified insurance limits required in the Underlying Agreement of this Business Associate Agreement shall in no way limit or circumscribe BA's obligations to indemnify and hold harmless the County herein from third party claims arising from the issues of this Business Associate Agreement.
 - D. In the event there is a conflict between this clause and California Civil Code Section 1782, this clause shall be interpreted to comply with Civil Code Section 2782. Such interpretation shall not relieve the BA from indemnifying the County to the fullest extent allowed by law.
 - E. In the event there is a conflict between the indemnification clause and an indemnification clause contained in the Underlying Agreement of this Business Associate Agreement, this indemnification shall only apply to the subject issues included within this Business Associate Agreement.
8. Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
9. Survival. The respective rights and obligations of this Business Associate Agreement shall survive the termination or expiration of this Business Associate Agreement.

10. Regulatory References. A reference in this Business Associate Agreement to a section in the Privacy Rule means the section as in effect or as amended.
11. Conflicts. Any ambiguity in this Business Associate Agreement and the Underlying Agreement shall be resolved to permit County to comply with the Privacy Rule, 45 CFR, and HIPAA generally.
